On 9-17-68 MRS. FRANCES EVANS, [REDACTED]
Calif., recontacted advised as follows:

She attended an [REDACTED] Fullerton
Junior College. In addition to the
classes there were discussion groups made up of State College
teachers, teachers, members of NAFFA'S class and interested
individuals. NAFFA had many Arab friends that attended the
discussion sessions that were not members of this class. They
discussed current problems in the mid-east and their problems
with the Zionists and the like.

NAFFA did not appear as radical as some of the people
present but does support the Arab viewpoint. Those in attendance
that night and on other occasions generally had the viewpoint
that there is a revolution now in progress in the world and on
the campuses which they favored. These people if not pro-
Communists were at least one world advocates.

After one of the discussion groups [REDACTED]

One of those from Pasadena spoke with quiet desperation about
how his fathers land and home had been taken from them twice
by the Zionists and to the effect that to heck with Philosophy
if the Communists would help them why not go with them. She said
she is 99% sure this was SIRHAN SIRHAN who she later saw on TV.

EVANS was not sure who else was there, maybe SIRHAN'S
brother, possibly [REDACTED] Cal. State
Fullerton, a Greek and perhaps [REDACTED] a teacher and
one world advocate; Geography, Calif. State - Fullerton.

MRS. EVANS, [REDACTED]

MRS. EVANS said that a Jewish friend of hers said they
considered NAFFA a public relations man for Jordan and that he
speaks at many affairs because of his moderate views.

WILLIAM R. HODGES [REDACTED]
assigned to [REDACTED] [REDACTED] advised that on June 4, 1968, he resided at [REDACTED] California. His present home address is [REDACTED] California. He advised he is a graduate of the University of Southern California at Los Angeles in June, 1967, and in June, 1968, was working [REDACTED] as a substitute teacher, fourth through eighth grades.

He advised he arrived at the Embassy Room about 7:45 p.m., June 4, 1968. With him in his car was his girl friend CAROL FENBURY, [REDACTED] California, and his brother ROBERT R. HODGES, [REDACTED] Beach, California.

In a second car was his brother DAVID HODGES, [REDACTED] California, and the latter's girl friend JANET LOWRIE, who is employed at [REDACTED] School. Also in that car were DEKKER RAWLINGS and his wife SHARON RAWLINGS who live in [REDACTED]

The two cars arrived with their occupants within five minutes of each other.

LINDA LEE HODGES, wife of ROBERT R. HODGES, had gone to the Embassy Room earlier and stayed later than the others of the party.

From approximately 7:45 p.m. until about 11:30 p.m., all of the party were together, standing between the TV cameras and the entrance to the corridor from which Senator KENNEDY was expected to enter the Embassy Room.

HODGES remembered that at about 10:30 or 10:45 p.m., he saw a man with bushy dark hair, slight build, about 5'5" tall, dressed in an old jacket, dark dirty-looking pants, walking from the direction of the corridor doors toward the podium. He said he lost sight of this individual in the

crowd, and that he really saw only the back of his head. He said that this man was not moving in a definite direction, but appeared rather to be wandering.

He said this individual attracted his attention because he was the only unkempt person in the room; everyone else there was dressed in business clothes and looked clean and well kept. He said that he remembered remarking to his girl friend CAROL FENBURY, "How do you suppose he got in?" He said he was not sure, but that CAROL may have seen this individual also.

HODGES said that none of the members of his party had a camera. He did not remember seeing any girl in a polka dot dress.

HODGES viewed a photograph of SIRHAN B. SIRHAN, and stated he could not identify the unkempt person he had seen as being identical with the photo of SIRHAN.

He said that since the hour was getting late and it appeared they would not be able to see Senator KENNEDY, he, CAROL FENBURY, and ROBERT HODGES left about 11:30 p.m. in their car and the others with the exception of LINDA LEE HODGES left in their car at the same time. He said that his car was on the freeway returning to [REDACTED] California, when they heard the announcement of the shooting on the radio.

HODGES said that CAROL FENBURY is employed by the [REDACTED] School District. His sister-in-law, LINDA LEE HODGES, is a substitute teacher employed [REDACTED] District. His brother, ROBERT R. SA [REDACTED] Captioned policy was personally outlined to SA [REDACTED] 10/16/68 by Mr. GRANT HOLCOMB, Manager, News Division of CBS owned KNXT-Channel 2, 6121 Sunset Boulevard, Los Angeles. This was a result of a request to interview three employees of the KNXT News Division, potential witnesses in the KENSALT case. They had been reported present at the Ambassador Hotel at the time of KENSALT by a potential witness, PATRICK TIFFANY MC LAUGHLIN, interviewed by the Memphis Office 9/30/68. The employees were ELIZABETH BERMAN, Junior News Writer; JOE DYER, former Reporter now in the Community Relations Department and JIM BROWN, News Reporter.

A further request had been made by SA [REDACTED] to monitor a tape of a television program aired by CBS-Los Angeles 10/12/68 "The Insider-Outsider", on [REDACTED] with certain "black militants".

With respect to the requests, Mr. HOLCOMB called Mr. WILLIAM WHITTSETT, Senior Attorney in CBS Legal Department, CBS-TV City 7800 Beverly Boulevard, Los Angeles, who requested SA [redacted] be placed on the phone and in a three-way conversation Mr. WHITTSETT explained captioned policy which he said became effective following a top level CBS Executive Conference at CBS headquarters in New York City and was currently being applied to all CBS personnel. In effect it requires a subpoena be served by a government investigator to interview CBS personnel. Mr. WHITTSETT said he would be willing to appeal to CBS New York headquarters to rescind the policy on behalf of the FBI upon request of the FBI in the KENSALT inquiry. However, he voiced the opinion such an appeal might more effectively be made on a request by the FBI headquarters direct to CBS headquarters, New York City. He instructed Mr. HOLCOMB to make a copy of the CBS memo outlining the new policy available to SA [redacted] for review but not furnish him a copy. In substance, contents of the memo were:

The memo dated 9/19/68 was from Mr. WOOD (ROBERT D. WOOD, President, Columbia Television Stations)(CTS) to Mr. BEINDORF (RAY L. BEINDORF, Vice President and General Manager, KNXT-Channel 2, Los Angeles), et al (other CBS-TV department heads on West Coast).

It mentioned CBS "experiencing many requests for news personnel to be sources of information as well as witnesses in civil and certain investigatory proceedings. You may consider the following an interim policy and how to fill such requests."

"CND (Columbia Network Division)-a number of requests have been received from government investigators to furnish names, and correspondence of news involved in coverage of events being investigated, e.g. recent violence in Chicago." In addition approval has been made directly to CND employees by government investigators, these pending and requiring urgent action. CND requested guidance as to how to handle these requests for names etc and how employees should be advised to respond directly to approaches by government investigators."

"The logic underlying policy adopted at meeting #80, August, 1968, for handling requests for, as broadcast news material and outtakes, is generally applicable to requests for the observations, recollections and notes of CND, CTS and CRD (Columbia Radio Division) news; went as follows: "

"All request for interviews by government investigators, involved in coverage of events under investigation, should be reviewed with the Law Department by an officer of the division involved."

, "Criteria:

"A. Nature of Inquiry."

"B. Whether, what is requested is essential to the establishment of facts pertinent to the inquiry."

"C. Whether compliance would in any way impair our ability to obtain such news stories in the future."

"If a determination is made to comply with a request, the investigator will be asked to obtain and serve a subpoena."

The CBS personnel in all departments in the Los Angeles area have been most cooperative with the Los Angeles FBI Office during past investigation conducted at CBS and a cordial relationship currently exists.

RECOMMENDATION

The above is for the Bureau's information and appropriate action at CBS headquarters in New York to attempt to gain a recension of the CBS policy with respect to FBI interview of CBS personnel, advising the field offices accordingly.

UNITED STATES GOVERNMENT

Memorandum

TO : SAC, Los Angeles

DATE: 10/22/68

FROM : Director, FBI

SUBJECT: ASSASSINATION OF SENATOR
ROBERT F. KENNEDY

On 10/14/68, Dr. John Holloway, Deputy Medical Examiner, Los Angeles County, California, telephonically contacted the Laboratory at the request of the Chief Medical Examiner for Los Angeles, Dr. Thomas T. Noguchi. Dr. Holloway stated that in a recent conference at the White House relative to this case, President Johnson expressed the desire to Dr. Noguchi to have a Federal laboratory conduct neutron activation analyses on certain items of evidence collected by the Los Angeles, California, Police Department and his office.

Dr. Holloway was inquiring if the FBI Laboratory could examine by neutron activation analysis methods a specimen bullet, foreign metallic deposits on a piece of bone and several biological specimens containing foreign metallic deposits. The purpose of such examinations is to show that the foreign metal deposits originated from a bullet of the same lot as used by assassin Sirhan Bishara Sirhan.

It was explained to Dr. Holloway that it was doubtful that such conclusions could be reached from such analysis and that at best, it might be concluded that the foreign metal smears could have originated from a bullet of similar composition. Our policy of not examining materials previously examined by other laboratories was also defined to Dr. Holloway. Dr. Holloway was not certain as to what examinations had been made but stated he would find out.

Upon conclusion of the discussion, Dr. Holloway advised that he would contact Dr. Noguchi and subsequently make a formal written request setting forth the examinations desired and the extent and nature of prior analyses. Dr. Holloway was advised that upon receipt of such information, the Bureau could then determine whether or not we would consider making any analyses.

Letter to SAC, Los Angeles
RE: ASSASSINATION OF SENATOR
ROBERT F. KENNEDY

Dr. Holloway stated that he had previously con-
tacted the Atomic Energy Commission authorities at Oak
Ridge, Tennessee, with the same request but was refused
assistance.

The above is for information.

Re Los Angeles letter to New York dated 10/17/68, requesting interview of Mr. W. DUMBROW, CBS News Division, 524 West 57th Street, New York, New York.

WFO teletype to Bureau and several offices dated 6/18/68 requested Philadelphia to interview WALTER DOMBROW of CBS.

New York airtel to Bureau containing photographs from BILL EPPRIDGE of "Life" Magazine lists WALTER DUBROW, a CBS Cameraman in the photos.

Los Angeles letter to New York dated 9/16/68 requested New York to interview WALTER DOMBROW, 524 West 57th Street, NYC (which is CBS).

Los Angeles airtel to NY dated 9/24/68 states that WALTER DOMBROW of CBS was interviewed in Philadelphia.

In view of the fact that W. DUMBROW of CBS New Division, 524 West 57th Street, New York, New York, is probably a misspelling of DOMBROW, no further efforts are being made by NY to interview W. DUMBROW.

[REDACTED] on 10/14/68 advised that the captioned individual, [REDACTED] has alleged that she has been denied proper hospital treatment while in Canada because of undue influence and pressure from American authorities.

According to [REDACTED] states that [REDACTED] b7D
although she has been admitted to Canadian hospitals for medical treatment which she desperately needs she is very soon forced from those hospitals because of United States pressure possibly from the FBI, CIA or other such agency. [REDACTED] apparently claims she has vital information concerning certain investigations of criminal activity in the United States including the case of Sirhan Sirhan, the alleged murderer of Robert F. Kennedy, and that she is being denied proper treatment in order to keep her quiet concerning such matters.

[REDACTED] was advised that certainly the FBI was [REDACTED] b7D
not involved in any investigative activity in Canada and would certainly not deprive a person from proper hospital care. He stated that he fully understood that this would be true. Bureau files show that [REDACTED] is an obvious mental case, a self-admitted homosexual, has claimed to have applied for and been refused political asylum in Israel, Canada, and Australia and has made numerous unfounded allegations against various Government agencies and individuals. Above is for information.

On 10/22/68, SIRHAN BISHARA SIRHAN appeared in Department 107 of the Los Angeles County Superior Court before Superior Court Judge HERBERT V. WALKER. SIRHAN was represented by his attorney, RUSSELL PARSONS. The prosecution was represented by Chief Deputy Los Angeles County District Attorney LYNN COMPTON and Deputy Los Angeles County District Attorneys JOHN HOWARD and DAVID FITTS. The purpose of that appearance was for the court to rule on evidence obtained at the SIRHAN residence in Pasadena, California, following the assassination of the late ROBERT F. KENNEDY.

Sergeants WILLIAM BRANDT and DANTE A. LODOLLO of the Los Angeles Police Department testified as prosecution witnesses relative to the search of the SIRHAN residence. During their testimony they testified that a search of the residence was permitted by SIRHAN's brother, ADELL SIRHAN. During the proceedings it was brought out that the residence is actually being purchased by SIRHAN's mother, MARY SIRHAN.

Enclosed herewith are six negatives obtained from JOHN V. KENNY, a Providence College student, who was in the Embassy Room of the Ambassador Hotel at Los Angeles, California, and who was in his own words approximately twenty-five feet from the location where Senator ROBERT F. KENNEDY was shot on 6/4/68.

Mr. KENNY advised that he had in his possession a camera which he held over his head and continued to snap pictures of Senator ROBERT F. KENNEDY as he passed through the kitchen corridor immediately prior to the shooting.

Mr. KENNY stated that the pictures taken in the corridor apparently were not clear enough to be developed, but he did have them in his possession when interviewed on October 17, 1968.

Mr. KENNY stated that he believed that the negatives number 18A through 20A were the shots taken by him immediately prior to the shooting of Senator KENNEDY.

On 10/28/68, representatives of Secret Service Headquarters furnished a copy of a communication addressed to Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C. This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. Sirhan, 696 East Howard Street, Pasadena, California, and the envelope was addressed to Nixon.

Copies of the attached are forwarded for the information and assistance of Los Angeles. An effort is being made through Bureau liaison to obtain the original or a more detailed copy. The laboratory is conducting examination of the signature in order to determine if it was, in fact, that of Sharif Bishara Sirhan.

Inasmuch as the communication may constitute a possible violation of the Extortion Statute Los Angeles should initiate immediate investigation in order to determine whether it was in fact prepared by Sharif Sirhan. Consideration should be given to conducting an immediate interview of the suspect.

1. how do you justify taking one land from one people (Palestinians) and giving it to another (Zionist Jews)?
2. In the name of what justice do you justify the Palestinian refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. how do you justify the Zionist Jews coming from other countries and taking the place of the real owners (Palestinians) who have fled to different parts of the world from Zionist terrorism and aggression?
4. how do you justify the killing and murders that take place and are still taking place in Palestine?
5. how do you justify giving and supporting the Zionist state with military aid as phantom jets so that they kill more innocent and peaceful people (Palestinians)?
6. how would you like someone forcing you out of your house and throwing you in the backyard and giving it to someone else that is not the owner?
7. how would you like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not (it depends on your conscience whether you believe in justice or not). We as Palestinians are ready to die for our beloved country (Palestine), and the only peaceful solution for our people is that Palestinians should go back to their homes and the Zionist Jews should go back to their original countries where they come from. If the Zionist Jews come from paradise, let them go back to paradise and if they come from hell let them go back to hell and the Palestinian Refugees should go back to their homes and land.

I am not a communist and I hate communism. You know and it is very clear that there is no communist practices or organizations in the Arab world. If there is communism in the Arab world, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States has turned against them and if there is communism in the Middle East, American politicians are to blame because they are using good hearted American people for their own glory and fame. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, fame and glory and not for themselves. It is also a shame to see American Presidential candidates bow and kneel to Zionism to get in the white house.

Communism is using new techniques in modern warfare which is (kill yourselves) as for example what happened in Viet Nam where American soldiers were killed and not one Russian soldier's blood was shed.

Zionism is using America and taking advantage by claiming that America should fight communism for their aim which is the destruction not only for America but for the whole world. For example, the killings, murdering, and robbing and inhuman barbarian and animalistic and criminalistic acts and behavior that they committed against the innocent peace-loving Palestinians is illegal. Also, Zionism in America is blurring the vision of good hearted Americans so that they cannot see black from white and keeping them away from the truth. The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country, or the Zionist State which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed my Palestinian Commandos to destroy every American politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

Sincerely Yours,

Sharif M. Sharif

IMPORTANT PERSONAL

29 October 1968

b7c [REDACTED]
Atlanta, Georgia. 30311.

TO THE FBI,
Atlanta, Ga.

Here is some information I feel you may be interested in and I wish to report it in the hope it will be of value to you, but also hope you will not make my name public.

On the evening of Sunday June 2nd 1968 my niece, husband and children from Illinois came to visit me on their vacation.

On Monday the next day, June 3rd, they felt too tired from their trip to do much sight seeing around Atlanta, but suggested they would like to go to the airport in the evening to see the Jets come in and take off; a past time enjoyed by many people.

That evening of June 3rd when we walked into the main upper lobby of the airport building about 7 PM Atlanta time, we heard a loud voice coming over the airport loud speaker calling Cerrano - Cerrano. It was repeated several times asking the party to come to one of the ticket counters. My friend who lives with me looked at me and I at her both thinking what an odd name with both first and last names the same.

We went immediately to the observation platform and enjoyed seeing the children enjoying the sights. As I was seated on one of the benches 3 men pushed by me rather rudely, so I took special notice of them. One, a thin slender, blonde about 5ft 5 inches long thin face with very light complexion. A second man short about 5 ft, round face dark hair but looked american, and a taller man about 5ft 9- thin, dark brown hair and dark skin who looked foreign to me. Their countenances looked evil to me and they seemed to be in a hurry. I jumped up from the bench to find the children not knowing what 3 men were up to. Then I saw them enter (the 3 men) the inner glassed in portion of the observation platform and pointing towards the Eastern air lines planes. The thought crossed my mind and I wondered whether they were plotting to hi-jack a plane. Then they disappeared.

About ten minutes to 9 PM we left the platform going back thru the main lobby to the parking lot to get our car. Again when we entered the lobby we still heard the name Cerrano Cerrano being called and repeated several times. I kept wondering to myself what was the significance of that name.

The next morning Tuesday June 4th when we heard that Robert Kennedy had been shot by a man whose name was SIRHAN SIRHAN, I still could not shake off the feeling of the night before. Then when a clear picture of Sirhan was shown on the news on TV I saw that of one of the 3 men seen at the airport evening.

Perhaps I should have reported this before but I am one who does not want to get myself involved either and tried to forget it. But this morning when reading the Atlanta Constitution page 1 an account of Earl Ray (Kings murderer) telling a news man about a Blonde Latin man who had made different kinds of arrangements

for him, I thought could this be the same blonde man I saw at the airport and a part of some type of conspiracy? It is since reading this mornings paper that I felt urged very strongly to report what I had heard and seen at the airport on the night of June 3rd 1968.

I shall be glad to discuss this with you but believe I have given all the important details. I would appreciate very much also that you not give me any publicity in this matter. I am not easily scared and have no fear of the wrong element. I have reported things before to the FBI here in Atlanta and respect your good judgment.

Respectfully submitted,

It was noted on Page 2, Paragraph 1, of the enclosed FD-302 that MOSKOWITZ indicated that he saw ROOSEVELT GRIER and BROWN holding on to a small man. No information has come to the attention of the Los Angeles Office that anyone by the name BROWN was connected with the detention of SIRHAN after the shooting. Possibly MOSKOWITZ maybe referring to RAFAEL JOHNSON who did assist GRIER in holding SIRHAN.

It is requested that the Portland Office recheck this point and submit a corrected FD-302 if appropriate. Also it is noted in the FD-302 that the spelling of the last name of ROOSEVELT GRIER is spelled incorrectly and should be spelled GRIER.

RE: BOB BUSH

Telephone:

On 6/4/68 the above captioned person was a registered guest at the Ambassador Hotel, Los Angeles, California.

At 12:15 a.m. on 6/5/68, SIRHAN B. SIRHAN, at the conclusion of a victory rally by the late Senator ROBERT F. KENNEDY (D-New York), in the kitchen area leading off the Embassy Ballroom shot and killed Senator KENNEDY, utilizing a .22 caliber revolver.

All information, negative or positive, should be incorporated into an FD-302, as all information is being disseminated to the District Attorney, Los Angeles County, in report form, such reports being prepared by Los Angeles.

Trial date is tentatively set for the first part of December 1968, and it would be appreciated if the lead is covered in an expedite fashion. For your assistance, there is enclosed a diagram of the hotel area and location of the shooting.

Mrs. VIRGINIA M. SATIR was one of the speakers at a seminar on hospital administration held at the Ambassador Hotel from June 3 through 6, 1968. She stayed at the Ambassador Hotel during this period on the basis of a reservation made for her by the American College of Hospital Administration, San Francisco, California.

The Los Angeles Office has requested that she be interviewed in an effort to determine whether she might be in possession of any information concerning a possible conspiracy in the shooting of Senator KENNEDY, might know SIRHAN BISHARA SIRHAN, or might have seen SIRHAN about the Ambassador Hotel on the night of June 4, 1968.

All information, whether positive or negative, should be incorporated into an FD-302, with 22 copies to be furnished the Los Angeles Office.

No photograph of SIRHAN for display to Mrs. SATIR is being furnished San Diego as it is assumed that office has such photographs.

Referenced airtel advised that the interview of three persons is still outstanding in the Baltimore Office. For the information of WFO, one of these persons is Mr. E. FERGUSON, Baltimore Sun, Baltimore, Maryland. A check with the Baltimore Sunpapers reflects that E. FERGUSON is assigned to the Washington Bureau of the Sunpapers.

By teletype dated 6/19/68, WFO was requested to contact one PAT FERGUSON, correspondent for the Baltimore Sunpapers, who was located in the Washington Bureau of the Sunpapers. It appears E. FERGUSON and PAT FERGUSON are one and the same. WFO should ascertain if these two persons are identical and, if not, should interview E. FERGUSON along lines previously set out by Los Angeles Office.

Los Angeles' attention is called to Baltimore airtel dated 11/8/68 wherein an FD 302 was forwarded on an interview of one Mrs. PATRICIA ANN STEWART, Mrs.

My dear friend

Thanks for Your letter of April 29 but am I surprised to read that You have completely changed your mind.

What has gone into You, Sir??

I know You have always been a kind of pessimistic even since the first time I know You back in '64.

But You can't live on that way, why don't You try to change it?

I know arabian thinking is different than american thinking, but don't forget, You have a rent free life and You can do whatever You like to.

Why don't You talk to your girlfriend about it? She will understand You. As far as I can see, it is a pretty girl. Why don't You send me some more or better pictures from both of you? Are You going to marry her?

I hope she will give You the life You want. Maybe You will have some kids then after a few years and You will see everything looks different then. You wouldn't like it the way it is right now in the U.S. or do you??

Look what happens to Sir King a couple of weeks ago.

I know to be in O is nice but I had many bad
luck in my life that I finally got used to it. and
I am satisfied with what I have right now. and besides
that my old boss came to me to ask me back to work

Well so you see, not having to much money, having a
lot of risks and all that stuff. all of a sudden the tide turns
The 1st of June I will start there and I know I am going
to enjoy it

Well dear Sir I hope you won't do anything you will
be sorry for later and please give me finally your real
address I even believe that this address is not complete
without the name of the street I thought Los Angeles was
so big that this could hardly be enough.

Why don't you get married right away than you can
have your own address. Moving from one to the other is not
good at all.

My daughter is growing up fine She will be 9 years
old at the 6th of August. Send her a nice card will you?

Well Sir I am going to bed now because it
is pretty late and tomorrow I have a lot of work to do.

I hope you will write pretty soon so we will have
better contact with each other than in the past.

I wish you and your girl all the best for the future

Many Greetings

Your friend

BY SHARIF B. SIRHAN

On October 28, 1968, representatives of Secret Service Headquarters furnished a copy of a communication addressed to Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C. This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. Sirhan, 696 East Howard Street, Pasadena, California, and the envelope was addressed to Nixon. A Xerox copy of the letter is attached.

On November 7, 1968, Sharif Bishara Sirhan was contacted at his residence, 1659 North Lake Avenue, Pasadena, California, by two Special Agents of the Federal Bureau of Investigation (FBI), Los Angeles, California. Also present at this time was his brother, Saidallah B. Sirhan, who shares a flat with him at this address, and [REDACTED] a representative of the United States Secret Service Agency, Los Angeles branch.

Sirhan was advised by the FBI Agents that the inquiry related to the authorship of a two-page written document addressed to President Elect Richard Nixon and Vice President Hubert Humphrey, bearing the signature Sharif B. Sirhan. Mr. Sirhan was then orally advised by the FBI Agents of his rights. He was then asked to read an Advice of Rights Form. Mr. Sirhan interrupted this to say, "Before I say anything, I want to see the letter." A copy of the above-mentioned letter was given to him to read. He read it slowly, line by line, his hands visibly shaking, although he showed no other signs of emotion.

Mr. Sirhan then said, "I did not write this. It is not mine." He then indicated he was certainly in agreement with some of the political statements contained in the letter and had himself expressed some of these ideas, but he would not

specify which of these points he was referring to. He stated he also disagreed with some of the points in the letter.

Mr. Sirhan said he had no knowledge as to who the author of the letter could be. He said he did not dictate the letter to anyone or cause it to be written in his name. He denied that the signature at the end of the letter was his and added that the signature appearing on the letter was not a good copy or facsimile of his own. In this connection, he said he sometimes signs himself Sharif B. Sirhan, sometimes Sharif Sirhan.

Mr. Sirhan declined to furnish a signed statement attesting that the letter and signature were not his. He refused to furnish any samples of his signature, stating, "You have my signature and you have your experts. See to it yourself!"

Mr. Sirhan said he did not have a typewriter in the flat but added that there was a typewriter in his mother's home in the room formerly occupied by his brother, Sirhan B. Sirhan. He said he did not know what kind of typewriter this was and described it by dimensions as being a standard size typewriter. He indicated that he did not use it.

Mr. Sirhan said he does not know about any such organization in the United States as "the Palestine Commandos" but was certain there were many of this type in his homeland.

Mr. Sirhan said the lines drawn at the bottom of page two of the letter beneath the signature have no significance to him as Arabic or any other type of symbol and could not comment on them.

Mr. Sirhan said "No" to the question as to whether he had any reason to believe the letter in question could have been written by another member of his family or anyone of his acquaintance.

Mr. Sirhan turned to the contents of the letter and said the thoughts expressed in the letter could be the thoughts

of a majority of persons living in the United States. He then with some emotion bitterly described the manner in which he had been treated since the assassination of Senator Robert Kennedy. He spoke of people "staring at him everywhere he went", of people coming to his home and asking him questions. He said, "They say my brother killed him. Why do they have to come to me with all their questions? I didn't kill him." At this point Mr. Sirhan was reminded of the purpose of the interview and the reasons therefor, but he appeared upset and said he had nothing to add on this matter, and the interview was terminated.

1. How do you justify taking one land from one people (Palestinians) and giving it to another (Zionist Jews)?
2. In the name of what justice do you justify the Palestinian refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. How do you justify the Zionist Jews coming from other countries and taking the place of the real owners (Palestinians) who have fled to different parts of the world from Zionist terrorism and aggression?
4. How do you justify the killing and murders that take place and are still taking place in Palestine?
5. How do you justify giving and supporting the Zionist state with military aid as if it were a democracy so that they kill more innocent and peaceful people (Palestinians)?
6. How would you like someone forcing you out of your house and throwing you in the backyard and giving it to someone else that is not the owner?
7. How would you like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not (it depends on your conscience whether you believe in justice or not). We as Palestinians are ready to die for our beloved country (Palestine) and the only peaceful solution for our people is that Palestinians should go back to their homes and the Zionist Jews should go back to their original countries where they come from. If the Zionist Jews come from paradise, let them go back to paradise and if they come from hell let them go back to hell and the Palestinian Refugees should go back to their homes and land.

I am not a communist and I hate Communism. You know and it is very clear that there is no communist practices or organizations in the Arab world. If there is communism in the Arab world, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States has turned against them and if there is communism in the Middle East, American politicians are to blame because they are using good hearted American people for their own glory and fame. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, fame and glory and not for themselves. It is also a shame to see American Presidential candidates bow and kneel to Zionism to get in the white house.

Communism is using new techniques in modern warfare which is (kill yourselves) as for example what happened in Viet Nam where American soldiers were killed and not one Russian soldier's blood was shed.

Zionism is using America and taking advantage by claiming that America should fight Communism for their aim which is the destruction not only for America but for the whole world. For example, the killings, murdering, and robbing, and inhuman barbarism and animalistic and criminalistic acts and behavior that they committed against the innocent peace-loving Palestinians is illegal. Also, Zionism in America is blurring the vision of good hearted Americans so that they cannot see black from white and keeping them away from the truth. The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country or the Zionist State which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed my Palestinian Commandos to destroy every American politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

Sincerely Yours,

Sharif Siman

Re: Phone: (212) [REDACTED]
[REDACTED] Contact through [REDACTED]
[REDACTED] in New York City.

On 6/4/68 the above-captioned person was a registered guest at the Ambassador Hotel, Los Angeles, California.

At 12:15 A.M. on 6/5/68, SIRHAN B. SIRHAN, at the conclusion of a victory rally by the late Senator ROBERT F. KENNEDY (D-New York), in the kitchen area leading off the Embassy Ballroom shot and killed Senator KENNEDY, utilizing a .22 caliber revolver.

The Los Angeles Police Department requested the assistance of the Bureau in the location and interview of guests of the hotel in an effort to determine whether or not any of the guests might be in possession of any information concerning a possible conspiracy, might know SIRHAN, or might have seen him about the hotel on the night of 6/4/68.

All information, negative or positive, should be incorporated into an FD-302, as all information is being disseminated to the District Attorney, Los Angeles County, in report form, such reports being prepared by Los Angeles.

Trial date is tentatively set for the first part of November 1968, and it would be appreciated if the lead is covered in an expedite fashion. For your assistance, there is enclosed a diagram of the hotel area and location of the shooting.

22 copies of FD-302 should be submitted.

RE: Trial Date of SIRHAN BISHARA SIRHAN

On 11/25/68, Mr. JOHN HOWARD, Deputy, Los Angeles County District Attorney, advised his office has received no "official" notification of any change in the trial date of 12/9/68, for SIRHAN B. SIRHAN. He advised, however, that speculation is that a continuance for the beginning of the trial will undoubtedly be sought by GRANT B. COOPER who is expected to enter the case in behalf of the defense of SIRHAN. It is Mr. HOWARD's opinion that due to the fact that Mr. COOPER is currently engaged in defending one of the defendants in the Friars Club trial in U.S. District Court, Los Angeles, he will not be prepared to properly represent SIRHAN on 12/9/68.

b7D [On 11/25/68, [REDACTED] Los Angeles County Superior Court System, confidentially advised as follows:

No action of record has taken place to date with respect to a continuance for a trial for SIRHAN B. SIRHAN. He expects, however, that on 12/3/68, all of the litigants will reappear before Judge HERBERT V. WALKER to request a continuance in the beginning trial date, which is now scheduled for 12/9/68.

DEPARTMENT OF PSYCHIATRY

Los Angeles Police Department
Homicide Division
Los Angeles, California

Dear Sirs:

Last June when Senator Robert Kennedy was shot, I requested through our local FBI office that information be sent to you to the effect that it might be of importance to know whether Mr. Sirhan Sirhan was using one of the amphetamine drugs at the time of the incident. It was suggested that a urine sample be obtained for analysis of amphetamine content.

As you are well aware, amphetamines have become increasingly implicated in certain violent forms of behavior and especially in certain murder cases. The association of amphetamine use with violence has been of special interest to a group of us here at Duke studying this problem. We have indications that certain of the other assassination attempts were by people who were known users of amphetamines; for instance, James Earl Ray apparently was a known user of methadrine.

Because this is such a vital problem at present, we would appreciate any information that you could give us concerning either (1) the urinalysis if it was done and/or (2) information about a past history of having used amphetamines in Mr. Sirhan Sirhan's case. Since there is a possibility that this information would not be available before trial, I would appreciate a letter to this effect, if that is the case.

We would appreciate any consideration that you can give us in this matter.

Sincerely yours,

EHE/by

ReLAlet to NY 9/16/68 requesting interview of Jack Newfield.
Enclosed are 22 copies of FD 302 of interview with Jack Newfield.

ReLAlet to NY 9/16/68 requesting interview of Richard Evans.
Enclosed are 22 copies of FD 302 of interview with Richard Evans.

ReLAletters (2) to NY both dated 9/16/68 requesting interviews
with London Wainwright of the N. Y. Times and also an interview
with L. S. Wainwright of Time, Inc.

Enclosed are 22 copies of an FD 302 of an interview with
London S. Wainwright who is identical with the above two
names.

In addition to information set forth in the FD 302, Wainwright
stated that he was of the opinion that Life magazine possessed a
photograph which was taken at the Max Rafferty meeting in a room
across the lobby from where Senator Keddey was shot. Wainwright
believed that Sirhan Sirhan could be observed in the photograph
and that he appeared to be with another male. Wainwright assumed
that they were together because neither was dressed for the occasion
while everyone else was. Wainwright was not certain but believed
that the photograph was published.

Mr. Richard Pollard, Head of Photographers, Life Magazine,
New York, N. Y. stated that there was such a picture but that it
was concluded that it was not Sirhan. There were two pictures
taken at the Rafferty meeting, both by Paul Glickman, a free
lance photographer. Pollard is no longer in possession of the
pictures. Glickman can be located through [redacted] a
parttime researcher for Life Magazine at [redacted] Beverly
Hills, Calif., tel [redacted] Life Magazine office in
Beverly Hills may have a copy of the photographs but Pollard
doubts it. New York is taking no further action as to the
picture.
