 RE: KENSALT

Enclosed herewith is a newspaper clipping from the Santa Monica, California, "Evening Outlook" newspaper publication entitled "Student Tells Theft of RFK Death Film".

The enclosed newspaper article appeared in the 9/9/68 issue of the above newspaper publication.

[REDACTED] advised on 9/12/68, as follows:

[REDACTED] TOKUNOW
 is a graduate student at University of California at Los Angeles (UCLA), majoring in art. He is working on his Masters degree and the University had assigned to the students in the class the task of covering the various Presidential candidates during their respective campaigns. The Art Department of the University is preparing a film entitled "Making of a President", and instructed the students to obtain photographs and other information regarding the candidates assigned to them.

In that capacity, TOKUNOW, who was assigned to the late ROBERT F. KENNEDY, followed KENNEDY's campaign and various public appearance, including KENNEDY's appearance at the Ambassador Hotel on 6/5/68. TOKUNOW claimed to have

taken moving pictures of the activities at the hotel, which included a photograph of an individual he claimed bore a strong resemblance to SIRHAN BISHARA SIRHAN. According to TOKUNOW, the moving film also depicts another dark complected male individual and a female individual in the film presumably with the person he claimed resembled SIRHAN.

TOKUNOW made available the film to the LAPD and a copy of the film was reproduced. Examination of the film by LAPD personnel reflects, [REDACTED] it is "cheap Japanese film". A detailed examination of the film, which is not clear, failed to reflect a photograph or picture of anyone resembling SIRHAN. It is to be noted that TOKUNOW contacted the LAPD subsequent to extensive news media stories concerning a female in a polka dot dress having been observed at the Embassy Room of the hotel.

Although TOKUNOW made available his film to the LAPD for examination, he was reluctant at first to do so, claiming he had contacted an attorney. However, subsequently he did make the film available and later was contacted by or he himself contacted a Canadian writer by the name of Mr. CHARACK.

Upon examining the film, [REDACTED] advised TOKUNOW that the film was of no value in their investigation.

Sometime in early August 1968, TOKUNOW again contacted the LAPD to advise that the film in question had been removed from his locker on the UCLA campus. He stated there was no evidence of forcible entry to the locker and expressed the opinion someone was able to pick the lock, which was a simple padlock. He was advised to make a police report of the alleged theft.

TOKUNOW further claimed to have a copy of the original film in his possession which he subsequently took to the "Los Angeles Times" newspaper in Los Angeles, apparently seeking publicity and the "Los Angeles Times"

LA 56-156

reporter JERRY COHEN. [REDACTED]

[REDACTED] advised COHEN that the film was of no value to the investigation. Personnel, "Los Angeles Times", likewise unable to locate anyone appearing in the film who resembled SIRHAN. [REDACTED]

[REDACTED] COHEN refused to write a story involving TOKUNOW. TOKUNOW then apparently contacted a representative of the "Evening Outlook" newspaper in Santa Monica which resulted in the newspaper article which is enclosed.

ASSASSINATION OF UNITED STATES
SENATOR ROBERT F. KENNEDY
AMBASSADOR HOTEL, LOS ANGELES,
CALIFORNIA, JUNE 5, 1968

At approximately 12:15 A.M., June 5, 1968, Sirhan Bishara Sirhan, born March 19, 1944, at Jerusalem, was observed in the kitchen area of the Ambassador Hotel, Los Angeles, California, to shoot and kill U. S. Senator Robert F. Kennedy and to wound five other persons, using a .22 caliber revolver.

Sirhan Bishara Sirhan was taken into custody by the Los Angeles Police Department and was indicted by the Grand Jury of Los Angeles County for murder on June 7, 1968, and is presently awaiting trial. A photograph of Sirhan is attached.

On June 4, 1968, the primary elections for the State of California were held to indicate a preferential selection of candidates for the forthcoming national elections in November 1968. Senator Kennedy was one of several candidates for the office of the President of the United States representing the Democratic Party and was given a majority of votes, following which he addressed members of his campaign group and well-wishers in the Embassy Ballroom of the Ambassador Hotel. Following his speech, he departed the ballroom via the rear exit of the stage and turned to his right to pass through the kitchen area en route to the Colonial Room, where he was to meet members of the press. The shooting occurred between these two points. A diagram of the area is attached.

The Los Angeles Police Department has requested assistance in the location and interview of various persons who were guests at the Ambassador Hotel on June 4, 5, 1968, to determine if they are in possession of any information regarding the assassination of Senator Kennedy or knowledge of Sirhan Bishara Sirhan.

INTERVIEW OF OFFICIAL MEMBERS OF KENNEDY PARTY

By teletype dated 6/18/68, the Washington Field advised that the following correspondents were with the official KENNEDY party in the hotel in Los Angeles at the time of assassination.

Los Angeles, ED GUTHMAN and crew, Los Angeles Times;

PAUL FLEMMING, Newsweek;

An unknown correspondent, Los Angeles Examiner

These individuals should be expeditiously interviewed concerning any information they have in their possession pertaining to the assassination.

Specific inquiry should be made as to whether or not SIRHAN may have been seen in the Ambassador Hotel prior to the shooting and whether or not the Senator changed his original plans to go to the Ambassy Room instead went to the Colonial Room, which was set up as a press room.

It is suggested that ED GUTHMAN could assist in establishing the location of PAUL FLEMMING in the identity of the correspondent of the Los Angeles Examiner.

FEDERAL BUREAU OF INVESTIGATION

Date 7/19/68

ZIYAD IBRAHAIN HUSANI

[REDACTED] New Jersey, furnished the following information:

[REDACTED]

He is president of the organization of Arab Students in the United States and Canada, advising that the organization was established in 1952 to further Arab-American friendship and to assist Arab students in adjusting to academic life away from home. There are more than 100 chapters in colleges throughout the United States and Canada and the group has a fairly large membership.

After the attack on Senator ROBERT F. KENNEDY, the National Headquarters Executive Committee of the organization of Arab Students heard that press reports had indicated the assailant of KENNEDY was a member of the organization. As a result of this, the organization issued a press release dated June 5, 1968, which stated that the suspected assailant of Senator ROBERT KENNEDY (SIRHAN SIRHAN) was not and had not been a member of the organization of Arab Students. The Executive Committee noted in the press release that the group had sent a telegram to Mrs. ROBERT KENNEDY expressing shock and dismay on the attempt on the Senator's life, and a hope that he would soon recover. Following Senator KENNEDY's death the Executive Committee of the group sent a second telegram to Mrs. KENNEDY expressing condolences on behalf of the organization of Arab Students.

HUSANI emphatically stated that SIRHAN SIRHAN has had no association with his organization and has never been a member of the organization and the disclaimer was issued for the reason stated above.

FROM : SA [REDACTED]

SUBJECT: KENSALT

Re San Francisco Airtel to Los Angeles dated 6/20/68.

ALL
b7C
On 6/20/68 [REDACTED] California, appeared in the San Francisco Office and furnished a copy of "The Grapes - Communist Wrath in Delano" by GARY ALLEN. He stated that he believed SIRHAN SIRHAN appeared in the photograph on Page 4 of the booklet. He advised the author, GARY ALLEN, resides somewhere in Los Angeles and could possibly reveal the source of the photo.

On 7/12/68 [REDACTED] John Birch Society, 2627 Mission San Marino, California, advised that one of their members, [REDACTED] California, had telephoned him to advise that he thought the photograph on Page 4 of the booklet "The Grapes" looked a lot like SIRHAN SIRHAN. [REDACTED] furnished the name and address of GARY ALLEN. [REDACTED] California telephone number [REDACTED] as the author of the booklet.

On 7/12/68 GARY ALLEN advised he wrote the article "The Grapes - Communist Wrath in Delano" for the June, 1966 issue of American Opinion, an informal monthly review edited by ROBERT WELCH, head of the John Birch Society. He advised that he submitted the article to Belmont, Massachusetts, and, thereafter, had nothing to do with it being printed or presented. He advised the photographs in the article were inserted by the editor and he was unaware of the photographs chosen until they appeared in the article.

ALLEN stated the only person who might be aware of the identity of those persons attending the meeting of the State Labor Commission, held at the Delano High School would be [REDACTED] Kern County Sheriff's Office, Bakersfield, California.

Serial 1499 reflects that [REDACTED] Kern County Sheriff's Office, Bakersfield, advised on 7/24/68 that the pertinent photograph was not familiar to him. He said the individual who took the photograph may be DICK SNYDER, Administrative Assistant to California Assemblyman, KENT STACEY.

On 7/26/68 RICHARD H. SNYDER was contacted at Assemblyman STACEY's Office, Room 609, 1415 18th Street, Bakersfield. He advised he took the photographs on pages four and nine of "The Grapes", but had no idea of the identity of pertinent individual to the left of photograph on page four of this booklet. SNYDER said he too photograph during Christmas season, 1965, when a rally was held for WALTER REUTHER by farm workers union in Delano. At this time SNYDER said he was employed by local daily newspaper, "The Bakersfield Californian", and later sold photographs regarding this rally to "American Opinion". SNYDER said he would attempt to locate and study copies of other photographs taken at the same time to determine if the individual appearing at left of photograph on page four appears in any additional pictures in his possession.

In Serial 1623 RICHARD SNYDER was recontacted on 7/30/68 and he made available twelve negative film strips representing photographs he took during 12/16/65 at Delano, California. The negative for the photograph was not in his possession since this negative was given to "American Opinion" magazine and never returned.

Prints of these negatives were made and a study of the prints fails to reflect any similarity between the grape strikers and the individual seated to the left side of the photograph on page four.

Serial 1624 reflects the 12 negative film strips were returned to Sacramento Office for return to SNYDER. The photographs were reviewed with negative results concerning SIRHAN.

b7C
Serial 1264 reflects that [REDACTED] both with United Farm Workers Organizing Committee, 102 Albany, Delano, California, were exhibited the pertinent photograph on July 1, 1968. Both stated the individual in the photograph was unknown to them. On July 24, 1968 [REDACTED] was recontacted and advised he had exhibited the pertinent photograph to various Union officials and members without effecting an identification.

[REDACTED] Los Angeles Police Department Special Unit-Senator and Special Agents of the FBI who have personally observed SIRHAN SIRHAN in court appearances have advised that the photograph on page four of the booklet is positively not identical with SIRHAN SIRHAN.

In view of the fact that all logical investigation has been completed in this phase of the investigation with completely negative results coupled with the fact that officers have advised the photo is not identical with SIRHAN SIRHAN, it is recommended that this phase be terminated.

This portion of his cell is furnished with a permanent steel cot with mattress, a porcelain wash basin and polished metal mirror. utilize in the forthcoming trial of SIRHAN. They have broken the witnesses down into approximately three categories:

- (1) Witnesses who will be used in the trial and whose testimony will be available to the defense under the proper motion before the Court.
- (2) Witnesses who might be of possible interest to the defense attorneys and to the trial but who will not be used by the District Attorney.
- (3) Individuals who have been interviewed but who contribute nothing toward either the prosecution or the defense of SIRHAN.

The District Attorney's Office has taken the position that nothing will be made available except through the proper channels of the Court. The prosecutive team for the District Attorney's Office at this time consists of Chief Deputy District Attorney LYNN COMPTON and Deputy District Attorneys JOHN HOWARD and DAVID FITTS. Any participation on the part of Los Angeles County District Attorney EVELLE YOUNGER has not yet been decided upon. The current estimate of the length of the trial on the part of the District Attorney's Office at this time is 12 weeks.

The defense has investigators attempting to locate any persons who might have served SIRHAN liquor at the Ambassador Hotel on the night of 6/4/68. This is apparently in connection with the previously reported information that SIRHAN allegedly paid a \$20.00 tip to an individual in the MAX RAFFERTY Campaign Headquarters at the hotel for serving him a drink. No such person or incident has yet been uncovered. Hotel officials have been informed by the District Attorney's Office that there is no restriction on making available to the defense a list of employees so that such employees may be interviewed by the defense.

b7c [REDACTED] Los Angeles County, advised on a confidential basis that the only individuals visiting SIRHAN are his mother, MARY SIRHAN, and his brothers, MUNIR and ADELA. However, none of these individuals have visited SIRHAN alone. They are always accompanied by his attorney, RUSSELL PARSONS.

LA 56-156

In addition, MICHAEL MC COWAN, who is acting as a private investigator for the defense, also visits with SIRHAN. Among the visitors permitted by PARSONS is ROBERT KAISER, who is listed as an investigator. KAISER is reported to be a former photographer and writer for "Time Magazine" and is believed at this time to be gathering information for articles, stories or books concerning SIRHAN to be written at a later date. It has previously been indicated that PARSONS has apparently assumed the position of legally representing the SIRHAN family in any publications to be prepared.

At the present time the Los Angeles Division is current in its investigation, and a current report is being prepared. The bulk of the outstanding investigation at the present time is to report the results of the interviews of out-of-state guests at the Ambassador Hotel, as requested by the LAPD. The results of these interviews will be incorporated in an additional report.

The Bureau will be kept advised of current events, and it is to be noted that the forthcoming October 4 hearing in this matter may not be held, in view of the appointment of a trial Judge during the past week. This information was furnished to the Bureau previously.

On 6/4/68 the above-captioned person was a registered guest at the Ambassador Hotel, Los Angeles, California.

At 12:15 A.M. on 6/5/68, SIRHAN B. SIRHAN, at the conclusion of a victory rally by the late Senator ROBERT F. KENNEDY (D-New York), in the kitchen area leading off the Embassy Ballroom shot and killed Senator KENNEDY, utilizing a .22 caliber revolver.

The Los Angeles Police Department requested the assistance of the Bureau in the location and interview of guests of the hotel in an effort to determine whether or not any of the guests might be in possession of any information concerning a possible conspiracy, might know SIRHAN, or might have seen him about the hotel on the night of 6/4/68.

All information, negative or positive, should be incorporated into an FD-302, as all information is being disseminated to the District Attorney, Los Angeles County, in report form, such reports being prepared by Los Angeles.

Trial date is tentatively set for the first part of November 1968, and it would be appreciated if the lead is covered in an expedite fashion. For your assistance, there is enclosed a diagram of the hotel area and location of the shooting.

Facts of complaint

C related she worked on the late Sen. KENNEDY'S campaign and worked out of the campaign headquarters on Wilshire Blvd. She said was in attendance at the Ambassador Hotel, the night of the KENNEDY shooting, but was not in the area of the actual shooting, but rather downstairs in the ballroom waiting the Senators arrival there.

C said she understands the FBI had been attempting to identify the Jordanian who was standing on the podium taking pictures of him, just prior to his leaving for the kitchen area. C said she saw and recognized pictures of this man in the newspapers. He was the one standing there with all the cameras around his neck. C said she had met this man at an earlier campaign party, and he had introduced himself to her as ALI AHMAD. He mentioned he worked at [REDACTED] in South Pasadena.

C said she was relating the above for whatever it may be worth and if she needed to be re-contacted she could be reached at the above address. She was advised her call would be made a matter of record.

On 7/28/68 Mr. ED GUTTMAN was contacted by the writer and advised that he had had no "crew" at the Ambassador the night of the assassination of Senator ROBERT F. KENNEDY. Mr. GUTTMAN stated that he happened to be at the Ambassador Hotel the night of the assassination having dropped by, by himself, to congratulate the Senator on his California victory.

Mr. GUTTMAN advised he had not observed SIRHAN. SIRHAN, observed no suspicious activity prior to the assassination and had no information which would be pertinent to the incident.

Mr. GUTTMAN advised that he knows of no PAUL FLEMMING associated with "Newsweek" magazine in Los Angeles, but stated this person possibly could be one CARL FLEMING, who has been a political reporter for "Newsweek".

Mr. GUTTMAN stated that he has no knowledge of the identity of correspondents associated with the "Los Angeles Examiner" who might have been at the Ambassador Hotel the night of the assassination.

 RE: KENSALT

On 10/4/68, SIRHAN B. SIRHAN appeared in Los Angeles County Superior Court before Judge RICHARD B. SCHAUER. SIRHAN was accompanied and represented by his attorney, RUSSELL PARSON. The people were represented by Chief Deputy District Attorney for Los Angeles County LYNN COMPTON and Deputy District Attorneys JOHN HOWARD and DAVID FITTS.

At the hearing, Judge SCHAUER formally appointed Judge HERBERT V. WALKER to be the presiding judge at the trial of SIRHAN which will take place in Department 107.

Judge SCHAUER advised that two motions are presently pending before the court; one a motion to suppress evidence obtained during the investigation and the second a motion for discovery, both of which were filed by PARSON in behalf of SIRHAN. These motions will be considered by the court at the next appearance for SIRHAN which has been scheduled for 9:00 A.M., 10/14/68.

The previously scheduled trial date of 11/1/68 is still in effect; however, PARSON suggested that a later trial date be considered by the court. He gave as his reasons: (1) The U. S. Supreme Court in previous decisions has suggested that, in some cases, a sequestered jury might have been considered; (2) The month of December 1968 encompasses the Christmas holidays with all of its activities and includes the New Years holidays.

PARSON further suggested that a jury could possibly be impaneled in December 1968 and further suggested a trial date of early January 1969.

Judge SCHAUER instructed that the foregoing suggestions on the part of PARSON be made in the form of a motion which could be heard on 10/14/68. PARSON and representatives of the Los Angeles County District Attorney's Office agreed that these matters could be taken up at the 10/14/68 hearing.

Los Angeles will continue to follow the investigation of this case and subsequent prosecution of SIRHAN and keep the Bureau appropriately advised.
