Facts of complaint

C said he had called the LAPD several weeks ago to report the following, however, he guessed they did nothing about it. He said he formerly lived at **[REDACTED]** which is near the Ambassador Hotel. He said on the night of the KENNEDY shooting he had been at his apartment. He said hearing some commotion he went outside about 12-25pm that ~~xxx~~ night and observed a blonde headed fellow running between Sixth and Wilshire. He entered a red MG or Triumph and sped away up Alexandria Street. He said t his man was young and looked to be about 6 tall. He said almost simultaneously another shorter, (5'6-7") dark haired man also came running up Alexandria and entered the apartment building located at 526 S. Alexandria.

C said he realizes the above incidents might be coincidental however it was a published fact that SIRHANS car was found on Alexandria. Further the time is relative (12-25pm) wherein it would be conceivable that these ~~xxxxx~~ men might have been fleeing the shooting scene. In any event, he felt it should be reported.

C was advised his call would be made a matter of record.

[REDACTED] of the Los Angeles County District Attorney's Office, Bureau of Investigation, 524 North Spring Street, Los Angeles, California on July 19, 1968 advised his office had received a letter from the Honorable Thomas C. Lynch, Attorney General for the State of California dated July 15, 1968.

Mr. Lynch forwarded to the Office of the Los Angeles County District Attorney, a letter handwritten in Spanish, dated June 15, 1968 from Enriquillo, Dominican Republic. The letter states that the writer, [REDACTED] extends his greetings to the Attorney General of California and requests his assistance in "something very important which must be said". The writer of the letter states, "I want to kill Sirhan Bishara Sirhan. I want to fight hand to hand with this Jordanian devil". The writer of the letter goes on to state that he desires an opportunity to "give what he deserves to this cowardly assassin". The letter continues stating that the writer would like to "confront him on the battle field, fist to fist with this dirty assassin in order to hit him strongly with my fist and after killing him to take him apart piece by piece with my teeth and if it is possible to eat him also because this dirty Jordanian does not deserve a different death since Sirhan Bishara Sirhan took the life of an idealistic man and humanitarian as Robert F. Kennedy".

The writer of the letter again repeats his desire as set forth above and requests the assistance of Mr. Lynch in helping him to ask the authorities of the Government of the United States, "to see if they can authorize such a thing". The writer of the letter closes by saying,

TO : DIRECTOR, FBI (62-587)

FROM : SAC, LOS ANGELES (56-156)

SUBJECT: KENSALT

DATE: 7/22/68

Enclosed herewith are five copies and one original of a letterhead memorandum regarding one, [REDACTED]

The information contained in the letterhead memorandum was furnished to SA [REDACTED] on 7/19/68 by [REDACTED] of the Los Angeles County District Attorney's Office, Bureau of Investigation, 524 North Spring Street, Los Angeles, California.

[REDACTED] explained that the Honorable EVELLE J. YOUNGER, District Attorney for Los Angeles County, received a letter from Mr. THOMAS C. LYNCH, Attorney General for the State of California, dated 7/15/68. In his letter to Mr. YOUNGER, Mr. LYNCH included a letter bearing a date of 6/16/68 from [REDACTED] Enriquillo, Dominican Republic. In the letter [REDACTED] sets forth a personal desire in his part to personally confront SIRHAN BISHARA SIRHAN in personal combat for the purpose of killing him.

[REDACTED] advised that the letter was referred to the Office of the Los Angeles County District Attorney because SIRHAN will be prosecuted within the jurisdiction of that agency. In view of the Dominican Republic residence of [REDACTED] this office does not anticipate conducting any investigation with respect to this letter. He advised, however, that it was desirable that the Bureau be advised and that perhaps appropriate authority to the Dominican Republic could be alerted, in the event [REDACTED] attempted to obtain permission to enter the United States.

Gentlemen:

I want to report something confidential:

[REDACTED] A young man by the name of [REDACTED] had rented a Single Apt [REDACTED] in that bldg. from last May 27 to June 27. He said he came here many years ago from Egypt and that he was employed at the Ambassador Hotel (We didn't check.) As an excuse for moving out so soon, he said that he was going to work out-of-town ("somewhere in the mountains"), although he gave "General Delivery, Hollywood" as his forwarding address. The rent check he gave us for one month in advance, was properly signed [REDACTED] and drawn on a North Hollyw'd Ban. He was tinkering with his car most of the time behaving normally otherwise. We have now received an electric bill for a [REDACTED] - a name entirely unknown to us. The similarity of this name with the middle name of Sirhan B. Sirhan arises our suspicion. (It may also be a false alarm).

b7C

On May 20, 1968, [REDACTED] b7D San Diego
County Sheriff's Office, El Cajon Substation, telephonically
contacted the San Diego Office of the Federal Bureau of
Investigation and furnished the following information:

[REDACTED] b7D advised that he had been contacted by a
fourteen-year-old boy named [REDACTED]
[REDACTED] California. [REDACTED] told him that while he was
getting ready to leave the area in front of the Chula Vista
library where ROBERT F. KENNEDY had just spoke, he was
approached by a man who resembled JAMES EARL RAY. This man
asked [REDACTED] where and when KENNEDY was to speak again. When
told that he did not know where and when KENNEDY was to
speak, this individual then asked him the location of a good
place to eat with a telephone. [REDACTED] felt that the man with
whom he spoke looked very similar to a photograph of JAMES
EARL RAY appearing in a recent issue of the Chula Vista
"Star News."

[REDACTED] "Citizens for Kennedy," KENNEDY
Campaign Headquarters, San Diego, California, was contacted
on May 20, 1968, at which time he advised that ROBERT F.

MAY 20, 1968

b7D [REDACTED] San Diego County Sheriff's Office, El Cajon Substation, El Cajon, California, was recontacted on May 21, 1968 and advised that he had no further information to relate concerning information furnished to him by [REDACTED] except to state that [REDACTED] resides in his immediate neighborhood and considers him a highly reliable young man.

[REDACTED] Chula Vista, California, was interviewed on May 21, 1968 and he advised as follows:

b7D [REDACTED] had occasion to be present at the campaign speech of ROBERT F. KENNEDY at the Civic Center, Chula Vista, California, on May 20, 1968. A short time after the speech by Mr. KENNEDY ended, which was then approximately 5:20 to 5:30 p.m., an individual closely resembling JAMES EARL RAY approached him and asked him if KENNEDY had made his speech yet. When told that he had, this individual appeared surprised and then asked where KENNEDY was going to speak next.

[REDACTED] stated that he had a schedule of Mr. KENNEDY's appearances in the San Diego area and told this individual that his next appearance would be at San Ysidro, California.

This individual asked [REDACTED] where there was a good place to eat where he could obtain a telephone. He also asked him if there was a telegraph office in San Ysidro, to which [REDACTED] replied he could not furnish this information as he did not know.

[REDACTED] described this individual as approximately forty years of age, white, male, American, five feet eight inches to five feet nine inches, 160 to 170 pounds, hair medium brown, complexion fair to medium, wearing a blue coat, light-colored slacks and brown shoes.

[REDACTED] advised that prior to seeing this individual he had read an article in the Chula Vista "Star News"

POSSIBLE THREAT AGAINST ROBERT

MAY 20, 1968

concerning JAMES EARL RAY, which also had a photograph
of RAY in the paper. According to [REDACTED] the individual who
contacted him at Chula Vista closely resembled JAMES EARL RAY.

On May 21, 1968, [REDACTED] Western
Union Office, San Ysidro, California, advised she usually
closes the Western Union office at 5:00 p.m. on a daily
basis; however, on May 20, 1968 she closed the office at
4:45 p.m. in order to go to the campaign speech of ROBERT

Police Call Saidallah's Story No Hoax

Sirhan's Brother Tells of Shooting Night

By J. ROBERT SMITH

Staff Writer

(c) 1968 The Pasadena Independent Star-News

The circumstances preceding the July 3 early morning shooting at Saidallah Bishara Sirhan, 36, of Pasadena, have been revealed for the first time in an exclusive interview with Saidallah by this newspaper.

Saidallah is the brother of Sirhan Bishara Sirhan, 24, also of Pasadena, who is charged

with the assassination of Sen. Robert F. Kennedy last June 5.

Saidallah had reported to Pasadena police who have since agreed, that he was shot at while driving the Pasadena Freeway early July 3.

Pasadena Chief of Police Samuel H. Addis told this newspaper that "based upon the facts that we have now, there is nothing to indicate that the incident is a hoax. I believe it did happen."

In the interview, Saidallah said that the Pasadena police had given him a very rigid lie detector test. Lt. Gerald E. Wright, head of the detective bureau, verified the giving of the test, but refused to tell its result.

Saidallah also said that he was given a similar test by Enrique Hernandez of the Los Angeles Police Department. The result also is undisclosed because Hernandez took refuge

under a court order which he said prevented him from talking about the test.

Discrepancies in released reports prompted this newspaper to seek Saidallah in an effort to determine what actually happened that early morning.

This is his story, in the words in which he replied to questions asked:

"I wanted to meet Liza Williams, a columnist on the Free Press. She writes a column called

'Grey Power.' I read it every week. I met her at David Saldas Shop, 68 N. Fair Oaks Ave., about three months ago.

"I wanted to consult with her about the laws of publishing regarding reporters using my name for exploitation in any document.

"I phoned the Pasadena Free Press office and asked for her address the night before the shooting, and they gave me an address such as 92 Fairfax, Los Angeles.

("The address listed in the paper's masthead is 935 N. Fairfax, Los Angeles.)

"The Pasadena office also told me if I wanted more information to call the Hollywood Free Press. I was told that it was located at 65 something

street. The name sounded like a Spanish term.

"Early the next morning, about four o'clock, I went to find her to avoid the traffic and exposing myself to the public during the day in an area that I am not familiar with.

"After being in that area for a while and not finding what I was looking for, I decided to come back home.

"I took Beverly Boulevard to Hill Street and on into the Pasadena Freeway where I encountered the Chevrolet and the Volkswagen bus. There were three people in the Chevrolet, and four in the Volkswagen.

"I still want to talk to Miss Williams."

Shooting Episode

Saidallah then told of the shooting episode which substantially corresponded with the report of the incident released by police. He said the Chevrolet and Volkswagen bus were the vehicles that pursued him on the freeway when the two shots coming from the bus were fired at him.

He said the entire trip from Pasadena and back took about one-and-a-half hours.

Asked whether he was given a lie detector test by police, Saidallah replied, "The Pasadena police gave me a lie detector test similar to a third degree, about 9:30 that morning, and I was also given another in Los Angeles by Mr. Hernandez about three to five days later."

POLICE FILE SIRHAN BROTHER—Saidallah Bishara Sirhan accuses Pasadena policeman Ben Hetherington (left) of trying to force him to admit that he did the shooting at his own car which he reported July 3 as being done by men in a car which followed his auto early that morning on the Pasadena Freeway.

This newspaper asked Lt. Wright whether Saidallah was given the test, and he admitted it. Asked what was the result, Wright replied, "We do not discuss that." He also refused to tell who gave the test. Saidallah said it was a sergeant whose name he did not remember.

When asked this question, "Since you have said Saidallah did not do the shooting, after he was given a polygraph test, is it not evident then that the test cleared him?" to which Wright replied, "No comment."

In an interview Chief Addis said, "Based upon the facts that we have now, there is nothing to indicate that it is a hoax. I believe the shooting did happen."

The following is the question and answer interview with Addis and Lt. Wright:

What is the status of the alleged shooting incident?

Wright: We have made a full investigation of it. Nothing has turned up for us to hang our hats on or get a suspect. We cannot come up with anything to disprove this man's story.

Do you think that the alleged incident might be connected with the assassination?

Wright: No, not at all.

Regarding the shots being fired and Sirhan slumping aside, do you believe that?

Wright: I have to believe that.

Why do you have to believe that?

Wright: If I said I didn't believe it, I could not answer the next question you would ask, namely: Why?

(Lt. Wright then explained his personal investigation into the trajectory of the projectile coming from the location described by Saidallah. He said that his story made sense.)

Wright: We recreated the incident. It is very possible he was shot at from the Volkswagen.

Los Angeles detectives are reported to be also working on the case. Have they come up with anything?

Wright: No.

Have you learned what Saidallah was really doing in Los Angeles so early that morning?

Wright: Just what he said about looking for a woman reporter on the Free Press down on 92nd or 93rd Street.

Are you convinced and satisfied beyond a reasonable doubt that the incident did happen?

Addis: I cannot say that. In cases of this kind we are never convinced or satisfied until the

facts wholly support our conviction or satisfaction, that it either happened or did not happen, but based upon the facts we have now, I think it happened.

Then you believe his story?

Addis: I have to.

If it were not for Judge Alarcon's court order, could you tell more:

Addis: No.

Is this case considered closed?

Addis: No. It is open until either we arrest the people who did it, or prove it never happened. Until then, we will have someone assigned to it.

Saidallah complained that an FBI agent and Pasadena policeman Ben Hetherington tried to treat him like a "mendicant." "They wanted me to say that I did the shooting myself, and that FBI man searched my home looking for guns without a search warrant. He was very nasty," Saidallah related.

(Mount Clipping in Space Below)

Police Rebut Statements By Sirhan

Pasadena police officials, who gave Saidallah B. Sirhan round-the-clock protection after he said shots were fired at him, today rebutted Sirhan's remarks that he was subjected to a "third degree" and an illegal search.

Saidallah, brother of Sirhan B. Sirhan, the accused assassin of Sen. Robert F. Kennedy, said the police gave him a lie detector test "similar to a third degree about 9:30" the morning of the shots.

"The polygraph test came in the afternoon after routine questioning," replied Lt. Gerald E. Wright, of the investigative section. "We do not use the 'third degree.'"

The "third degree" refers to quizzing accompanied by physical maltreatment of the subject.

Saidallah complained that after the July 3 incident, his home was searched by an "FBI man ... without a search warrant" and that Saidallah was subjected to insult.

"We do not know of any FBI man being involved," said Lt. Wright. "Saidallah gave me his personal permission for our Sgt. Ben Hetherington and a Los Angeles detective to go with him to his house to look for evidence."

PETE HAMILL

Lieutenant Manuel Pena, Los Angeles Police Department, Los Angeles, California, advised on July 30, 1968 that an article appeared in the June 6, 1968 issue of the "Washington Post" newspaper publication, which was written by Richard Harwood, a Washington Post staff writer.

The article mentions, in part, that one Budd Schulberg and Pete Hamill, neither further identified, were in the immediate proximity of Mrs. Ethel Kennedy on the morning of June 5, 1968 when Senator Robert F. Kennedy was shot in the Ambassador Hotel in Los Angeles.

According to Lieutenant Pena, it has been established that Schulberg was in the Colonial Room of the Ambassador Hotel at the time the shooting took place and not in the immediate proximity of the Kennedy entourage. Accordingly to the Harwood article, it sets forth that Schulberg and Hamill "were a little in front of him (Kennedy). His wife Ethel a few feet behind," in a crowd of campaign workers.

It has been established by the Los Angeles Police Department that Hamill is reportedly currently residing in the Versailles Hotel in Mexico, D.F., Mexico.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

BROSHEARS furnished his telephone number as [REDACTED] recalled that BROSHEARS mentioned something about residing in the Long Beach, Calif., area.

[REDACTED] BROSHEARS alleges that he is a minister or reverend and that he belongs to a religious cult that has a psychic doctrine and believes in UFO's. [REDACTED] BROSHEARS was invited as a guest because of this "far out" belief.

b7D [REDACTED] that while BROSHEARS was being interviewed a telephone call was received in which the caller asked BROSHEARS if he was not identical with the RAYMOND BROSHEARS who had been arrested for making a threat against the President of the U.S. The caller also asked if BROSHEARS was not acquainted with DAVID FERRIE who recently had been accused by New Orleans District Attorney JM GARRISON of having part in an alleged plot in connection with the assassination of President JOHN F. KENNEDY.

[REDACTED] the station had no prior knowledge of this information, and indicated that BROSHEARS was "really shook" by the information. He said BROSHEARS admitted, however, that he had known FERRIE. He also admitted that he had been arrested for making threat against the President of the U.S. He stated he had talked with FERRIE, and that FERRIE had told him all about the plot against President KENNEDY.

U. S. Army, Marksmanship Training Unit, Fort Benning,
Georgia, furnished the following information:

[REDACTED] members of his shotgun team attended the Grand Prix de Brno at Brno, Czechoslovakia, May 17 - 18, 1968. On one of the above dates, the head clerk at the Grand Hotel, Brno, Czechoslovakia, where the members of the team were staying, mentioned that he had heard on the radio news that Senator ROBERT F. KENNEDY had been shot receiving a flesh wound in the neck and that he was in satisfactory condition. The same information was obtained from the head waiter in the dining room of the Grand Hotel.

The members of the unit attempted to purchase some newspaper that they could read to verify the information and the only newspaper available that they could read was an East German newspaper and a review of the newspaper failed to reflect any story concerning the alleged shooting. [REDACTED] and the members of his unit assumed that it was just rumor and that it had no factual basis.

[REDACTED] had no further information concerning the statements and was unable to furnish the names of the head clerk at the Grand Hotel or the head waiter.

For the information of the Bureau, [redacted] Fort Benning, Georgia, advised on 7/23/68 that he and the members of his shotgun team attended the Grand Prix de Brno in Brno, Czechoslovakia, during 5/17 and 18/68. On one of those two dates, the head clerk at the Grand Hotel Brno, Czechoslovakia, related to them that Senator ROBERT KENNEDY had been shot in the neck receiving a flesh wound but was in satisfactory condition. This same information was obtained from the head waiter in the dining room who related the same facts. The members of the unit attempted to purchase a German newspaper to ascertain if this could be verified as the original source stated it was heard on the radio. They were unsuccessful in locating it in an East German newspaper that was available in that city in Czechoslovakia and assumed that it was mere rumor.

[redacted] advised that this information was not obtained from any other sources in Czechoslovakia.

She advised on 5/23/68, at around 5:00 p.m. she was at the five points intersection at Ventura. While stopping at this intersection, a rose colored vehicle nearly hit her vehicle. However, the car passed her on the left side and sped through a yellow light. When the car passed her a young male looked out the back window and she is certain that this individual was SIRHAN SIRHAN. She added that on the same date at 5:00 p.m. Senator ROBERT F. KENNEDY was scheduled to speak at a shopping center in Ventura. She recalls an older man and woman in the front seat of the car. She did not obtain the license number nor did she recall the model of the car.

Dear Sir or Madam I may concern

I probably have no right to interpret my 2¢ worth into your problems you have before you at this time ^{and} more than likely you will at first be somewhat antagonistic at what I am going to write but I only pray in some small way a little light of opening will make you see the whole and not just a part. As I say I may be wrong in the entirety of what I deduce but maybe in part something will be a key of opening. I think this needs to be done to help and prevent others

either male or female from committing a similar act.

Mr. Sirhan did a tragic thing which as I see it gave him not only under condemnation by our courts, of course, but being of Jewish blood, under their laws and having killed a Gentile under their revenge. So the young man had by feeling a ball of fire around him.

From the snatches in the news I can glean from his life, he was a quite intelligent lad at school, he was not known to be really rabid as others who met at these meetings but seemed to be of a calmer higher intellect.

Now, how broad a view

(2)

man's track in where fools
would dare to tread? And
the song goes, wise men never
fall in love so how are they
to know.

The past few years and es-
pecially the last year or so
there has been among the young
people especially ⁱⁿ some older
lately people a leaning
toward the study of what
is called meditation on the
line of Vishnu or Buddists.
The difference between those
2 is Vishnu does embody
God where Buddha was a
man looked upon as a God,
I believe. I don't believe
you will find idols or
images of Mahammed, or
Vishnu, but they were consid-
ered teachers, But Buddha

has many ponderous likenesses
I had an acquaintance
that got drawn to the sea
(which are quite a superstitious
lot and get easily left down
the wrong paths to roll them
for their earnings). I as
one raised Christian heard
so many different philosophies
I took books from the
library to see what some of
these things were about. Also,
although we were taught old
Testament when young we
were guided more by New
Testament and it has been only
lately that I have went through
the old book to read prophecies
and the chronicles of these
peoples.
So, I keep up with all
news, even though I have to

(3)

search the newstands hither
and yon to find the articles
pertaining to what I feel is
important news today hid
behind the cover of a
magazine with a bikini
sticking me in the face.
I see where the lower part
of India flies the Communist
flag, in Church periodicals
where Church land has been
appropriated for the communists
by aggressive means. The
psychology in espionage is to
try to fast break down the
loyalty of a country. If you
read well into Russian history
nothing is really different there
except the teaching of God to
those under 18. Under the
Czars they had Communes, which
were probably more like the

sanatoriums for T.B. people
of the ungrateful or retarded. The
secret police were there
then. Closing the church
door and that teaching God
to youth was the only difference.
Also, I suppose, was the idea
gradual conditioning to not
Communism, but Nationalism
which term is used on the
other side of the pond
before the Revolution to explain
this so-called later Communist
movement. I believe if you
go back into the Bible to
the reign of David in those
40 years you find the same
fear of such a thing
happening to them. If you
don't know what seeds are
such as Rad, you better go
out of your chambers and

(4)

visit some of your extreme religions down there. Every time, as I see it, they had ^{enough} enemies that wished to cut off their seed, they were given stones to touch or worship to (like in X-Ray work blazers) to sterilize them. I look upon the Tablets out of Egypt a trick except God intervened. When David put another Kings crown on his head with jewels in it I'm afraid the deer came right with those stones. So David became overcome. When the Nazis wanted the jewels of the Jews I'm afraid they wanted something more than they knew nothing about ^{and} which the Jews had had and they really knew nothing

about. Those stones and even the
gold of the ark must have been
terribly radioactive. If you
read David went into the
temple and a snake went up
afterwards he has younger
men as Levites and the snakes
them bakers of bread - on what
or over what? But the 10
commandants were on the stones
radiated into the bread, they
ate the bread and as they
say the quickest way to a
man's heart is through his
stomach. Later Christ said
to his apostles - He who eats
of this bread and drinks of
this wine has the Holy Ghost
in him. Well anyway, I'm
getting way deep into some-
thing which I'm sure you
can read and see yourself.

(5)

Bishran Sikhan was studying Vishnu as he would. I have called for the book "The Master" right away. As I say Communists are trying to break down India's Religion by capious means. Now I have read on this. There is some Institute by the sea in California with a what we call Swami, who teaches this or who counsels maybe the Hindu peoples there whether he really teaches or passes this on to others is in my estimation dubious, he is only a sort of minister or priest to those that are there. Well Vishnu is not transmitted between unclean peoples like some secret clubs today the "Master" does not even start

giving revelation until he
knows the pupil "is prepared
morally, physically & d
spiritually. He can shut off
this anytime he feels his
pupil is out of line with
God and man. They do not
talk or speak as I read it
only by vision. This boy
received definite instruction
and by voice or word
evidently. As I say premeditated
murder would have stopped
all revelation before he went
ahead. Now they have in the
back of these far out publications
many advertisements for lucky
charms, magnetism, hypnotists
Judo etc. and one is a device
to throw the voice.

What I want you to do just
for a test is have the Jewish

(6)

Robbi and the teacher of
Vishnu talk to this day.
Dead flies in the sink
of the apothecary doth send
forth a stinking vapour so
doth a little folly who is in
reputation for wisdom and
honour. So this young man
would never admit with
all his intelligence that he
was rather stupid. Remember
all foreign students study
our subjects math psychology
etc. and a good, real good thing
being foreign born and probably
unaccustomed to the "easy"
life he didn't know when he
was "duped".

He did this out of love
for a girl in a polka-dot
dress and eventually she had
the gun first in her purse or

in her, then as I say wise men
have to watch when they fall
in love. If he did this with
full knowledge of everything
involved then I can only
pray for his soul but if he
was "duped" then may God
curse those who precipitated
such a thing.

There is a certain man who
lives in your midst a friend
or, who I am presuming is
an ex-minister of England
who made a trip just before
this happened. Robert Kennedy
had hosted George Bernard
Shaw and Shaw was an
organizer of the Fabian
Society in England and around
the world. This as I see it
was a form of socialism.
All these governments except

(7)

France are Socialistic in name, even Nazi Fascist and Communist. Also, Britain always had Socialism as does every country have a group and Sweden was for 30 years a Socialist country. I wonder if Robert did not "slip" when he mentioned Shaw. Maybe not, it might have been just something he quoted for which he thought fit. The bill however, his brother Joe who he really didn't know to well as a boy had as Mrs. Kennedy said come back from Gordon with definite Socialistic ideas in his head. Shaw headed up the Gordon School of Economics.

Well, anyway, if he did it openly, then I suppose he was Cusack; if he was duped, then

must be a few other people
taken to task. I'm afraid
they have a different form
of insanity, which surpasses
Hirshon's intelligence.

I only pray this case will
expose those "tricks" of the
mind, etc. to all the younger
people so they know what
they must fake themselves.
They can always search out and
find willing dupes who have
some kind of complex. I believe
in the gangster language you
call them pawns.

I believe there is some
bookie or horse racing bet
involved in all this. Did
they ever find out who the
chap they stopped at the
door of St Pat's, whose name
was registered in Syracuse N.Y.

was after. Who all stood by
that affair between 8 and
12 o'clock and especially
was there inside the church
when this man was going
to go in. I especially noticed
the absence of 2 of Robert's
very close friends who I
didn't observe anywhere.
That would indicate to me
the track was still trying to
collect.

As I say I know you won't
be happy with what I suspect.
Please don't answer this as
they and me just don't see eye
to eye on Ed and little fishes.

Respectfully,

b7C

and Eugene McCarthy

On June 10, 1968, Joseph Willard "Pappy" Luke, owner of Pappy's Stew House, General Delivery, Highway 90, Raywood, Texas, advised he had been attempting to recall more about the man who came into his restaurant on May 23, 1968 and made various claims about the man's intention to kill a senator in California. Mr. Luke recalled the man stated he worked coast-to-coast but he did not mention any person or company names with which he was affiliated. Mr. Luke advised the man may have said he was a food broker rather than being employed by the Broker Food Company.

Luke advised the man was either Syrian, Italian or French. Luke advised he had a nose like a Syrian. The man wore a felt snap-brim business hat, color unknown, low over his right eye. The man was wearing a dark gray business suit, cut of the suit unrecalled. Tie description unknown. The man was not wearing a coat handkerchief or lapel pin to Mr. Luke's recollection. The man was quite nervous, his voice trembled and his hands shook slightly. The man spoke very good English with no accent noted. The man's sentence structure reflected he was well educated. The man had a large brown leather wallet which opened like a book (coat wallet). The wallet was peculiar in that it had a zipper all the way around the circumference of it. It had a ring in one corner and a silver chain which connected the wallet to the man's belt. The man wore the wallet in his right rear pocket and the chain hung straight down and was tied at his right side. The man had a large roll of dollar bills. The man did not smoke while he was in the restaurant and played no smoking paraphernalia.

Threat Against 1968 Presidential Candidate
Information Concerning United States Senators
Robert Kennedy and Eugene McCarthy

The man purchased an 85 cent bowl of stew and paid
Luke \$1.50.

Luke advised there was no one in the restaurant
just prior to, during, or after the man's presence in the
restaurant. Mr. Luke did not recall anyone going by the cafe
that might have looked in and seen the man and no one has
ever mentioned to Luke having seen the man. Luke felt certain
he would recognize the man if he were to see him again.

A review of the notebook belonging to SIRHAN B. SIRHAN, which was located at his home following his apprehension, reflected the name of FRANK and DONA DONNARUMMA.

Dear Sir:

Yesterday, the 22nd, I received an envelope postmarked from Philadelphia on the 18th. The envelope had been opened and its original letter removed. In its place was a peculiar note concerning an accomplice in the death of Robert Kennedy. Enclosed is a Xerox copy of both the envelope and the note.

About five days ago another one of my letters had been opened. It contained pictures so it was scotchtaped and received intact.

I have no desire to prosecute the one who tampered with these letters. He evidently was trying to get this information through to someone for attention. He may be demented and then, again, he may not.

As I am attending Summer classes, I will be here only until August 9. If I can give you any further information, I'll be glad to do so.

Sincerely,

In addition, appropriate steps should be taken to show beyond any doubt that ANDRESE is the individual with whom STEVE STUART shot pool.

LEAD:

It should be noted that ANDRESE has been interviewed on Page 627. It should also be noted that STEVE STUART has never shot pool but is merely identified as an individual who might have seen SIRHAN in the Golden Garter. In order to handle this lead, interview the above-listed four individuals, secure a photograph of ANDRESE and display it to the witnesses. LOCK, STOCK 'N BARREL GUN SHOP

Investigation at the Lock, Stock 'N Barrel Gun Shop reflects information from LARRY ARNOT, salesman, that SIRHAN, accompanied by two other individuals, purchased ammunition on 6/1/68. This data was verified by sales slip found in SIRHAN's car. Mrs. DONNA HERRICK, wife of the owner of the shop, alleged that SIRHAN and two individuals had been in the shop on 4/3/68 looking for armor-piercing ammunition.

LEAD:

Inasmuch as ARNOT has identified a photograph of SHARIF as resembling the individual who was in the gun shop, and Mrs. HERRICK also felt there was a certain resemblance to MUNIR, the opportunity of having ARNOT and Mrs. HERRICK view the brothers should be arranged. Arrangements were previously made by the police to have a show-up, and inquiry was being conducted with RUSSELL E. PARSONS, attorney, to handle this matter. SA [REDACTED] should ascertain the current position regarding the show-up, bearing in mind that MUNIR has already taken a Polygraph, which reflected that he has never been in the Gun Shop. Officer ENRIQUE HERNANDEZ has been in contact with LARRY ARNOT regarding whether or not ARNOT could have been mistaken as to two other persons being with SIRHAN on 6/1/68.

LEAD:

(1) At the Los Angeles Police Department determine when show-up could be made.

(2) Determine what information HERNANDEZ has been able to ascertain from ARNOT and whether or not [REDACTED]

Buairtel 8/5/68 reflected the following comments:

AMBASSADOR HOTEL

7. Interview of hotel employees in most instances does not set out length of employment. With conspiracy in mind, the possibility of aid to SIRHAN by an employee cannot be overlooked, hence those employees recently hired may warrant further inquiry into their activities.

12. Page 56 of report dated 6/15/68. IRENE WISHNUCK stated an unknown person tried to obtain a hotel uniform. Resolve.

13. Page 69 of report dated 7/1/68. According to FRANCES BAILEY, two caucasian males attempted to get waiters jackets to get in to see KENNEDY. Resolve.

LEAD

In connection with the interview of WILLIAM F. GARDNER, previously assigned you as lead No. 6, GARDNER or a responsible employee at the Ambassador Hotel should be interviewed to make a determination as to the number of employees usually hired on a night-to-night basis for special events such as the night of 6/4/68, when numerous political headquarters were set up in the hotel. This information should be reported on an FD-302.

GARDNER should also be interviewed in connection with attempts made by persons seeking to gain entry into the various rooms, such as the Embassy Room, and who, lacking credentials, utilized various guises and pretenses in an attempt to gain entrance. This data should be recorded on an FD-302.

[redacted] Assistant Postmaster, 2271 North Lake Avenue, advised that a search of his Post Office Box records of the Altadena Post Office, with the aid of [redacted] Secretary to the Postmaster, failed to reveal any rental information to indicate that Box 35 had been rented to anyone who was a representative of a publication called "The Opinion".

He said usually the index card showing the history of a box rental is destroyed when the card shows no activity for four years. He said the card showing the last rental of Box 35 indicated it had been rented to the last renter from February 1963 until 1968, and there was no card showing any rental prior to 1963. He said there was no reference to "The Opinion" in his files and no rental information for Box 35 in 1962.

On June 10, 1968, cartridge casings were obtained from the Sun Valley Gun Club, 401 Fish Canyon Road, Duarte, California, as previously indicated and reported in this matter. These casings were obtained by Special Agents [REDACTED]

[REDACTED] These casings were retrieved around and in front of firing positions Numbers 1, 2, 3, 12, 13, 14, 15, 20, 21, 22 and 23, as a result of interviews conducted with various individuals who were at the San Gabriel Valley Gun Club range on June 4, 1968.

These casings were packaged and sent to the FBI laboratory for examination. The FBI laboratory reported to the Los Angeles office on July 5, 1968, that in view of previous firearms examination conducted by the Los Angeles Police Department (LAPD) and the apparent limited value of the resulting information to this case, the cartridge cases would not be examined by the FBI laboratory and were returned via air express to the Los Angeles office.

On July 16, 1968, all casings submitted to the laboratory were turned over by SA [REDACTED] to Sergeant MIKE MC GANN, LAPD, for such examination as they deemed necessary.

Subsequent investigation in this matter following the decision by the FBI laboratory not to examine the previously submitted cartridge casings resulted in the procuring of additional cartridge casings from the San Gabriel Valley Gun Club around firing positions 6, 7, and 8. In view of the FBI laboratory's decision regarding previously submitted casings, these additional casings were not submitted to the laboratory but were maintained in a secure place in the Los Angeles office of the FBI. At the time that the casings which were submitted to the FBI laboratory were turned over to Sergeant MIKE MC GANN, LAPD, the cartridge casings retrieved at a later date likewise were turned over to Sergeant Mc GANN.

On 8/8/68, a conference was held at the LAPD regarding captioned matter. Present at the conference and participating therein were the following individuals:

Deputy Chief ROBERT HOUGHTON, LAPD

Lieutenant MANUEL PENA, LAPD

[REDACTED] LAPD

DAVID FITS,

Deputy, Los Angeles County District Attorney

JOHN MINER,

Deputy, Los Angeles County District Attorney

GEORGE STONER,

Chief, Bureau of Investigations,

Lieutenant ENRIQUE HERNANDEZ,
LAPD

SA [REDACTED]

FBI, Los Angeles

In addition to the foregoing, there were also present two or three other Detective Sergeants assigned to the S. U. S. Unit of the LAPD.

The purpose of the conference was to discuss the progress made to date in the investigation of the assassination of former Senator ROBERT F. KENNEDY. In the opinion of Lieutenant PENA, who is in charge of the Case Preparation Team, the work of that unit would probably be completed within the next six weeks.

Mr. FITS commented that he has been instructed by District Attorney EVELLE J. YOUNGER to prepare separate files on all witnesses interviewed by all law enforcement agencies during the course of this investigation. He stated that Mr. YOUNGER desired this information, because it is his expressed intention to have the final say-so on who will be subpoenaed in connection with the trial.

It is the intention of FITS in prosecuting the case to concentrate on what took place in the pantry area of the Ambassador Hotel, the scene of the shootings. In addition, it is his further intention to concentrate on the range of this investigation, a reference to SIRHAN's activities at the Sun Valley Gun Club, 401 Fish Canyon Road, Duarte, California. FITS speculated that he plans only to use the testimony of handwriting experts and SIRHAN's obtaining of ammunition.

With respect to SIRHAN's possession of the murder weapon, it is the intention of FITS to call as prosecution witnesses MUNIR SIRHAN, GEORGE ERHARD and WILLIAM EDWARD PRICE. There was some discussion during the conference of the fact that MUNIR could be prosecuted for being an alien in the United States with a gun. Chief HOUGHTON advised FITS that it was the intension of his department to present to the District Attorney for a prosecutive opinion the fact that MUNIR had a gun in his possession.

57C With respect to the "medical aspect" of this investigation, it is the intention of Deputy District Attorney JOHN MINER to journey to the States of Michigan and Wisconsin accompanied by Lieutenant ENRIQUE HERNANDEZ of the LAPD (a polygraph operator) and [REDACTED] (a prosecution psychiatrist). The trip will be made for the purpose of interviewing TERRY WELCH, currently residing in Michigan, and HENRY PETERS, currently residing in the Jamesville, Wisconsin area. It is anticipated this trip will be undertaken on or about 8/20/68, when Mr. MINER has other commitments in the Cleveland, Ohio area.

LA 56-156

There was some discussion pertaining to television film obtained from ABC, CBS and NBC during the course of this investigation. As a result of the conference, it was determined that if a copy of the CBS film obtained by the LAPD would be reproduced, that the copy could be edited, if necessary. This course of action was decided upon because CBS, in previously making available their television film requested that it not be cut or edited.

A request was also made by Chief HOUGHTON for the FBI, if possible, to identify a representative of the British Broadcasting Company (BBC) who was reportedly present at the Ambassador Hotel the night of the shooting of Senator KENNEDY. This information apparently was furnished by RICHARD DREW of Pasadena who advised the LAPD that the BBC representative was present. Detective Sergeant COLLINS who was also present at the conference, advised he would obtain the name of the BBC representative.

Some discussion was also had pertaining to the allegation that SIRHAN had purchased a drink at the RAFFERTY campaign headquarters sometime during the evening of 6/4/68 for which he allegedly paid a \$20.00 tip to a female serving drinks. Investigation has failed to establish the identity of any such individual. This discussion was resolved when it was mentioned that the RAFFERTY Campaign Headquarters did not have female employees serving drinks on that particular evening.

Mr. FITS explained that under the Law of Discovery in California, the defense attorney would have access to information furnished by the witnesses which the prosecution intends to utilize. In connection therewith, FITS explained that Deputy District Attorney YOUNGER has consulted with United States Attorney W. MATTHEW BYRNE, Jr. relative to furnishing copies of all FBI reports to the defense attorneys. No firm decision has been made with respect to that phase of the prosecution's intentions.

Dear Attorney General:

Mr. Thomas Lynch and other personnel who work in the Supreme Court of Justice of Los Angeles, I take this moment to extend my greetings to all of you and kindly request you to assist me in something very important which must be said.

Mr. Lynch I want to kill Sirhan Bishara Sirhan. I want to fight hand to hand with this Jordanian devil.

Mr. Lynch I wish that you would afford me the opportunity to give what he deserves to this cowardly assassin. I would like to confront him on the battlefield, fist to fist with this dirty assassin in order to hit him strongly with my fist and after killing him to take him apart piece by piece with my teeth and if it is possible to eat him also, because this dirty Jordanian does not deserve a different death since Sirhan Bishara Sirhan took the life of an idealistic man and humanitarian as Robert F. Kennedy. Robert F. Kennedy was the hope of a tranquil and happy world and the hope of all the poor people. Because Robert wanted peace. May peace rest with the soul of Robert.

My hope was Robert, but he doesn't exist any more. And neither do I have any hope and therefore I do not want to live. Robert undertook to help me; I will send an application to the Department of State of the United States. A deep love united me with Robert and I looked toward him as my own father because upon him depended my future, but Robert is dead. They have also

eye for an eye with this Jordanian Devil. I want to destroy him with my fists and my teeth. I want to finish him. I want to destroy him piece by piece. Mr. Lynch would you kindly help me, but if you don't it will kill me and if you do not have the authority to authorize a bloody battle with this Jordanian dog and me, you ask the authorities of the government of the United States to see if they can authorize such a thing. I hope that you will do me the favor of helping me because this Jordanian has to die a death piece by piece.

Robert was very noble person and I have to avenge his death against this rotten Jordanian. Dear sir I hope you will extend me the favor of fighting in this way. Do everything you can. I will await your prompt reply without more.

Yours truly,

b7C

/s/ [REDACTED]

I am 21 years old, 5 feet 6 inches tall, 122 pounds.

Please I hope that the judgment imposed against this assassin will be to fight with me body to body on the battlefield.

I want to kill him myself. I want to destroy him with my own hands. Robert was my only hope. I want to avenge his death.

Notations on photograph attached: fatal, S.O.B.

May the wrath of the devil come upon you. Jordanian Devil, the Dog without conscience; the devil controls your soul.

RE: ETHEL KENNEDY

On 8/8/68, Detective Chief ROBERT HOUGHTEN, Los Angeles Police Department (LAPD), advised that his office has been in telephonic contact with STEVEN SMITH, brother-in-law of the late Senator ROBERT F. KENNEDY. The contact was relative to the LAPD's desire for an interview of Mrs. ETHEL KENNEDY regarding the shooting of her late husband at the Ambassador Hotel in Los Angeles on 6/5/68. SMITH, according to HOUGHTEN, advised that Mrs. KENNEDY would not submit to an interview by Agents of the FBI or by the LAPD and it was SMITH's opinion that she could contribute very little if anything of significance concerning the shooting. He agreed, however, to contact her in behalf of the LAPD providing that agency would submit a list of questions they desired her to answer. Upon receipt of such a letter SMITH advised he would discuss with ETHEL KENNEDY the questions and there after furnish the results to the LAPD.

The foregoing is furnished for information and Los Angeles is taking no action at this time regarding this phase of the investigation with respect to an interview with ETHEL KENNEDY.

Re Bureau airtel 8/1/68, and Houston telcall to Los Angeles, 8/7/68.

Enclosed for Los Angeles are 30 copies each of two FD-302s reflecting interview with JOSEPH WILLARD "PAPPY" LUKE.

A photograph of SIRHAN BISHARA SIRHAN was displayed to JOSEPH WILLARD "PAPPY" LUKE, Raywood, Texas, on 8/5/68, at which time LUKE positively identified the photograph as the individual who had been in his restaurant on 5/23/68, and made various claims about the man's intention to kill a Senator in California.

By referenced telcall the Los Angeles Office advised that that office had no information that SIRHAN BISHARA SIRHAN had been out of the State of California for a substantial period of time prior to the assassination.

In view of this fact, no further action being taken by the Houston Office concerning LUKE's allegation.

Re: Photographs of
KENNEDY Victory Speech -
Ambassador Hotel

ALL
b7c

The subject of this memorandum pertains to two photographs obtained during the course of this investigation on which there appears on the rear of each photograph, "Photo By BOB SHULTZ." One of these photographs depicts ROBERT F. KENNEDY and members of his entourage in what appears to be the Embassy Ballroom of the Ambassador Hotel apparently following his victory speech. The other photograph is an enlargement of the left portion of the above described photograph wherein there appears an individual who could be considered possibly resembling SIRHAN BISHARA SIRHAN.

On 8/7/68, Detective Sergeant SANDLIN, LAPD, S. U. S., advised SA [REDACTED] that these photographs were exhibited to MUNIR SIRHAN and MARY SIRHAN, brother and mother respectively of SIRHAN BISHARA SIRHAN. Both advised these photographs are not pictures of their brother and/or son. In addition, SANDLIN advised that detective personnel of the LAPD, who have had some personal contact with SIRHAN BISHARA SIRHAN, concur that the photograph is not that of SIRHAN.

Re Sacramento airtel to Los Angeles dated 7/27/68.

Enclosed for Los Angeles are 12 negative film strips described below.

On 7/30/68 RICHARD H. SNYDER, Administrative Assistant to California Assemblyman KENT STACY (R-Bakersfield), 1415 18th St., Bakersfield, Calif. made available 12 negative film strips representing photographs he took during 12/16/65 at Delano, Calif., in connection with the unionizing of farm workers in that area. The negative of photograph appearing in "The Grapes", page four, which was also taken on 12/16/65, is not in his possession since this negative was given to "American Opinion" magazine and never returned. He made negatives available since no prints are in his possession.

Los Angeles is being furnished enclosed negatives in event it is desired to make prints and study them to determine if anyone resembling SIRHAN or photograph on page four of "The Grapes" appears on any photographs taken 12/16/65. (Sacramento does not as yet have photo lab in office).

Los Angeles should return the 12 negatives to Sacramento when examination completed since it will be necessary to return them to SNYDER.

WHICH MAY INCLUDE SIRHAN SIRHAN

Re WFO airtel dated 7/31/68.

For the information of the New York Office, Hugh J. McDonald, Assistant Press Secretary, Office of the late Senator Robert F. Kennedy furnished to SA [redacted] on 7/31/68 a photograph taken by Steve Schapiro at the Los Angeles International Airport in May, 1968. This photograph shows Kennedy shaking hands with an unidentified individual while another person who resembles Sirhan Sirhan is standing beside Kennedy with his hand outstretched to shake hands with Kennedy. William Barry of the Kennedy staff is on the other side of Kennedy in the photograph. McDonald said Steve Schapiro does a lot of photographic work for the "New York Daily News" and is identified as Black Star. Schapiro's office is in New York.

Copies of an enlargement of the aforementioned photograph are attached.

In view of the apparent likeness of Sirhan Bishara Sirhan to the individual immediately to Senator Kennedy's right, Washington Field should immediately obtain whatever additional information is available from Assistant Press Secretary McDonald relative to other photographs in his possession that may have a

New York should immediately locate Steve Schapiro, who allegedly took photographic work for the "New York Daily News" to determine if other photographs were taken to determine if this was one of a series of photographs taken at the Los Angeles International Airport. The date this photograph was taken should also be ascertained.

Los Angeles should immediately determine insofar as possible if the individual in this photograph is Sirhan Bishara Sirhan. If so, all logical investigation should be initiated in order to develop this aspect of our investigation. Attempts should be made to identify those individuals in the area and interviews should be conducted with individuals who were known to be at Los Angeles International Airport on the date this photograph was taken.

In conjunction with the Bureau's review of investigative reports dated 6/9/68, 6/15/68, and 7/1/68, investigation should be conducted with respect to the following leads if it has not already been handled:

LOCK, STOCK AND BARREL GUN SHOP

1. Page 582 - 585 of report dated 7/1/68 reflects that Mrs. Dona Herrick of the Lock, Stock and Barrel Gun Shop, San Gabriel, California, states that an individual she identified as subject Sirhan, came to the store on or about April 3, 1968, accompanied by two other individuals and asked for tank-piercing ammunition. Mrs. Herrick said Sirhan was wearing white duck trousers.

Ascertain from Sirhan's relatives if Sirhan owned a pair of white duck trousers.

2. Page 583 of report dated 7/1/68 reflects Mrs. Herrick was shown a photograph of Adel Sirhan and Munir Sirhan and she stated both of these men bear a strong resemblance to the men who accompanied Sirhan Sirhan on or about April 3, 1968.

Larry Kenneth Arnot, salesman for the Gun Shop, advised that an individual who he identified as Sirhan Sirhan purchased ammunition at the Gun Shop on 6/1/68, and Sirhan was accompanied by two others.

LETTER TO SAC, LOS ANGELES
RE: KENSALT

A photograph of Sharif Sirhan strongly resembled one of the individuals who accompanied the subject on that date (Page 591 - 593). Sharif and the other brothers denied being at the Gun Shop.

Additional investigation should be conducted in order to determine if either Mrs. Herrick or Arnot can make a positive identification of Sirhan's brothers as having been with him at the Gun Shop. Consideration should be given to allowing both witnesses to view Sirhan's brothers in person.

GOLDEN GARTER BAR

3. Page 608 - 652 of report dated 7/1/68 deals with investigation concerning an allegation that Sirhan Bishara Sirhan was overheard to make a statement to the effect that "We will get Kennedy" at the Golden Garter Bar. Investigation would indicate that an individual named Robert Andrease may have been mistaken for Sirhan. Extensive investigation should be conducted in order to positively resolve this aspect.

Specifically, the following individuals should be located and interviewed:

[REDACTED]
Kathy Venna (Page 609)

In addition, appropriate steps should be taken to show beyond any doubt that Andrease is the individual with whom [REDACTED] shot pool.

AREA OF SHOOTING

4. Page 352 - 355 report dated 7/1/68. Determine the identity of the unknown caucasian male who had a conversation with Hans Peter Bidstrup (electrician in the Maintenance Department of the Ambassador Hotel) in sound booth at the Rafferty Party in the Venetian Room at the Ambassador Hotel about one hour before Bidstrup went off duty (11 p.m.) on 6/4/68. Resolve whether this unknown male caucasian was or was not Sirhan Bishara Sirhan.

LETTER TO SAC, LOS ANGELES
RE: KENSALT

5. If not already done, determine the identity of the Los Angeles fireman that visited with Hans Peter Bidstrup (electrician in the Ambassador Hotel) in the sound booth at the Rafferty Party in the Venetian Room at the Ambassador Hotel approximately 10 p.m., 6/4/68. Ascertain from this fireman whether he could furnish any information regarding the identity of the male caucasian who was having a conversation with Mr. Bidstrup. Determine if the Los Angeles fireman could resolve whether this male caucasian was or was not Sirhan.

6. Page 356. Determine from William F. Gardner (Security Officer of the Ambassador Hotel) the source of an orange color pamphlet with black lettering which bore the caption, "Kill Kennedy." Gardner was alleged to have displayed this pamphlet to Elmer M. Boomhower (an employee of Ace Guard Service, Granda Hills, California) on the night of 6/4/68.

AMBASSADOR HOTEL

7. Interview of hotel employees in most instances does not set out length of employment. With conspiracy in mind, the possibility of aid to Sirhan by an employee cannot be overlooked, hence those employees recently hired may warrant further inquiry into their activities.

8. Is there any information on Sirhan's method of transportation to the hotel? If not, all efforts to run out through parking lot, cabs, et cetera, should be insured bearing in mind a quick getaway may have been arranged.

9. Page 236 of report dated 7/1/68. [redacted] associated Sirhan's picture with an individual observed in an old car parked near his apartment and visiting a Jordanian couple. Resolve.

10. Page 43 of report dated 6/15/68. William Thomas Hoog saw two persons approximately 12:15 a.m., 6/5/68 run across the hotel grounds toward the parking lot. Attempt to identify.

LETTER TO SAC, LOS ANGELES
RE: KENSALT

11. Page 278 of report dated 7/1/68. John Stanford Shamel was told by an unidentified man he had chased a man with a gun through the hotel lobby. Attempt to resolve.

Be alert for any possible connection between leads 10 and 11.

12. Page 56 of report dated 6/15/68. Irene Wishnuck stated an unknown person tried to obtain a hotel uniform. Resolve.

13. Page 69 of report dated 7/1/68. According to Frances Bailey, two caucasian males attempted to get waiters jackets to get in to see Kennedy. Resolve.

14. Page 77 of report dated 7/1/68. Fallak Ben-Jabr, parking lot attendant, saw four white males - driver appeared arabic - seeking parking space. Approximately twenty minutes later driver and a blonde girl were seen going into the hotel. Conduct additional investigation.

If any of the above leads have already been handled please advise. If not, handle immediately.

Gentlemen:

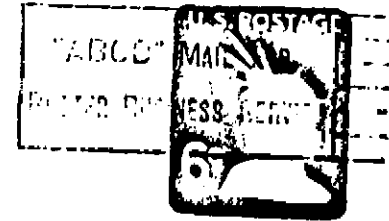

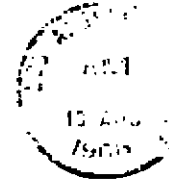

In connection with the picture of a girl wearing a full length white and black polka dot dress in the newspapers recently, and a statement that your Office was very much interested in her, you are advised that on the morning in which Robert Francis Kennedy was shot by Sirhan Bishara Sirhan, a girl answering that general appearance and attire from the back view afforded by the picture used keys to enter an automobile rental office at 7th and Figueroa Street opposite the Statler Hilton Hotel at about 9:00 a.m. and conducted herself as if she belonged and was employed there. I was crossing 7th Street from the Barker Bros. side at the time, and my first observation of her was the back view the same as in the newspapers and I could not help recalling the incident vividly to mind. The girl then had the appearance of being hysterical and tired as if she had been out all night, and upon entering, wandered about the office as if in a daze, and finally sat down behind the counter and put her hands to her face as if taking a nap. About then a bus came by going west on 7th Street which I boarded, and that is my last recollection of the matter. This could well be a blind lead, but it might be worth looking into, as all other possibilities seem to have been exhausted.

**ASSASSINATION OF SENATOR
ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA**

This is in further reference to our letter of August 9, 1968, relative to the efforts of the Los Angeles Police Department in connection with the proposed interview of Mrs. Ethel Kennedy.

According to information furnished by our Los Angeles Office, Detective Chief Robert Houghten of the Los Angeles Police Department advised his office had been in telephonic contact with Stephen Smith, brother-in-law of the late Senator Robert F. Kennedy, concerning the possibility of arranging an interview with Mrs. Kennedy.

Smith, according to Chief Houghten, advised Mrs. Kennedy would not submit to an interview by either Special Agents of the FBI or officers of the Los Angeles Police Department. It was Smith's opinion that Mrs. Kennedy could contribute very little, if anything, of significance concerning the shooting. He agreed, however, according to Chief Houghten, to contact Mrs. Kennedy in behalf of the Los Angeles Police Department providing that agency would submit a list of questions they desired her to answer. Upon the submission of such a list, Smith stated he would discuss the situation with Mrs. Kennedy and thereafter furnish the results to the Los Angeles Police Department.

The above is being furnished for your information, and as previously indicated, no action is being taken by this Bureau in view of your prior advice.

NOTE TO SAC, LOS ANGELES:

Under no circumstances should the FBI be a party to an interview with Ethel Kennedy. Advise Bureau immediately upon any further request along these lines by Los Angeles Police Department.

LEGISLATIVE REFERENCE SERVICE
[Senator Edward M. Kennedy]

Paris (France)
June 11, 1968

Dear Brother Kennedy:

Oh, dear God, is it possible that such tragic fate must keep befalling the most noble family of the 20th century, the Kennedys. Please follow the following instructions most faithfully, because a big gang has condemned you, too, to death.

1. Make no statements, not even among your friends or your family, because walls have ears too. Keep quiet.
2. Leave America without delay.
3. Do not get in touch with anyone, not even your own wife, until after the elections.
4. Three months after the elections, you may return to your wonderful and unhappy children.
5. You must take as your companion a hapless Serbian.
6. Do not engage in 1969 in any State affairs.
7. You, unhappy brother Ted, have been condemned to death by the same gang that killed your two brothers. They will kill you on the election day this year. I entreat you as God himself to leave America right away, as soon as you receive this letter.

8. You will find out who I am only after the elections, through your sister in Paris.
9. In 1972, you will become the deserving master of heaven and earth, you will become President of the United States.
10. In 1973, you will avenge your brothers and do away with this gang.
11. For four years, the idiot Johnson has refused to let me settle in Chicago. My entire file is at the Embassy. I should like to ask of you that your sister make it possible for me to settle in Chicago, as I am a political emigre. I am an unfinished student, have not completed my studies. I was an agent of Belgrade, Washington, Moscow, Tel Aviv, and Peking. I was born the same year as you, or, perhaps, a year earlier. I was expelled from France, appealed and my appeal was granted. I look very much like you. I am a teacher by profession, and have completed the work in the Faculty of Philosophy at the University of Belgrade.
12. Let them get me to America in some way. Your sister can do it. I was sick and because of my illness, I was turned down in 1966. My health has now improved, so let them call me for another physical. Your sister can do this for me.

13. To be frank, I am totally impoverished and without money. Now I clean streets. I should like to ask you, therefore, dear brother Ted, for \$1,000 help.

14. I will get in touch by mail with your sister, the wife of the Ambassador in Paris - I'll use the same green pen and tell her who I am.

The youth of the entire world is grateful to John and Bob Kennedy. May they live in eternal glory, and may the black soil in which they rest forever be light to them.

Long live Ted Kennedy, the avenger of his brothers.

In 1972, we shall triumph together. Keep this letter and follow it exactly. [On reverse of envelope] I am poor and have no money to buy a stamp. Forgive me, brother Ted. [On picture] My deepest sympathy to the Kennedys. 1968. An anonymous Serbian.

RE: [REDACTED] COMPLAINANT

Re Bureau airtel 8/8/68.

On 8/20/68, the film of Senator ROBERT F. KENNEDY'S California campaign which was used on the WALTER CRONKITE Show 6/3/68, was reviewed at CBS, NYC, by SA [REDACTED]

There was no portion of this film in which Senator KENNEDY was standing on a truck or in which an incident similar to that described by [REDACTED] occurred.

However, a "syndicated piece", that is a film clip, distributed 6/3/68 to CBS affiliates but not shown on the national network and definitely not on the CRONKITE Show, does show Senator KENNEDY on a truck in a Chinatown District, probably San Francisco on or about 6/2/68. In this clip, Senator KENNEDY is shaking the hands of persons standing along the street and pressing up to the truck, and several explosions such as fire crackers can be heard on the soundtrack. However, no one visible is pointing any object at Senator KENNEDY.

RE: [REDACTED]
INFORMATION CONCERNING

b7D

On August 15, 1968, [REDACTED]
[REDACTED] Washington, advised that
on August 13, 1968, they were en route from Milton Freewater,
Oregon, to Spokane, Washington. Upon leaving Walla Walla,
Washington, they observed a young man hitchhiking near
the outskirts of town. As it was approximately 11:30 PM,
they decided to give the man a ride as they felt sorry
for him being out so late hitchhiking. The man gave his
name as [REDACTED] and advised that he was going to
Coeur d'Alene, Idaho, to work in a lime plant.

[REDACTED] got into the back seat of the 1967
Chevrolet two-door hardtop, being driven by [REDACTED]
[REDACTED] sat behind [REDACTED] who was sitting in the
passenger side of the front seat.

[REDACTED] advised that
approximately three miles from Colfax, Washington, [REDACTED]
said something to the effect that he had a gun pointed at
[REDACTED] head and that he was naked and for neither
girl to look back or he would shoot. He told [REDACTED]
to keep driving the vehicle but he did not give any directions.
[REDACTED] advised that as they entered Colfax, Washington,
she turned toward Pullman, Washington, instead of turning
toward Spokane. She stated that she knew the traffic would
be heavier between Colfax and Pullman and there were more
farm houses in the eve [REDACTED] left the girls in the
country as he was indicating he planned to do [REDACTED]
assured the girls that he did not intend to molest them
but did intend to take their money and their vehicle.
[REDACTED] stated that as they proceeded
toward Pullman, Washington, [REDACTED] told them that he had
killed two policemen and had wounded other men. He then

RE: [REDACTED]

asked them if they had heard of the KENNEDY assassination and the killing of MARTIN LUTHER KING. The women said that they had and [REDACTED] told them that he had been in on these killings so he wasn't afraid to use a gun. Both women stated that he did not indicate which KENNEDY he meant but they assumed that he meant the killing of Senator ROBERT KENNEDY due to the fact [REDACTED] had told them that he was only 19 years of age.

[REDACTED] advised that they thought that [REDACTED] was not telling the truth when he informed them that he had killed two policemen and had participated in the assassination of KENNEDY and KING. They stated that they got the feeling that he was attempting to frighten them and at the same time to build up his own ego. [REDACTED] informed them that he did not kill women but instead planned to leave them in the country, and take their money and the 1967 Chevrolet.

[REDACTED] turn off the highway on a road leading to Albion, Washington, and proceed down that road until out of sight of the highway. He then ordered both women out of the vehicle and ordered them to completely undress. [REDACTED] stated that as she was undressing she noticed that [REDACTED] had a gun in his hand and did not have a shirt on, although he had a pair of dark trousers on. After having both women undress, [REDACTED] ordered them to walk down the road to Albion. The women proceeded down the road until out of sight of the car headlights at which time they hid in a side ditch beside the road. A short time later [REDACTED] drove past them in the vehicle proceeding toward Albion, Washington. The women then proceeded to a nearby farm house where they obtained clothing and notified the Whitman County Sheriff's Office.

**ASSASSINATION OF
SENATOR ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA**

This is in reference to our letter of June 14, 1968, requesting advice as to whether the FBI should interview Mrs. Ethel Kennedy in connection with captioned matter. The Criminal Division on July 18, 1968, advised that authorities of the Los Angeles Police Department had indicated an intent to arrange such an interview and, accordingly, a decision as to FBI action in this regard would be held in abeyance.

We have been advised by our Los Angeles Office that attempts by the Los Angeles Police Department to arrange an interview with Ethel Kennedy had been unsuccessful.

Although Los Angeles Police Department has now requested this Bureau to interview Mrs. Kennedy we have not attempted to in view of your previous advice.
