Gentlemen:

It just occurred to me:  
How did Sirhan know that Sen.  
Kennedy was going to go out through  
the kitchen to the freight elevator?  
Had this been planned? Apparently,  
Sirhan was waiting in the kitchen  
so he must have expected the  
Senator to go that way - He was  
ahead of him, not following him.

This seems to point to someone  
in the hotel organization who could  
have suggested to a Kennedy aide  
that this route would be a good  
one for the senator to take - Perhaps  
you can find out from the  
aides who suggested that  
Kennedy take that way out

The person he observed at the bus depot who he believes to have been SIRHAN, came up to [redacted] and said in a loud and boisterous manner words to the effect "Do you remember the Watts riot. If you think that was something wait until you see what I'm going to do."

[redacted] tried to walk away as [redacted] thought the man was a nut, but the man caught up to [redacted] and remarked "wait until you see what I'm going to do to KENNEDY." After making these statements, the person [redacted] believes was SIRHAN, kept hollering at [redacted] but [redacted] paid no further attention to him, although he did see this person talking to others at the bus station, none of whom are known to [redacted] and the content of any other conversation is unknown to [redacted] except he believes he heard the word "Watts" mentioned to some male Negro.

[redacted] stated he does not know SIRHAN, did not know if SIRHAN was armed at the time of the above incident, and so far as he could tell the person resembling or identical to SIRHAN was alone. He does recall that the person he believes to have been SIRHAN did talk with a foreign accent, and there was a person standing in the bus station observing SIRHAN, but [redacted] does not know that he was or was not with SIRHAN and he can not now describe this person.

In connection with the item authored by Jon, also known as John Kimche, on June 13, 1968, appearing in the "London Evening Standard" which dealt with the fact Sirhan Bishara Sirhan had allegedly made a trip to the Middle East during 1964 and 1966, the Detroit Office was instructed to conduct additional inquiry in connection with [REDACTED] whose name has previously come up during the course of this investigation.

FROM : SA [REDACTED]

SUBJECT: KENSALT

Re memo SA [REDACTED] dated 6/12/68  
concerning interview of KATHERINE TURRELL,  
Newport Beach, by SA [REDACTED]

Mr. WALTER BAKER, Producer, "Tempo I," KHJ - TV,  
Channel 9, 5515 Melrose Avenue, Los Angeles, California, advised  
SA [REDACTED] on 6/17/68 that the video tape of "Tempo I"  
which was aired on Wednesday, 6/5/68, has been erased. Mr.  
BAKER said this is routine practice. He noted that the audio  
tape of the show, however, is retained.

Mr. BAKER said the show on 6/5/68 was devoted to the  
assault on Senator KENNEDY. Guests on the show were a Rabbi  
KRAMER and a neuro-surgeon Dr. ERNST JOHN PENKA, both of whom  
were not at the Ambassador Hotel, and the following who were  
at the Ambassador:

BOCKER G RUFFIN,  
Publicity Director,  
Negro Industrial Economic Union;

JOHN WILLIAMS,  
Free-lance announcer;

GABOR KADAR,  
Ambassador Hotel employee; and

THOMAS REESE,  
Congressman

Mr. BAKER said the above-mentioned JOHN WILLIAMS  
is a negro and is well known in the negro community of Los  
Angeles. He noted that WILLIAMS lined up KADAR as a guest on  
"Tempo I" and brought KADAR to the studio.

Mr. BAKER said the audio tape or a copy of the audio  
tape would be made available to the FBI if it were pertinent  
to this inquiry.

On the basis of the foregoing, it is recommended that  
the individual observed by TURRELL probably cannot be identified  
through descriptive data and that the audio tape probably  
not pertinent.

The photograph of individuals struggling with SIRHAN was shown to Ambassador Hotel employees. Mr. KARL EUCKER identified himself and Mr. UNO TIMANSON identified himself in the photograph. The photograph has been marked as to the identities of the individuals developed so far.

The individual struggling with SIRHAN, along with GEORGE PLIMPTON, is unknown at the present time. The colored individual, Number 3, has not been identified. Mr. PAUL HOUSTON of the "Los Angeles Times" advised that he believes that this is RICHARD AUBREY, a representative of the Negro Press Bureau of Los Angeles. Mr. HOUSTON stated that he had interviewed AUBREY shortly after the shooting.

The unidentified individuals in the photograph are numbered 3, 5, 6, and 9.

June 18, 1968

ASSASSINATION OF SENATOR ROBERT F. KENNEDY  
LOS ANGELES, CALIFORNIA  
JUNE 5, 1968

[REDACTED] has furnished  
reliable information in the past and is [REDACTED]

b7C  
b7D [REDACTED] requested on June 14, 1968, that the  
following information be called to the attention of the  
United States Attorney, Los Angeles, California, and also  
the District Attorney at Los Angeles, who have the  
responsibility of prosecuting Sirhan Bishara Sirhan.

[REDACTED] learned from sources in Los Angeles,  
Sirhan was in school in the Jordanian or Arab section of  
Palestine and because of this fact was subjected to Arab  
propaganda which no doubt was the motive which prompted  
his assassination of Senator Robert F. Kennedy.

[REDACTED] advised that the prosecutors should  
contact the Israeli consulate in Los Angeles, and/or the  
Los Angeles office of the Anti-Defamation League for the  
purpose of obtaining documentary evidence that the Jordanian  
Government, the Egyptian Government, and other Arab  
countries, as a matter of policy, teach the Arab children  
the importance of vengeance and the necessity for the  
destruction of the Jews in Israel.

[REDACTED] stated that Sirhan was born in Jerusalem  
in 1944, and that Sirhan is a refugee in the true sense of  
the word. Sirhan has been the victim of Arab invasion when  
he lived in Jerusalem and his early memory must have been  
of bombardment in the area of Jerusalem by the Arabs in 1948.  
The Israelis pushed the Arabs out of that part of Jerusalem  
and occupied the Jewish quarters under heavy Arab bombardment.

Page 2

**ASSASSINATION OF SENATOR ROBERT F. KENNEDY  
LOS ANGELES, CALIFORNIA  
JUNE 5, 1968:**

b7C  
b7D Sirhan is supposed to be a member of the Greek Orthodox Church, but was sent to a Lutheran school. [redacted] advised that this could have been a Sunday school and it is known that Arab hatred of the Jews was taught in those particular schools during those particular years that Sirhan attended the schools.

[redacted] advised that when the Israeli troops entered the Gaza Strip in 1956, and when the Israeli Army entered those areas of Jerusalem in 1967, which had previously been under the control of the Jordanian Government, they found textbooks used to teach the Arab children hatred for the Jews.

[redacted] listed an incident wherein the textbooks used in connection with the teaching of grammar, the first two verbs to be conjugated were hate and kill and the object of these two words was "Jews."

[redacted] reported that there is documentary evidence that the Egyptians and the Jordanians taught the Arab children that the highest form of virtue and the most courageous act that they could commit was to "kill a Jew."

[redacted] advised that there is an Arab proverb that is used by all the Arab people, namely, "A friend of a friend is our friend. A friend of our enemy is our enemy." [redacted] pointed out that this, no doubt, was the cultural background of Sirhan and one of the reasons that caused him to assassinate Senator Kennedy, because Kennedy had made statements in California, during the political campaign, wherein he had supported Jewish cause over the Arab cause.

[redacted] pointed out that Mohammed Mehdi, now Secretary General of the Action Committee on American-Arab Relations, stationed in New York, was formerly organizer for the Arab student groups in San Francisco, of 1965-1968. [redacted] stated that Mehdi had the responsibility of making public speeches to American audiences to support the Arab cause, but his first responsibility was to travel throughout the State of California, speaking to Arab students and keeping them loyal to Arab nationalism.

**ASSASSINATION OF SENATOR ROBERT F. KENNEDY  
LOS ANGELES, CALIFORNIA  
JUNE 5, 1968:**

---

b7c [ [REDACTED] has no information that Mehdi was an  
b7D influence on Sirhan, but because of his public statements  
and because of his violent speeches made in California,  
he could have very easily influenced Sirhan.

[REDACTED] advised that Sirhan's background and  
motive for assassinating Senator Kennedy could not be  
considered as a defense because he knew what he was doing  
and was prompted to do so for a political reason.

Date 6/18/681

GERALD BRUNO, [REDACTED] advised he was acting as an advance representative for Senator ROBERT F. KENNEDY during the primary election campaigns and had acted in the capacity during the California primaries.

On June 4, 1968, he left the Ambassador Hotel, Los Angeles, California, about 10:30 p.m. and proceeded by taxi to the Los Angeles Airport. He boarded an 11:30 p.m. flight enroute to Buffalo, New York. During the flight, he was informed that Senator KENNEDY had been shot and he made arrangements to leave the flight at Cleveland, Ohio, and return to Los Angeles. He arrived back in Los Angeles about 10:30 a.m. on June 5, 1968.

He said he knew nothing of the itinerary or plans Senator KENNEDY had on June 4 or 5, 1968, as another advance representative was handling those details in Los Angeles.

## FEDERAL BUREAU OF INVESTIGATION

Date June 18, 1968

Mr. JAMES MC MANUS, [REDACTED] Indiana, advised that he went to Los Angeles, California, on Wednesday, May 29, 1968, from Oregon where he was working on the KENNEDY primary. MC MANUS said he accompanied the motorcade to downtown Los Angeles where he stopped at the Ambassador Hotel for the assignment in the California primaries. MC MANUS said that he was assigned to make arrangements for a working press room which was the Colonial Room of the Ambassador Hotel and a press distribution center which was the North Room of the Ambassador Hotel. MC MANUS stated that he was assisted by ROY BINGER of Malibu, California, and that in addition to making arrangements for the above-mentioned rooms, he and BINGER took over the registration desk of the hotel from approximately 6:00 PM, May 29, 1968, to 1:00 AM, May 30, 1968.

MC MANUS said that sometime between 9:45 and 10:30 PM, BINGER suggested that they take a break by going for a drink to a free bar which was set up near the Embassy Room of the Ambassador Hotel. MC MANUS said while sitting at a table near the free bar, a young man described as 5'3", 120 pounds, dark complexion, with heavy well-groomed black hair, wearing a sport coat with blue stripes and contrasting trousers and a dark tie open at the neck, approached him and asked for the schedule of Senator KENNEDY for the two following days, May 30 and 31, 1968. MC MANUS said his first thought was "what's a Mexican American reporter doing here in Oregon", but then he recalled he was in California. MC MANUS answered that he did not have the schedule but that the individual could obtain the same by going to 5615 Wilshire Boulevard or calling there. MC MANUS stated that the individual then asked what time the Senator would be in that evening, to which MC MANUS answered 11:00 PM. MC MANUS said he then assumed that the individual worked for a radio station in that radio stations send young people who are inexperienced whereas newspaper media are more apt to send older, more experienced personnel. MC MANUS stated that the individual had a Wednesday schedule in his right coat pocket and that he said, "I have today's schedule".

MC MANUS advised that he went back to the registration desk of the hotel at approximately 11:00 PM, whereupon the press contingent came up the stairs. MC MANUS said that he thought the Senator was back in the hotel at this time because of the return of the press contingent.

MC MANUS said he checked people in until approximately 1:00 AM, May 30, 1968.

MC MANUS recalled that he saw the individual the second time between 11:00 and 12:00 during a short trip to the North Room at which time the individual again asked the question regarding the Senator's schedule, whereupon MC MANUS informed him that he must go to 5615 Wilshire Boulevard to obtain the same.

MC MANUS further stated that sometime after he saw the first individual (probably Wednesday morning or early afternoon) two Latin types described as well dressed, olive skin, thin faced, well-groomed dark hair with long sideburns, and wearing dark business suits, also asked for the schedule. MC MANUS added that these two individuals looked enough alike to be cousins.

MC MANUS advised that he left on Thursday afternoon to go to New York City for campaign arrangements there.

Upon being exhibited a photograph of SIRHAN SIRHAN, MC MANUS said that the face on view looked like the first individual, but that he could not be positive. He, MC MANUS added that the photograph looked a little messed up and that he had the impression that the first individual mentioned above may have had longer sideburns; however, he added the photograph of SIRHAN SIRHAN seemed to him to not be totally unfamiliar. MC MANUS said that the photograph of SIRHAN SIRHAN did not in any way resemble the two Latin types mentioned above.

MC MANUS recalled that his first reaction after seeing news media photographs was that he vaguely remembered seeing someone very similar to SIRHAN SIRHAN.

MC MANUS further stated that he could not be certain if it was the first individual in the Ambassador Hotel the night of May 29, 1968, but someone was wearing a pair of dark brown buckle loafers, with a sheen, made of large grain leather with the buckle across the instep. MC MANUS added that he appreciates good shoes, and that for some reason these stood out in his mind, perhaps because they were uncared for.

MC MANUS finally stated that it was possible that ROY RINGER of Malibu, California, may have seen and could recall the first individual mentioned above. MC MANUS added that he did not know

IP 62-1957

3

what RINGER's address was; however, he was sure that he, RINGER, could be contacted through PAT BROWN's Law Office, in Los Angeles, California.

MC MANUS further added that either LISA GWIRTZMAN and/or CONSTANCE CHANCELLOR were present when the two Latin types asked for the Senator's schedule of May 30, 1968. According to MC MANUS, LISA GWIRTZMAN lives in New York City and could be contacted through [REDACTED] (phonetic) [REDACTED] and that CONSTANCE CHANCELLOR could be readily found in the Washington, D. C. telephone book, although her address at that time was unknown to him.

Reurairtel, 6/13/68.

VELMA MARLOW, [REDACTED] Warren, Michigan, advised SA(A) [REDACTED] on 6/17/68 that she was a teacher at the John Muir High School, Pasadena, California, in 1960. She advised that the name SIRHAN SIRHAN is vaguely familiar to her and that it may have been the name of a tenth grade student in her algebra class in 1960. She advised that she cannot recall anything specific about this individual except that his first and last name were the same and for this reason believes that he must have been an average student. She pointed out that if there was anything unusual about him she may remember it, but that she probably had him in her class for only one hour per day and could not remember anything specific about him.

[REDACTED] He stated on 6-16-68, at about 11:30 pm, he was at the Texan Drive-In located on Hempstead Highway, Houston, Texas, when he observed a white Ford station wagon, bearing California license number unknown, parked at a telephone booth near the drive-in. He stated there were two males and 1 female occupants in the vehicle. He advised that it was dark and he does not know their race. He stated that he overheard some of their conversation and one of the male occupants remarked to the driver of the vehicle that "if you don't drive me to Vinton, Louisiana, I'll bring up that California thing." He stated the vehicle then departed from the drive-in and advised that since the vehicle bore California license, he thought it might have something to do with the KENNEDY assassination. He advised that he then followed this vehicle in his car, hoping that he would observe a police officer and continued following the car through Houston on Highway 75 to Galveston, Texas, arriving in Galveston at about 1:30 a.m. on June 17, 1968. He

He stated upon arriving in Galveston, he observed and stopped a police officer and told the officer to "stop that car, I have been following it." He stated the officer then took him to the Galveston Police Station and charged him with being drunk. He advised that he was not drunk to his knowledge, but had been drinking four or five beers. He stated that he definitely did not at any time claim that he was an FBI Agent and the only thing he told the officers was that he was trying to contact the FBI. He further advised that he is not an employee of the FBI or any other branch of the U.S. Government and has never been an FBI employee.

██████████ he had no further information concerning the occupants of the white station wagon, heard no remarks regarding the KENNEDY assassination and that he only assumed that they may have been associated with it. He stated he told the same story to the Judge at the Corporation Court at Galveston and the drunk charge was dismissed.

AUSA RONALD J. BLACK, Houston, Texas, declined prosecution concerning the impersonation matter, stating no violation of the impersonation statute.

On 6-13-68, the Boston Office received an anonymous letter enclosing two newspaper photographs, copies of which are enclosed herewith for Los Angeles and New York.

The enclosed photographs are of SIRHAN B. SIRHAN and of a mob of students mixed with police at Columbia University, New York City. The letter points out a similarity in looks between the newspaper photograph of SIRHAN and one of the individuals in the photograph of the Columbia University students and police. The student in the mob scene is seen standing near student leader MARK RUDD and is designated on the photo by a check mark.

The anonymous letter did not contain the date or the name of the newspaper from which the student-police scene was taken. It is indicated that it is a UPI photograph.

The above data is being set forth for information. No leads are being set forth for the New York Office inasmuch as this is being left to the discretion of Los Angeles, which office may have information relative to recent activities and travel of SIRHAN, thereby positively eliminating the possibility of his presence in the spring riots at Columbia University, New York City.

Dear sir:

What I write might not make any sense but I want to get it out of my mind. It concerns the assassination of Senator Robert Kennedy. I don't have time to read the paper or have much of a chance to listen to the television but I can't understand if he killed Robert Kennedy why he needs lawyers from over-sea or United States if he is guilty or are those lawyers coming from London just a fake to put Sirhan away. Sure they may be searched for weapons when they are going to talk to the prisoner, but I have heard that even a little pill or medicine injected by

needle can take a man's life  
or are they waiting for the  
guards to get a little careless

RFK ASSASSINATION INVESTIGATION

YOU MAY THINK THIS IS "IMPOSSIBLE" BUT THE FOLLOWING FACTS ARE TRUE. IF YOU CHECK THEM OUT YOU MAY BE ABLE TO PREVENT ANOTHER ASSASSINATION OR MORE.

THE CONSPIRACY INVOLVED IN THE SIRHAN KILLING OF RFK IS AS FOLLOWS:

JESSE UNRUH PLANS TO BE ELECTED U.S. PRESIDENT IN 1968. WITH ALL THE POWER GLORY AND PRESTIGE CONNECTED WITH IT. HIS FATHER IN LAW, RAY LEMON, A FORMER L.A. POLICEMAN, WANTS TO GET TO THE WHITEHOUSE MAINLY FOR PRESTIGE AND TO LOOT IT AND TRANSFER MANY OF THE VALUABLE HEIRLOOMS TO THE LEMON HOUSEHOLD, SINCE HIS SON IN LAW IS A MAN OF PROMINENCE. HE'S GETTING OLD AND CAN'T WAIT MUCH LONGER. BOTH FEEL THE TIME IS NOW.

WHEN UNRUH GOT THE CAL. CAMPAIGN MANAGEMENT FOR RFK, HE SAW HIS BIG CHANCE. LEMON COULD, AND DID, SUPPLY THE PERFECT PATSY, A YOUNG FOREIGNER WHO WAS AROUND THE LEMON HORSES AT THE TRACK, WHOSE BROTHER HAD BEEN IN TROUBLE WITH THE POLICE, AND WHOSE NAT'L FEELINGS WERE EASILY FANNED INTO RAGE UNDER THE CAPABLE BRAINWASHING OF RAY LEMON. LEMON HATED RFK AND BLAMED MOST OF THE TROUBLES OF THE WORLD ON BOBBY KENNEDY. SIRHAN BELIEVED HIM AND AGREED TO THE PLAN AND WAS PROMISED THAT IF ARRESTED HE HAD NOTHING TO WORRY ABOUT AS LONG AS HE SAID NOTHING ABOUT UNRUH OR LEMON. HE WOULD BE FREED THROUGH THE UNRUH POWER AND THAT POWER COULD BE USED FOR OR AGAINST HIM. IT WAS UP TO SIRHAN. INVOLVEMENT MEANT DEATH FOR SIRHAN AND HIS FAMILY.

THE KILLING OF RFK WAS STEP ONE. STEP TWO IS FOR UNRUH TO HANG ONTO ALL THE DELEGATES COMMITTED TO RFK AND GET MORE. STEP THREE IS TO SCARE MC CARTHY OUT OF RUNNING, OR KILL HIM IF THAT DOESN'T WORK. STEP FOUR IS FOR JU TO EMERGE VICTORIOUS AT THE CONVENTION AS THE "UNCOMMITTED CANDIDATE" WHO WILL CARRY ON THE RFK IDEALS, ETC. JU THINKS THAT OTHERWISE HE HASN'T MUCH OF A CHANCE.

THESE FACTS ARE TRUE. WE HAVE HEARD THESE PLANS DISCUSSED BY THOSE INVOLVED.

CHECK THE LEMON TRIBE FOR THE WOMAN WHO WAS WITH SIRHAN TO SEE THAT THE PLANS WERE CARRIED OUT, AND FOR THE ONE WHO LURED RFK DOWN THE KITCHEN HALLWAY.

YOU WILL HAVE TO USE INGENUITY IN BRINGING THESE FACTS TO THE COURT AS JU AND RL ARE JUST AS GUILTY AS SS. RL & JU FEEL THAT THESE FACTS MAY HAVE LEAKED OUT, BUT THAT FEAR OF JU'S POWER WILL KEEP MOUTHS SHUT.

Dear Miss Wherry:

Your letter of June 10th has been received and it was indeed thoughtful of you to write.

Although I certainly appreciate your kind comments, Special Agents of the FBI were not performing protection services at the time you mentioned. Since the assassination of Senator Kennedy the President has made the protection of presidential candidates the primary responsibility of the United States Secret Service. At the request of the President, the FBI will assist that agency in affording protection to these persons when called upon to do so.

I have forwarded a copy of your letter to the Director, United States Secret Service, Washington, D. C.

Sincerely yours,

J. Edgar Hoover

The [redacted] advised she does not know where either of the [redacted] work and stated her records fail to indicate any tenant by the name of [redacted]

On the night of 6/19/68, [redacted] telephonically contacted SA [redacted] and an appointment was made to interview her at 9:00 AM, 6/20/68.

On 6/20/68, SAS [redacted] contacted [redacted] at her residence and she advised as follows:

[redacted] have been married for about 15 years and during that time [redacted] will often leave home for weeks at a time and she does not know where he goes but he always returns. She said [redacted] left about the middle of May and did not return home until last weekend. She does not know where he went or what he did during this period, but she thinks he visited his sister in Milwaukee, Wisconsin. She advised [redacted] has had three serious operations in the last three years and his behavior has been erratic since that time and he often drinks to excess. She stated she is sure [redacted] was not at the Ambassador Hotel on the night Senator KENNEDY was shot but she does not really know where he was. She stated [redacted] does not have any strong political feelings of any kind and she knows he does not have any weapon of any kind. b7D

She stated she did not inform [redacted] of the FBI's visit and he left their apartment about an hour ago to get some cigarettes and has not returned. She stated this is just an example of his irregular behavior. She advised her husband is about 65 years old and is a [redacted] who usually works in an ambulance although to her knowledge he has not worked regularly for over two years. She stated he does not belong to any organizations and can usually be located at the Sandman Bar.

She stated that last Sunday she accompanied him to the Sandman Bar where they had a few drinks and then went out to supper. She recalls there were several other people in the Sandman but [redacted] did not engage in any arguments with anyone."

[redacted] was located at the Sandman Bar, Canyon and Long Beach Blvd. and voluntarily advised that he was out of the LA area from 5/17/68 until last Sunday. He advised he does not own any weapon of any kind and he was not in LA much less being at the Ambassador Hotel the night Senator ROBERT F. KENNEDY was shot. He advised he was returning from Milwaukee and was in Kingman, Arizona when he heard

of the KENNEDY assassination. He stated he was at the White Rock Motel on Route 66, Kingman when he heard the news. He stayed at the motel the night of 6/4-6/5/68 and the motel records will verify this. [redacted] he can think of no reason why anyone would say he was at the Ambassador the night of the killing and cannot think of anyone who would make such a malicious statement. He stated he frequents numerous bars in the Compton area but knows of no one who would make such a statement.

[redacted] Sandman Bar advised he has known [redacted] for several years and has never known [redacted] to express any strong views toward any political figure and although [redacted] often drinks to excess, he has never known him to be violent in any way. [redacted] said he also knows [redacted] and knows that they are separated quite often due to [redacted] erratic behavior. [redacted] stated he has never heard either of the [redacted] mention that [redacted] has any kind of weapon and he has never heard anyone say anything that would indicate that [redacted] has any kind of firearm. [redacted] that last Saturday and Sunday (6/15 & 6/16/68) an acquaintance [redacted] was in the Sandman looking for [redacted]. He stated that [redacted] an unemployed white male wanted to find [redacted] as he claimed that [redacted] had stolen a set of tools from [redacted] [redacted] told [redacted] he had not seen [redacted] and did not know where he was and [redacted] stated "he would get even with [redacted] for stealing his tools. [redacted] had several drinks each day and both times left the bar in a very angry mood.

[redacted] was contacted at his residence and advised he has been looking for [redacted]. He said that [redacted] in May, 1968 in [redacted] 1960 red Plymouth and agreed to return them to LA but after staying in Texas for one week, [redacted] left to go visit his sister in Wisconsin and departed with [redacted] in the trunk of his car. [redacted] stated he has been looking for [redacted] since [redacted] returned to LA last weekend. [redacted] advised he knows [redacted] and that she resides at [redacted] and that [redacted] are often separated. [redacted] denied that he telephoned the FBI to make a complaint about [redacted] and stated he did not know anyone by the name of [redacted]. [redacted] frequents the Sandman, John's, Glen's and the Pump Room.

In view of the investigation conducted, the fact that [redacted] was in the Kingman, Arizona the night of the assassination and the possibility [redacted] made the complaint, plus the fact that the complainant furnished a fictitious name and address, no further investigation is being conducted regarding this complaint.

Director J. Edgar Hoover,  
Federal Bureau of Investigation,  
Washington, D. C.

Dear Mr. Hoover;

You more than deserve the honor given to you as "Man of the Century", and I want to send you my congratulations for your continued faithfulness to duty to protect our nation, in these times of great deception. You have been a promoter of truth and seek it as a way of life, that justice might live with us. I know that you are a modest man and I will say no more. More than this honor, it is a great comfort to me to be able to trust you and know that you are a Christian, and it is these qualities that give you the honor of being "Man of the Century".

I think that all good American citizens must do all they can to aid the work that you are trying to do, that our Nation might be a safer place for our leaders and all men. So any hint of help that I feel that might be considered, I feel it might duty to contribute to what might become part of the truth or a factor to the finding of a truth.

Almost daily I take lunch at Bard's Restaurant and about May 29th, at a back table were two young men, one of whom I believe was Sirhan. He was small, fine featured, olive skin with the bushy forelocks. I had seen him before several times in the last few years. I was told that he was from Jerusalem. He was always in the company of this same friend. I know nothing more about him, but that the picture in the paper of Sirhan was very striking to the person that I have seen here in Little Rock. Please trace this and find if he had stayed in this city at various times, as much as two years ago.

I feel that there are Communists that work through such groups of young boys, beginning in such camps as the Kiwanis Clubs for boys and they concentrate on underprivileged youth. When I observed the young man that looked like Sirhan, I placed him in my mind as might being a representation of this group.

I read that Sirhan asked for two books on the mystic and this is often followed by the Eastern mind. I think he will read and later practice it, for he is seemingly of such nature and temperament. I think he will use this as a means of eventual escape, and although it seems far fetched to the western mind, he might attempt and succeed at it. For an example, under self-hypnotism, he could feign death and lower his heart beat and pulse and even be legally thought as dead.

And through this means with outside friends make a disappearance with their help, between the declaration of death and the processes of pre-burial. There is a fad of three that are experimenting with this underground life and this might give those desiring escape a plausible idea. I think that Sirhan would be the type to try it, for this would have appeal to his nature. If he would succeed in such a thing, in later years, he could become a mystical leader among the Arab cults. I do not believe that he will ever be brought to final justice for the slaying of Kennedy. I think that Satan is going to have him serve his purposes in these last times. I do not feel that he was alone in this act, but was carefully instructed and encouraged and it was inevitable to have happened.

One of the best protective measures for all candidates to take is to have at their appearances a ready doctor, nurse and fully equipped van, bus or ambulance, with a clear path to it, for any physical mishap and for immediate care and professional attention. Time is always a major factor and it might save someone, for having such convenience.

The Lord gives to those that love Him, eyes and ears to see and hear through the gifts of the Holy Spirit, that the physical cannot see and hear.

The Bible is the living word and speaks readily to the heart of those that seek to be taught, informed and comforted in the ways of truth. Before Robert Kennedy expired from this world, I turned to Lamentations under the direction of the Holy Spirit and read Chapter five of this book. It holds much direct truth that relate to our country's reproach. There is a famine of this country for the lack of teaching and hearing the bread of life in God's written truth. Verses 3,4,5,6,7,,8 9,12,13,15,16,17. V. 21. Turn thou us unto thee, O Lord, and we shall be turned; renew our days as of old.

For you and your faithful men of the Bureau I send Isaiah 54:17, as a verse of faith. No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord.

Respectfully yours,

## FEDERAL BUREAU OF INVESTIGATION

Date 6/19/68

DAVE MURRAY, Reporter, "Chicago Sun Times" Daily Newspaper, was interviewed at the offices of the newspaper, 400 North Wabash Avenue.

He related that he was present in the Embassy Room of the Ambassador Hotel, Los Angeles, at the time of the assassination of Senator ROBERT F. KENNEDY. He stated that immediately after making his short victory speech, Senator ROBERT F. KENNEDY was scheduled to go to the Colonial Room within the hotel for an interview by newspaper and periodical correspondents. He related that the Colonial Room had been set up as a press room. He said the Embassy Room was extremely crowded and although this was hearsay he heard that Senator ROBERT F. KENNEDY took the route he did; that is, through the kitchen, in order to avoid the crush of the crowd in the Embassy Room. He stated that Senator ROBERT F. KENNEDY appeared extremely tired, the corridor he normally would have taken from the Embassy Room to the Colonial Room was extremely crowded with people, and he believes Senator ROBERT F. KENNEDY's aides probably decided to go through the kitchen to get to the Colonial Room so he would not be mobbed by the crowd. He stated in this regard that DICK DRAYNE, Press Secretary to Senator EDWARD F. KENNEDY, who was working for Senator ROBERT F. KENNEDY in Los Angeles as a press aide, might know why Senator ROBERT F. KENNEDY took the route he did which culminated in his assassination in the kitchen. MURRAY believed that DRAYNE may be able to at least shed some light on who made the decision to take this route or possibly why it was taken. He said DRAYNE can be located through the Office of Senator EDWARD F. KENNEDY in Washington, D. C.

Regarding other Chicago newspaper correspondents present at the Ambassador Hotel at the time of the assassination, he related that he believes there were no Chicago based correspondents at the hotel. He said that BOB ROSE of Los Angeles is the west coast representative of the "Chicago Daily News" and while he did not see ROSE at the Ambassador Hotel, he did see him at the hospital to which Senator ROBERT F. KENNEDY was taken. He said ROSE can be located in Los Angeles through the

wire services or any of the Los Angeles newspapers. He further related that SY KORMAN is the west coast representative of the "Chicago Daily Tribune" and while he did not see KORMAN at the Ambassador Hotel, he feels quite certain that KORMAN was, in fact, present at the hotel. He related that KORMAN can be located through the wire services or any of the Los Angeles newspapers.

In addition to the foregoing, he stated that TOM LITTLEWOOD, Washington Correspondent of the "Chicago Sun Times", was also present at the hotel at the time of the assassination and he resides in Washington, D. C.

MURRAY said that he did not observe SIRHAN prior to the time of the assassination. The first time he saw SIRHAN was after the shooting in the kitchen when RAFER JOHNSON and ROSIE GREER had SIRHAN flattened out on a table and were attempting to wrest the gun away from him. He said that at this time the gun was waving wildly and the confusion was extreme. He said by way of reiteration that he believed Senator ROBERT F. KENNEDY had not changed his plans to go to the Ambassador room, but merely his method of going to the Colonial Room in order to avoid the crowd in the Embassy Room. He did state, however, that this is hearsay and he has no actual knowledge this was the case.

Hi;

Hey, what gives out there? How come you have to import some dumb arab to shoot the senator from NY? It figures an arab did it, he screwed it up. I heard the news this morning at 5:30. You can bet your butt if I had shot at him or him in body, he'd be dead. It figures, if he hadn't been shot out there, he would have been shot somewhere else. Shame, I have to admit. Now this makes him a hero. Oh by the way, I used to have a beer at that place. Ambassador, wasn't it?

Your letter came Monday, but I was too tired to go and pick it up. Late last night, read it. -I must say, Sharon is no longer the little teenager I met out there and in Niagara, but quite the young and attractive young lady. Mari picked out a graduation gift for her, and I bought it. Sent it out last Saturday past. It may not look like much, but it is solid gold. Hope she likes it.

As for the Florida trip, forget it! A little rider on the prize such as buying property when you get out there.

I'm trying to get John to come here, but who is to take care of him while I'm working? That is the part that bothers me. So far, no apartment. I did put \$300 deposit and rent on a place, but haven't received a call yet.

Weather has finally settled and I'm back to work. Turning balck as coal and sleeping at nights.

Re: [REDACTED] also known as [REDACTED]

On June 7, 1968, [REDACTED]

[REDACTED] advised that [REDACTED] is currently staying in unit 25 and has been registered at the motel since April 8, 1968. She made available his registration card, which revealed his home address as [REDACTED] New York. The card indicated he represented the [REDACTED]. His car license number was shown as New York [REDACTED].

[REDACTED] advised that [REDACTED] does some type of construction work and that he is usually in his room during the evening hours. [REDACTED] maintains a record of long-distance telephone calls made by residents of the motel, and upon checking this, advised [REDACTED] has made no long-distance calls. She said [REDACTED] frequently calls a woman at telephone number TR 4-0900. She believed this woman may be a girl friend of his and he refers to her as [REDACTED] (phonetic).

The R.L. Polk Company, Detroit, Michigan, maintains a 1967 City Directory for Niagara Falls, New York. A check of this directory reveals one [REDACTED] residing at [REDACTED]. It was indicated he was retired.

The 1967-68 Cross Index Directory for Detroit listed telephone number TR 4-0900 as being for Merchandising Directors, 7338 Woodward Avenue.

On June 13, 1968, [REDACTED] was interviewed and furnished the following information:

[REDACTED] advised that he has always been outspoken against former Senator ROBERT KENNEDY. He called him a "carpet-bagging S.O.B.", said he has always hated him and never hesitated to let anyone know how intensely he hated KENNEDY. He has told people in the past that if the Senator was not "hit" in New York, he would get it elsewhere.

[REDACTED] readily admitted his dislike for Senator KENNEDY, he denied that he himself would have taken any physical action against the Senator. He denied knowing the accused assassin, SIRHAN SIRHAN, and denied any knowledge of the shooting.

[REDACTED] he had more respect for former President JOHN F. KENNEDY because of his stand against the Russians during the Cuban crisis and his actions against big business.

[REDACTED] he worked as [REDACTED] from approximately 1959 to 1966 when he was forced to take a medical retirement. [REDACTED] which caused him to later retire [REDACTED]. He exhibited a card dated December 21, 1965 from the United States Civil Service Commission, Bureau of Retirement and Insurance, stating that [REDACTED] has been retired from Civil Service of the United States and has been granted an annuity. This card bears the number [REDACTED] said his annuity amounts [REDACTED]

He said he registered at [REDACTED] and should have put the word "retired" after his employment. He said he was unemployed at the time he registered and had he indicated that fact on the registration card, the motel probably would not have rented the room to him. He is currently employed as a laborer for [REDACTED] Michigan, [REDACTED]

Except, I beseech thee the free will offering of my mouth. (Ps 119:108)

FBI,

You asked for it.

When a police officer arrests a person he basically has no hate for that person neither a just judge when he passes a verdict. Thus in my reference to people, nations, or groups is not a hate but as the LORD directs to "Sweep away the refuge of lies" (Isa. 28:17). Also GOD says, Dan shall judge GOD'S people as one of the tribes of Israel. (Genesis 49:16). GODS law not Jew- Judah, Judge and Jury. designed to belittle GOD's laws and increase sin.

The Jew (Judah) is only one of the tribes of Israel but they have spread themselves over the world and like a Jew owned store, the Jew sits in the background and pulls the strings while the gentler gentiles meet the public. GOD calls the Jew treacherous, hard hearted, and stiff necked. God divorced the Jew before they wrote the new (Jew) Testament. There the Jew gave angels wings - (now the flying nun) and laws that made a nation good were used in the Jew testament in ways to belittle GOD's laws, such as the stoning of the whore which kept a whole nation straight. The hand that rocks the cradle, Now USA supreme court just passed no death penalty for murderers. *Hell's fire invented in Jew Testament.*

The Jew lie and call themselves Israel - Israeli. There are twelve tribes.

The catholic church, owned by the Jew, is the biggest business in the world. Their code book is the King James bible to place the blame on the protestants, if caught. If one is excommunicated from the catholic church he is an ex-communist, everything belongs to Rome, Jew. The Jews news have us watching Russia while the Jews plan to take over USA and world by catholic strength.

A glimpse of the RFK and accused killer. Basically the Jew hate the Arab first and for a reason. but one Jew trick was "teach us to throw live crabs (arabs) in boiling water" - this is what the Jew intended to do with the arabs in reality. The reason is simple: The Arabs are half brother to the Jew. The Arabs are first born which makes the Arabs rightful heirs to the promised land. Abraham had a wife named Sarah. Sarah was childless so she suggested Abraham go to bed with her Egyptian maid, which Abraham did and Ishmael was born and He is the father of all Arabia. Later Sarah conceived and from her child came the line to the twelve tribes of Israel. Reuben (Russia) was the first born of Israel so Russia is second in line after Arabia. Thus the Jews News causes us to hate Jordan and Russia because the Jew has already stolen the promised land and wants no argument. Thus the hate in the Jews news and Mayor Yorty conviction of RFK said killer before the trial has started. As in the Russian Oswald case the evidence was pre-planted before the said assassination with witnesses like Mayor Yorty that swore to anything the Pope desires. They maneuvered Oswald into position at the proper time and keep his mouth shut by a Catholic who was allowed to shoot Oswald. According to code and the Bible JFK is not dead but in San Juan (St John) Porto Rico in Nun's clothing "The flying Nun".

The bible verses: P.T. Boat 109 is Psalm 109:8 and 19. Verse 8 says, Let his days be few and let another take his office. They dumped John and Robert's Veit mess in Johnson's lap in Johnson's state, within moments LBJ was sworn in. Verse 19 says, Let it be unto him as the garment which covereth him, and a girdle wherewith he is girded continually. (Nun's clothing) (San Juan)

This Psalm 109:8 with many other verses of scripture I sent to FBI in Washington before the assassination also to John. Within hours Jackie flew to the Pope. JFK went over more leisurely later which broke his vow in public that he would not seek Catholic advice to run USA. In a pack of wolves, if one wolf is wounded the pack devour the wounded wolf. This it was with JFK as in gangster stories the wounded John ran to the Pope and the Pope ordered his removal, because among other things I disclosed the soul of John F. K., as that of Killer Cain (Genesis 4:8,9). Note that Jackie who has the soul of Jezebel the cruellest woman killer and land grabber of the bible, is generally some-

placenear the scenes of ( ) Killings. Adlia Steveson wa. )oceeded by Jacky over to England a little time before his de ath. At Libertyville, Ill. I had revealed to Adlia that he had the soul of Satan the serpe nt (ader). Within about a month after that and Jackie's England trip Adlai the serpent bit the dust. GOD says, (serpent) upon thy belly shalt thou go and dust shalt thou eat (Gen 3:14). Don't overlook Jackie's presents near RFK's shooting. Jew-Rome crew act out the bible in the ir own way; like the sinking of the Titanic in 1912. The wounded Titanic was passed by on the otherside 10 miles away by the S.S. California (Catholic state). The code; Luke 10 :31. "Apriest when he saw the wounded man passed by on the other side." The S.S. California heard the Titanic S.O.S. and deliberately refused to rescue. Pope -preplanned orders.

From my other writings which you have, you may be sure RFK was a well wounded wolf whe<sup>n</sup> the Pope wolf pack ended Roberts career. I had written letters to the Pope of my writings of Robert. The accused killer was picked from this race track to connect me, which of course GOD had me inform you af My address ahead of time, this reason I was unaware of at that time. They follw basicly the same pattern so that their wise crew can follow the code. On the cover of L.A. Times TV guide for the week of RFK'S killing, was Zimbalist the TV -FBI man with gun ready. (Zimbalist - Z, last ball is). News said while Rose Kennedy waited at hme for hospital report on Robert she bounced a tennis (finnis-end) ball a few times. They generally get in a little code. Ball-Baal - children of the ungodly Baal god (I kings 18:-etc.)

Among leading papers for code are LA Times, Chicago Tribune, etc. Paper is Pope heir. News -Jews. Alcoholic - Catholic. Magazine -age of Zion -zoo -Jew.

When the navy ship pueble was said to be caprured, I was in Miami, Flo. I decoded the newsgand discovered the crew ship had deserted the veit war but not USA. and saught assilem in North Korea. The LORD had me hold the copy for a day or two days until LBJ sent other Navy craft in threat to recapture the said captured Pueblo. Then the LORD had me send LBJ the decoding by Telegram. The rescue ships were withdrawn which probabaly everted a struggle with guns.

In 1960-1 After the LORD had given me a schooling in Catholic practices in accordance with the bible using not only the King James bible but the two Catholic bibles, the Douy and the conferternity bibles. The LORD directed my writings to Pope John showing how their practices were contrary to GOD's word (Details if you desire - JEK got the same in 63). I also showed Pope John that he had the soul of the writer John of the Jew testament. Soon the Vatican started to cancell him out with cansor. (Cansor is planted). B<sup>E</sup>couse of my frequent moves to gather more information as GOD directs I keep no records myself. Others forgotten have dissapeared from veiw aftermy attact using GOD'S word as HE directs. GOD says, Pay the mean men double (Rev 18:6 Isa. 3:7) but the only weapon I employ is God's word as and when GOD directs - my own way is futal. The Jew Goldberg recently resigned from the UN and got a cold sholder from LBJ. That took about 3 open face cards, mail. The postmaster general bowed out, saying to join Kennedy. Jews news tell the News behind the news only when they or their church can reap a bermifit. The ungodly Zip code numbering (I Chronic 21:1 etc.). Lyndon B. J. would never reaveal the hidden reasons why he has refused to run again.

At Lynda's wedding, LBJ's angered speach at my decoding the wedding symble<sup>s</sup>. Then down to Floida to make a speach in front of the Union. I could have heard him as well<sup>l</sup> if he had stayed at homw.

The multi air crashes with their code numberdead, and other detales.

The reason the Munsare doing the strip tease in public now and priest and Nun marrying- it's all in using the bible that they never read or beleive.

Birth controllnews is Catholic awakening to scripture verses that have been in the bible for thousands of years. The changing of the use of Latin in mass to local lingo is still growing, Yet the catholic is still un aware the reason for the change when the bible has not changed, also fish Friday relaxed, etc.

Hyphens  
1963

The awakening of non-catholics to the Catholic planing to take over USA and make all north america Latin speaking is well under way. Latins keep their own tongue for this purpose. Store hire bi-linguists to further employ Satan's Latins and gradualay run all business for the take over. A person who truley desires to be a good USA citizen will drop his native tongue and use USA lingo. The Japanese require no interpreter at regular stores yet when this comes to a head the Jew - Roman crew will poin t at every one else. JFK Cuba Latin pushin to USA for any spanish speaking person - Just say, I'm from Cuba. This was our everloving JFK contibution for unamerican Rome - Jew. The Jew "Blue card" (Cardinal Catholic) for Mexican's into USA is owverwhelming. This is where KENNEDY gained much power with unamerican voters who plan to dominate USA. I wrote LBJ on this some weeks ago. He turned Robert down when Robert came to see him.

When one abuses a high strung horse you know he is going to jump but you may not know which way or how high. thus it is with writing for GOD, but of course GOD knows as he knows just what to expect of each soul. The reaction in the news has been sometimes most rewarding. Yet so few know why.

Is the waxed figure still in JFK's casket? When I was at Cincinatti, Mother Oswald came as you will remember to clear her son's name. LBJ knew I was there and during that time LBJ and Jackie went out one evening and directed the moving of JFK's casket. Only a little note in the news no one else was invited. Did they switch caskets with a real decayed body inside or did they remove the wax figure and replace it with another body? LBJ has many answers as does Jackie and Pope crew. Robert's burrial is planned for Satan Satuday in Arlington (our lying tongue) cemetary. You have to be a child of Satan to get in that one. I wrote Arlington cemetary some time ago a small too short post card. GOD says, They were not ashamed when they committed abomination, neither could they blush.

Another code navy sinking was a couple of winters ago. The ship had a name that was from the bible. (in part, I don't remember). It sank in Lake Heron (Now hear this). 33 died - John 3:3 - Ye must be born again (suckers). One escaped. Job 1:16 - I only am escaped alone to tell thee. (blame on GOD - icy, widy, turbulent). Matt 10:42 - If you give in the name of a diciple a cool cup of water ye shall in no wise lose your reward.

The Speck murder trial of 8 nurses killed. (Iforget the code.). One nurse escaped to tell (Job 1:15). I alone am escaped to tell thee. Speck is inocent if they havn't killed him yet. He has the soul of a child of GOD. "It's the Luck of the Irish". Isa. 42:22

If these decodes and writings help make it a better world to return to the next time my soul comes up it will surely be worth the effort in this generation. I was dumped in the icy water with the Titanic and I came back in this body over a year later. GOD says, pay the mean men double and forgive them not. This is contrary to what the treacherous Jews would have us believe in the Jew testament and court rulings are lighter to save their own skin when caught. Earl Waren (early warning) cheif justic supreme court. Justic - just us Jews.

The Whitestar Line onwed the Titanic and the company was taken over after the Titanic sinking by cunard lines, White star line went broke. "It's the luck of the Irish" that these things hapen and catholic companies take-over. Now you see the result of many letters - The Queen Mary and Elizebeth and Yatch sold, etc.

If my misspelled scribblings were gathered from the many parts of the world I'm sure it would make quite a volume.

One letter to Khrushchev from Jeffers, Minnesota in 1963 and he and his wife disappeared almost from sight. GOD says, the meek shall inherit the earth. Surly, he is among the meekest. If RFK had responded to 10 letters as easily he would have been alive to day, I suppose. LBJ pulled his horns a few times but his pope backing through Luci - confession booth to Pope strenghtens his striving against GOD. Each person must be handled differently each ingrown soul has it's own trates, no carbon coppies to deal with another person as GOD desires.

RFK kennel Kennedy was fully aware his last soul hangout will be in the dog knigdom hell, when he lost in Oregen he said, I may send the spotted dog home. He realy knew his leper soul could never change it's spots. At the shooting the poka dot spotted dress. In Forum (Rome) Cafeteria, broadway, LA. the "Spot" light special: They are on the spot. They believe it - it is fast closing in.

A glimps into the food world: Resturants come from rest you ants Proverbs 30:25 The ants are a people not strong, yet they prepare their meat in the summer (simmer). Hungry as a bear? Snack bar: (Isaiah 9:20) He shall snatch on the right hand, and be hungry, he shall eat on the left hand, and not be satified, they shall eat every man the flesh of his own arm. Jew - Catholics are Vatican canables, "can" abels children, Point at the head hunters of Africa. Salami - soul am I. Weiner - we in here. Salisbury steak & soul is burried, your mistaken.

Many bible verses tell us that the children of man, not children of GOD, will return to animal, vegetable, and mineral (Rockefeller). Which Nun wrote the song: "Would you rather be a fish?" They give themselves away if we only listen. GOD sowed the house of Judah (jew) with the seed of beasts. (Isa. 31:27): Rabbi - rabbit. Cat-Catholic Nun - bunnie. monk- monkey. Priest - Beast. Cardinal - bird. Bishop - fish up. Minister - minnowsteer. Chapel < see ape hell. Chaplin - see ape lying. Baptist- ape it is. Papple POpe - apd all. "My wild Irish rose" - the Irish green - (sign) Keep off the grass your feet are killing me. GOD says, I will heal their back sliding I will love the freely. It is true the violist ungodly person one can love and enjoy in the form of flower, bird, animals, etc. with exceptions.

Three glimpses of Ladybird and LBJ from the bible: Daniel 7:4 The lion hearted man with bird wings clipped. Also Hosea 11:10-11. Lion and bird, and in the book of Judges 14:9 we find Lyndon the lion dead and a swarm of bees hived in his dead carcass, Lady bird was the queen bee. Lyndon has the soul of Richard the Lion hearted. Do you really think he has changed for the better (Veit)? The Johnsons have long know this as do others.

I can give you the scriptures on the things written, the LORD willing, but most people never take the time to look them up. People seldom believe unless they are taught by puppets from the pulpet.

You are aware that Robert Kennel had the soul of Booth that shot Lincoln. Most gangsters are catholic.

Some who read this may have gone down with me in the Titanic, GOD knows where to place each soul where it can be reached. Age is not the answer some children die young so any age under 55 is posible.

Legion comes from the man in the bible named Legion who was full of devils (Luke 9:30). Legionares are Legion heirs or errors. we know that some service men are killers at heart, Rome tells us they are full of devils. (Not all)

Cosmetic females: monkey see - monkey do. White females who are not satisfied with the way GOD made thier features and paint their face, nails, and die their hair will have their soul placed in a negro body next-generation; also men who lust after that type girl will see black from the inside next time up. Don't hurt that negro it might be your grandfather. (daniel 12:2,13) GOD says, Many of them that sleep in the dust shall awake, some to everlasting life (children of GOD), and some to shame and everlasting contempt. GOD says, I will take the foolish things to confound the wise, and things that are despised have been chosen. (That's why he chose me)

Zech 11:15 I Cor. 1:27-28

RFK shooting: 22 pistol - 22 witnesses at the trial; Lid ordered clamped down. (Isa 22:22) The key to the house of David will I lay upon his shoulder: so he shall open, and none shall shut; and he shall open shut, and none shall open. (Lid clamped down).

RFK death at 1:44 AM - 14 thousand visit breir NYC. (Psalm 14:4) GOD says, Have the workers of iniquity no knowledge? Who eat up MY people as they eat bread and call not upon the LORD.

No one checks up on Doctors, funeral directors, etc. Was RFK's body used for Jewish salami, weiners or Salisbury steak or did they switch and use a wax dummy while the spotted dog Robert escaped, news men spoke of ambulances leaving mysteriously. The mid night hours are generally the time when they switch babies of NUN's with children of GOD's children so that children of GOD parents have Satan's children in their house. (read Dale Even's book, "Angels unawares". Where did you think priest and Nun children went? (I Kings 3:20) She arose at midnight (Rose Kennedy) and took my son from beside me and laid her child on my bosom. What do the everloving priest and Nun's do with GOD'S babies? (Exodus 1:22) (22 pistle) every son that is born ye shall cast in the river (salami) and every daughter ye shall save alive. Why are there millions more females than there are males? Johnson helps by wars, too.

The baby deal that was pulled in Callander, Ontario, Canada with the Dion Quintriplets: With the help of 5 Nun's pre-planned and timed to gain glory and money for the Catholic church. It's the Luck of the Irish. One girl had to die (Dion) sooner or later to fulfill the name. The doctor was the Foe (DeFoe). Charity is the bottomless pit (Rev. 20:1) The Catholics and their crew always beg for more. Money flowed into Callander by the millions. A new (Jew) hospital was built and all roads lead to Rome. Amelia Earhart never made it around the world because she didn't have a Catholic medal hanging on her dashboard as did Lindy that had 2 Spirit of St Louis's and a Catholic medal (Paris - Pair us). It's the luck of the Irish. Amelia called to a weather station for a position check and some one pushed the radio controlled bomb in her plane, she never answered again, she was getting too close to the finish line. Like Oswald they were afraid Lindy would talk so they kidnapped his boy to keep him quiet, again when he and his wife Ann were taking off they were almost hit by another plane that was on the down wind side of the air port in the way of planes taking off. The blame was of course placed by Jew's news on Lindy. Lindy silenced.

A good example of Catholic Charity was in a Catholic Magazine a mission priest advertised that he needed a mimeograph machine that would cost over \$400.- and as a priest's demands are considered law to many Catholics he said send \$10.00. Out of the thousands of readers of that magazine if only 100 loyal Catholics responded, it would be \$1000.00. This is the way charity works, show a picture of a crippled child and a helping hand and the gullable public bring out their money, no one ever checks up. They use actors, police chiefs, Fire chiefs, presidents and any big name that will bring a buck. It doesn't matter which one you give to Protestant or Catholic - it all ends up in the Jew Roman pocket and they blame France for upsetting the USA dollar. Did you notice after LBJ visited the Pope he has never given up trying to increase taxes. LBJ is on the spot as was RFK. Johnson is fighting for his life. When the pope prays publicly or asks publicly for peace in about a week later the strife gets worse or new turmoil arises. Delayed action. How would you like some one like that to pray you out of Purgatory? The Kennedys are truly in the dog kennel house. NO hope from Pope.

Sirhan Bishara Sirhan, 24, was indicted Friday on a charge of murdering Sen. Robert F. Kennedy and then was arraigned in a County Jail chapel amid probably the greatest security precautions ever taken for a court proceeding in this country.

The County Grand Jury also accused the slight, wiry Jordanian of assaulting, with a deadly weapon and with intent to commit murder, five other persons wounded during a shooting spree early Wednesday at the Ambassador.

Friday's extraordinary proceedings took nine hours.

They started at 9:30 a.m. with the summoning of the first of 22 witnesses before the County Grand Jury in the Hall of Justice.

Then, late in the afternoon, followed the formal indictment of Sirhan. "The grand jury," said Foreman L. E. McKee, "has reviewed the

evidence presented and has voted to appear to be the primary consideration.

Newsmen covering the grand jury hearing were required to identify themselves, and witnesses were provided escorts both to and from the investigative panel's chambers on the Hall of Justice's fifth floor.

But that was just the beginning.

### 22 Witnesses Are Called

Intense security conditions prevailed when the indictment was returned by Judge Superior Judge Arthur L. Alarcon in his courtroom three floors above and later at the Central County Jail, where every person entering the third-floor chapel was searched for weapons, including Judge Alarcon.

Dep. Dist. Atty. John E. Howard and Mario Fukuda called 22 witnesses to testify before the grand jury.

They included eyewitnesses to the crime, police officers, ambulance drivers and attendants.

Because they were in New York to attend Sen. Kennedy's funeral, Rafee Johnson, former Olympic champion, and Roosevelt Grier, mammoth tackle for the Los Angeles Rams, were excused.

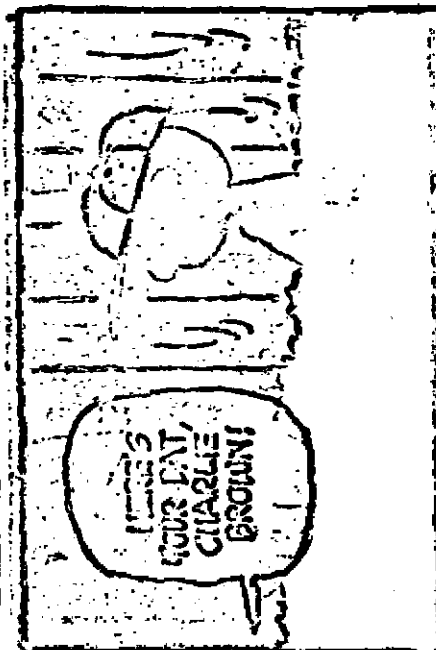

Both of them reportedly aided in the capture of Sirhan's mother.

He said he saw SIRHAN's photograph in the paper but did not recognize him as anyone he knew. CHAPMANN said he rode horses at Santa Anita Race Track and possibly SIRHAN was following his (CHAPMANN's) career, as race track people do at times.

CHAPMANN was unable to provide any information concerning Jordanian nationals or anti-Israeli groups and was at a complete loss for any explanation as to possible association between himself and SIRHAN BISHARA SIRHAN.

For your information by letter dated June 19, 1968, the Criminal Division of the Department was advised that a check of the Selective Service records for the State of California failed to show a registration for Sirhan Sirhan or his brothers Saidallah and Munir Sirhan under the Selective Service Act of 1948. The Department was advised that the Sirhan family have apparently been cooperative thus far and to pursue this matter further could possibly have an adverse effect on their apparent cooperation.

We requested the Department's advice as to whether the FBI should pursue further with respect to the Selective Service matter at this time.

Until advised to the contrary make no further effort to pursue this aspect of your inquiry.

Mr. BUSH referred the writer to Mr. DAVE FITTS, who was handling the actual prosecution of SIRHAN SIRHAN. Mr. FITTS advised that he was leaving the office and that it would be better from his viewpoint if we could deliver the reports to him on Monday morning inasmuch as a tremendous amount of material would have to be read. The writer agreed that the reports would be delivered to Mr. RIZZI on Monday morning.

VELMA MARLOW [REDACTED] Warren, Michigan, advised SA(A) [REDACTED] that she was a teacher at the John Muir High School, Pasadena, California, in 1960. She advised that the name SIRHAN SIRHAN is vaguely familiar to her and that it may have been the name of a tenth grade student in her algebra class in 1960. She advised that she cannot recall anything specific about this individual except that his first and last name were the same and for this reason believes that he must have been an average student. She pointed out that if there was anything unusual about him she may remember it, but that she probably had him in her class for only one hour per day and could not remember anything specific about him.

# Memorandum

TO : SAC, LOS ANGELES (56-156)

DATE: 6/18/68

FROM : SA [REDACTED]

SUBJECT: KENSALT

Re FD-71 (Complaint Form) dated 6/10/68.

b7D [ For information, referenced complaint form reflects information from [REDACTED] Los Angeles, telephone number [REDACTED] telephonically advised that one of the employees in his office, [REDACTED] claimed to have been at the Ambassador Hotel the night Senator KENNEDY was shot and the next day at work made statements to the effect, "He deserved to be shot", and "many others should get the same".

On 6/17/68, [REDACTED] was interviewed at his place of employment by SA [REDACTED]. From the outset of the interview, it was apparent to both Agents [REDACTED] was very irrational in his thinking and that he appeared to be mentally deranged. [REDACTED] claimed to have just recently arrived from New Orleans approximately one month ago, and, on the other hand, he claimed to have been a KENNEDY campaigner in Los Angeles for two or three months. He stated that he and [REDACTED]

[REDACTED] North Hollywood, California, had been at the Ambassador Hotel on the evening of the KENNEDY victory speech and that he had been entertaining the KENNEDY campaigners inasmuch as he "had the gift of music and dance given to him by God". [REDACTED] he and his relatives were in a room on another floor below that one on which the Senator was shot when somebody ran past their room shouting that someone had been shot. He stated that he then went up the fire escape and met coming down the fire escape a girl in a polka dot dress who stated that Senator KENNEDY had been shot. At this point, [REDACTED] stated that he knew that the Cubans working for the CIA were responsible for the KENNEDY shooting inasmuch as they had stated that because of the "Bay of Pigs incident" they would eventually get all the KENNEDY brothers". He stated

that he saw a man on the stage where he was performing whom he knew to be a Cuban and that he was sure this man had something to do with the shooting.

[REDACTED] he was very sad because he had not been given the opportunity to help the people of the world as he had been sent here to do by God. He stated that he had received from God all the gifts that could possibly be given, such as the gifts of "dance, music, art, design, etc." He stated that he had seen and talked to God on many occasions and that he had been up to Heaven two or three times recently. He also stated that Heaven was not very far away but was just up above the cloud, only he was the only one who could see it because he was good and the rest of the world was bad. [REDACTED] if he was President of the United States, he would solve all the problems of the world because the world was evil and he had received a gift from God to help people. He said that he had been born several thousands of years ago as a "little angel" and that no one believed that he had these tremendous gifts and ability to help people. He stated he had been sick most of his life because when he was two years old, a Negro man in New Orleans put a "voodoo curse" on him and his grandmother.

At this point, [REDACTED] became quite irrational and incoherent and talked at great length about visions he had seen and the things he could do to help people. It was apparent to both Agents that he was very mentally disturbed and he was advised that he would be recontacted if any further assistance or information was desired from him. He stated that he had just been told that he was losing his job and he thought that he might possibly go to the Veterans Hospital in the San Fernando Valley to try to be cured of the sickness caused by the "voodoo curse". Agent [REDACTED] told him that he thought this would be a good idea and thanked him for his help.

ASSASSINATION OF SENATOR ROBERT F. KENNEDY  
LOS ANGELES, CALIFORNIA  
JUNE 5, 1968

The Visa Section, American Embassy, Rome, Italy, advised on June 11, 1968, that [REDACTED] born [REDACTED] applied for a visitor's visa to the United States. [REDACTED] passport No. [REDACTED] issued [REDACTED] He furnished his address [REDACTED]

ALL  
b7C  
[REDACTED] the purpose of his visit to the United States was to contact the family of the late ROBERT F. KENNEDY and furnish them with information regarding SIRHAN BISHARA SIRHAN, whom newspapers have identified as Senator KENNEDY's assailant. [REDACTED] in his application that the KENNEDY family would pay for his travel to the United States although he admitted he did not have authority from the KENNEDY family. He displayed a letter dated May 19, 1968, written by [REDACTED] the late Senator KENNEDY's staff assistant, which acknowledged [REDACTED] telephone call early in May, 1968. [REDACTED] letter informed [REDACTED] that he could not clearly understand him over the telephone and suggested [REDACTED] write another letter to him directly rather than to Senator KENNEDY.

[REDACTED] interviewed at the American Embassy, Rome, Italy, on June 11, 1968, and furnished the following information:

In approximately July, 1965, [REDACTED] traveled to Copenhagen, Denmark, for the purpose of finding employment. After about one week of searching, he found himself in the vicinity of the central railroad station in Copenhagen and there encountered a dark, swarthy man about 1.65 to 1.67 meters in height. This individual had black, curly hair, black eyes and a deep olive complexion. [REDACTED] he is convinced after seeing photographs

of SIRHAN BISHARA SIRHAN in the newspapers that SIRHAN and the man he met in Copenhagen are one and the same person. [REDACTED] does not recall the man's name but was told by him that he came from Naples, Italy, and [REDACTED] noted that he spoke with a Neapolitan accent. According to [REDACTED] he never heard the individual speak English nor did this person ever mention that he had been in the United States. [REDACTED] noted that the man was traveling with an Italian passport but declared that false passports were very easily obtained.

AL  
b7c  
[REDACTED] he became quite friendly with this individual who displayed to [REDACTED] a cut he had received across the abdomen in a fight over a girl in Germany. [REDACTED] said the cut, which was on the right side of this man's abdomen, was still giving him pain. Several days later, [REDACTED] and the individual proceeded to Stockholm, Sweden, where they remained for about three days. The last time [REDACTED] saw this individual was in Stockholm when he was visited by a young Italian male who was accompanied by a young girl with blond hair. The three left Stockholm in the latter part of July, 1965, and he has not seen or heard from them again.

[REDACTED] believes the young blond girl is the same person whom newspapers have reported is wanted for questioning by the Los Angeles Police Department. He said he is unable to furnish any other identifying data concerning the dark, swarthy male he met in Copenhagen or the blond girl.

Throughout the interview with [REDACTED] he often expressed his admiration for the United States of America and how he longed to reside in the United States. He said that ever since President JOHN F. KENNEDY was assassinated in 1963, he has been obsessed with a feeling of impending tragedy for other members of the KENNEDY family. He said he has sent at least eight letters to Senator ROBERT F. KENNEDY prior to his assassination disclosing his desire to enter the United States. Although he could furnish no facts to substantiate his feeling, he said he felt certain something was going to happen to Senator ROBERT F. KENNEDY prior to his assassination on June 5, 1968.

[REDACTED] furnished the following information:

He is a part-time doctor at [REDACTED]

[REDACTED] Boulevards.

He was acting in that capacity on the evening of June 12, 1968, and advised that at approximately 6:30 p.m. a young lady, who is employed by [REDACTED] in the Dietary Kitchen, came to him for treatment. She claimed to be nervous and too distraught to work. She did not reveal the reason for her nervous condition and he did not pursue the matter. She stated that she lived alone but that her parents did live nearby. He advised her that she should not stay alone, but should go to her parents home. [REDACTED] Los Angeles, California, advised that Crispin Curiel Gonzalez, a juvenile, has been under the supervision of [REDACTED] Gonzalez first came to the attention of [REDACTED] following his arrest by the Los Angeles Police Department on October 24, 1967, according to [REDACTED]. At that time, Gonzalez was arrested in the vicinity of Zonal and Mission Road in Los Angeles and charged with violation of Section 601 of the Welfare and Institutions Code (WIC). At that time he was found wandering without a settled place of abode; no visible means of existence or proper guardianship within the confines of the jurisdiction of the Los Angeles Police Department.

Upon questioning by investigators, he first told them he was from Bolivia, South America, having departed from there about three weeks prior to the date of his arrest. He later stated he was from Colima, Mexico. He explained his parents had come to Los Angeles, leaving him at home; and he had stolen 800 pesos from them to come to Los Angeles. He was declared a ward of the Juvenile Court and was subsequently furnished residence at Boys Oasis, 40892 Harper Lake, Hinkley, California, on January 18, 1968. According to [REDACTED] Boys Oasis is a privately operated residence authorized by the Juvenile Court to accept juveniles for residence and Los Angeles County pays for their expenses. Gonzalez ran away from Boys Oasis on January 22, 1968, and was picked up on that date by the San Bernardino, California, Police Department as a run-away juvenile. He was returned to the custody of the Los Angeles County Probation Department and remained in Juvenile Hall until March 22, 1968, when he was then furnished residence at the Manhattan Project Residence (MPR), 602 South Van Ness Avenue, in Los Angeles, California.

MPR. [REDACTED] is a residence [REDACTED] operated by the Salvation Army under the supervision of Mr. Edward Boyle of the Family Service Section of the Salvation Army. On March 29, 1968, Gonzalez ran away from the MPR and on April 1, 1968, voluntarily surrendered himself to the custody of juvenile authorities. He was subsequently returned to MPR for residence and on May 21, 1968, again ran away, and his whereabouts, until June 17, 1968, were unknown to juvenile authorities. A warrant has been issued for his arrest, charging him with being a run-away juvenile.

b7C  
b7D  
On June 17, 1968, [REDACTED] received a collect call from Gonzalez from El Paso, Texas. Gonzalez desired to know what would happen to him if he were to return to Los Angeles. [REDACTED] explained to him that a warrant was outstanding for his arrest and if he returned to Los Angeles, he would probably be referred to the California Youth Authority (CYA). During that telephone conversation, Gonzalez advised [REDACTED] he was involved in international narcotics smuggling between El Paso, Texas, and Mexico. He furnished as a Los Angeles "connection" a restaurant called the Mexico Lindo, 2829 Washington Street, Venice, California. [REDACTED] referred the foregoing information to [REDACTED] Los Angeles Police Department Narcotics Detail. In that telephone conversation, Gonzalez told [REDACTED] he would arrive in Los Angeles within six hours. [REDACTED] has received no further information from or about Gonzalez since the telephone call.

During the period of time Gonzalez was a resident at MPR, he attempted, on two occasions in May 1968, to commit suicide by cutting his wrists. On one of those occasions, he was admitted to the Los Angeles County General Hospital on or about May 8, 1968, for medical treatment. The second suicide attempt occurred sometime between May 14 and 22, 1968. On that occasion, he leaped onto the roof of a nearby building, threatening suicide and considerably upsetting other members of the MPR residence.

[REDACTED] observation of this individual while under the supervision of the Juvenile Court indicates that although he is 16 years of age, he acts like a 13 year old; is considerably immature for his chronological age and will do anything to get attention. He was not considered reliable and frequently engaged in conduct and/or activities which could be characterized as fantasy.

[REDACTED] Gonzalez has a father, Crispin Curiel Zamora, who resides at [REDACTED] Colima, Mexico, and who has corresponded with [REDACTED]. Also, during the period of time Gonzalez was a ward of the juvenile authorities, it was determined that he was born November 10, 1951, in Ephrata, Washington.

On February 11, 1967, [REDACTED] a farmer, residing at [REDACTED] California, advised he and his family are friends of Mr. Crispin Curiel and his wife, Cruz Gonzalez Curiel, farmers, who reside at [REDACTED], Mexico. Mr. and Mrs. Curiel have a 15 year old son who goes by the name of Crispin Curiel Gonzalez. Gonzalez accompanied his mother to Los Angeles, California, on about January 25, 1967, and there the mother found she had cancer and she was hospitalized. Gonzalez then took an airplane to San Francisco and stayed over night at the Young Men's Christian Association (YMCA) and was picked up by juvenile authorities because he was a minor without any identification or means of support. Gonzalez spent several days in Juvenile Hall and then was able to get in contact with [REDACTED] and he was invited to come to their home [REDACTED]. He was permitted to do this by juvenile authorities, and he stayed with [REDACTED] for several days. [REDACTED] then received a telephone call from Mr. Curiel in Mexico who advised his son had run away from home, which he had done previously, that the son is emotionally disturbed, and he instructed [REDACTED] to call local police and hold the son until arrangements could be made to return him to Mexico.

[REDACTED] advised that Gonzalez overheard the telephone conversation and ran out of the house, and his present whereabouts are unknown. [REDACTED] he informed local police authorities of Gonzalez' juvenile status and that he disappeared without identification or money.

bx

[redacted] stated that in his opinion, Gonzalez is a brilliant young man but unstable. His parents have been repressive toward him and he is antagonistic. He speaks fair English and he appears older than his actual age. He is a junior in high school. Gonzalez informed [redacted] that without his parents' knowledge, because they would highly disapprove, he joined a Nazi Club in Colima, Mexico. He said he was in a leadership capacity and spoke before audiences of from two hundred to three hundred people regarding the subject of Nazism. He said he gained his audiences in parks and street corners. He said he curtailed his speech making only when he began to get threatening letters from people objecting to his activity. He was also afraid that his activity in behalf of the Nazi Club would get back to his parents. He then advised that he took a dislike to Nazism and began to study books on communism. He said he got so interested in communist theory that he intended to run away from home and write a book on the matter of communism. He also said he was not in favor of the United States Government's policy in Vietnam, and he thought the United States Government should have been censured for its intervention in Cuba.

[redacted] he believed what Gonzalez had told him to be true; even though Gonzalez is just a youth, [redacted] believes he is very capable of speaking to large groups of people, especially in Mexico. [redacted] he could furnish no further information other than the following descriptive data:

Name	Crispin Curiel Gonzalez
Also Known As	Crispin Curiel
Race	Spanish descent

who reside at [REDACTED] Mexico.  
Mr. and Mrs. Curiel have a 16-year-old son who goes by the  
name of Crispin Curiel Gonzales. Gonzalez accompanied his  
mother to Los Angeles, California, on about January 25, 1967,  
and there the mother found she had cancer, and she was hospi-  
talized. Gonzalez then took a plane to San Francisco and  
stayed over night at the Young Men's Christian Association  
(YMCA) and was picked up by Juvenile Authorities because he  
was a minor without any identification or means of support.  
Gonzalez spent several days in Juvenile Hall and then was  
able to get in contact with [REDACTED] and he was  
invited to come to their home [REDACTED]. He was permitted  
to do this by Juvenile Authorities, and he stayed with the  
[REDACTED] for several days. [REDACTED] received a

son had run away from home, which he has done previously,  
that the son is emotionally disturbed, and he instructed the  
[REDACTED] to call local police and hold the son until arrange-  
ments can be made to return him to Mexico.

[REDACTED] advised that Gonzalez overheard the  
telephone conversation, and he ran out of the house, and his  
present whereabouts are unknown. [REDACTED] he informed  
local police authorities of Gonzalez's juvenile status and  
that he disappeared without identification or money.

[redacted] stated that in his opinion, Gonzalez is a brilliant young man but unstable. His parents have been repressive toward him and he is antagonistic. He speaks fair English and he appears older than his actual age. He is a junior in high school. Gonzalez informed [redacted] that without his parents knowledge, because they would highly disapprove, he joined a Nazi Club in Colima, Mexico. He said he was in a leadership capacity and spoke before audiences of from two hundred to three hundred people regarding the subject of Nazism. He said he gained his audiences in parks and street corners. He said he curtailed his speech making only when he began to get threatening letters from people objecting to his activity. He was also afraid that his activity in behalf of the Nazi Club would get back to his parents. He then advised that he took a dislike to Nazism and began to study books on Communism. He said he got so interested in Communist theory that he intended to run away from his home and to write a book on the matter of Communism. He also said he was not in favor of the United States Government's policy in Vietnam, and he thought the United States Government should have been censured for its intervention in Cuba.

[redacted] he believed what Gonzalez had told him to be true and even though Gonzalez is just a youth, he is very capable of speaking to large groups of people, especially in Mexico. [redacted] advised he could furnish no further information other than the following descriptive data:

JOHN J. DOOHAN, Head Librarian and columnist, Kansas City Star, 19th and Grand, furnished the following information:

On June 4, 1968, he was attending a newspaper librarian's convention at the Statler-Hilton Hotel, Los Angeles, California. On that evening he and two fellow librarians attending the convention, JAMES SCOFIELD, [REDACTED] and EDWARD QUILL, [REDACTED] went to the Ambassador Hotel in Los Angeles to follow California primary election returns and attend the Senator ROBERT F. KENNEDY rally.

During the evening of June 4, 1968, DOOHAN visited the press room in the Colonial Room of the Ambassador Hotel and attended the rally about midnight at which Senator ROBERT F. KENNEDY spoke. About 1,000 persons were in attendance and he became separated from his two associates. In order to meet the fire department regulations the Embassy Room where the rally was held was closed and the overflow crowd was sent he believes to a room on a lower floor, possibly the Ambassador Room. While he had been in the press room he learned that Senator KENNEDY would visit the press room at the Colonial Room after he spoke at the rally in the Embassy Room. Therefore, after hearing Senator KENNEDY speak and watching him leave the stage DOOHAN went directly to the press room to await Senator KENNEDY'S appearance there. It was while he was on his way to the press room that he heard the commotion, although he did not hear any shots, and learned that Senator KENNEDY had been shot.

Although he had not been assigned as a reporter to the California primary or to the KENNEDY party he immediately prepared a story which was printed in the June 5, 1968, issue of the Kansas City Star, the evening Kansas City Times, under his by-line giving his personal account of the assassination which read as follows:

ALL  
b7c

On 6/19/68 at Kansas City, Missouri File # KC 62-8651  
LA 56-136  
by SA [REDACTED] Date dictated 6/19/68

"Sen. Robert F. Kennedy had just finished his short victory statement, raised his fingers in a V sign and it was now "on to Chicago.

"I was standing toward the rear of the Embassy room at the Hotel Ambassador, along with more than 1,000 others. Though the ballroom is air-conditioned, it was hot and stuffy. I thought to myself that Kennedy looked as happy as anyone could possibly be.

"As the senator turned to leave the room, I heard a rumor that he was going to pass through a temporary press room on his way to a lower floor of the hotel, where another group of his excited supporters waited for him to appear.

"I headed for the press room. I knew where it was because I had been in there a few minutes earlier talking to Pierre Salinger, press secretary for the New York senator and for his late brother, President John F. Kennedy.

"The press room was near a long, narrow corridor used as a serving room for dinner meetings in the ballroom. Senator Kennedy was to use this passageway on his way to meet reporters.

"Accompanied by his wife, Mrs. Ethel Kennedy; Jesse Unruh, speaker of the California Assembly and a leader of the Kennedy forces here, and others, Kennedy started through the serving galley. Leading the way for him were several Los Angeles police officers, Rafer Johnson, former decathlon champion and now on the R. F. K. staff in California, and Roosevelt Grier, a defensive tackle for the Los Angeles Rams professional football team.

"The room itself contained metal serving and steam tables, which were not in use early today as there had been no program or refreshments served in the Embassy room. The area is 10 to 12 feet wide and 40 to 50 feet long.

"At 12:15 o'clock this morning it was jammed with hotel employees waiting for a chance to see and, perhaps, shake hands with the Democratic presidential hopeful.

"Predictably, Senator Kennedy paused as he made his way slowly through the galley to shake hands. I was still on my way from the ballroom to the press room-kitchen, when it happened.

"I heard absolute bedlam coming from the narrow hallway, as from a range of less than 10 feet the would-be assassin began firing what turned out to be a .22-caliber revolver, wounding Kennedy and several others immediately clustered around him. I didn't actually hear the shots.

"But I got a chance to peer into the room and saw a young, bushy-haired, dark complexioned man being carried out by police officers. He was wearing blue jeans, tennis shoes and a blue sweat shirt.

"I was told that Johnson and Grier and possibly one or two others tackled and held the man immediately, but, of course, the tragedy was completed.

"We don't know yet who he is. But one thing is clear in my mind. He had to know the ropes. This was all behind the door to the ballroom. It seems to me that he had to know what the Kennedy exit was going to be beforehand.

"People say that a hurricane roars. You could just heard a roar. Then in a short time-just a few moments-people were crying. All of us were stunned.

"I saw Ethel Kennedy. She was right alongside him all the time. Mrs. Kennedy remained very composed.

"Then Steve Smith, Kennedy's brother-in-law, asked everyone to quiet down and "let's all be orderly." It was hair-raising; Smith's voice sounds just like Senator Kennedy's.

"I was at the hotel in the first place because I admire Senator Kennedy. Our convention business was over for the evening and three of us, a librarian from St. Petersburg, Fla., and another from the Boston Globe had gone out to eat. Instead of going back to our hotel, the Statler Hilton, we decided to go over to the Ambassador. We had heard that the senator and his California friends had taken quarters there for the night.

"We got there about 9:45 o'clock, and the lobby was already packed with people. There must have been more than 3,000 in the lobby and the ballroom. There was no program; people just standing around talking and catching the latest returns.

"That's how I bumped into Salinger. I told him I was from The Star, and he asked about several persons he knows on the paper. Then he told me that Kennedy probably would pass through the press room after making his television statement.

"Thus, I was by happenstance close to the scene of the tragedy, close enough, regrettable as it was, to be on the sideline as the senator was carried to an ambulance.

"Some of those closer than I felt Bobby Kennedy was conscious. Someone told me he was able to take a rosary in his hand.

"I have never seen a huge mass of people so crazed in the aftermath of the shooting. Many were knocked known in the hallways as young people ran around. It was shocking.

"I then went back to the shooting scene. <sup>The</sup> other victims were still lying on the floor. ~~Harl Ucler~~ <sup>Ucler</sup> an assistant manager of the hotel, told me he was ~~alongside~~ the senator as they came through the kitchen.

"The senator had paused to shake hands with some of the help when the shots popped," Ucler said. "I saw the senator fall and several others go down.

"I saw a small type gun in the gunman's hand. Two guys (apparently Johnson and Grier) pinned him over the counter."

"I also talked with Norman N. Mamey, president of the Finance Service corporation, who said he was right next to Kennedy when he was struck.

"We came from the Embassy room and were going through the kitchen area," Mamey said. "The senator stopped to greet some of the help, and as he reached for a hand four or five shots were fired.

"Three men fell and I knew one of them was Senator Kennedy. I ducked in a corner and kind of under the tables. The fellow on my right was hit in the hip, I believe, and the man in front of me was hit in the leg.

"Everyone else ducked for cover. The women became hysterical."

"After it was all over, police took over some rooms. Fourteen witnesses were giving statements right in the hotel.

"Obviously, for me, any thought of sleep was out of the question. I returned to the Embassy room, where the frenzied mood was over, giving way to tears and shock.

"'What a country we live in,' one girl said.

"'It just can't be true, it just can't be,' I heard a man say.

"At first it was fairly easy to get out of the hotel. But later entrances were blocked by police. In the press room I was told by an officer that the 14 witnesses were being questioned.

"Still later I was able to leave the hotel. I hired a taxicab to go back to the Statler Hilton. I asked the driver to stop by the Good Samaritan hospital, and he did.

"I guess there were about 150 people at one of the two entrances, just sitting on the curbing, waiting. I asked a policeman, and he said the senator was still in surgery and that was no word. At the other entrance, about 300 persons were just standing around the doorway and the street. They were stunned, all stunned."

DOOHAN covered the assassination for the next two hours for the Kansas City Star and was stationed at the hospital where Senator KENNEDY was taken.

DOOHAN had no knowledge of any change in plans by Senator KENNEDY to go to the Ambassador Room or any other room instead of proceeding to the press room (Colonial Room),

Date 6/20/68

Mr. JAMES (JIMMY) BRESLIN was interviewed at Gallagher's Steak House, 228 West 52nd Street, New York, New York. He stated that he writes for several newspapers throughout the United States and that his agent is the Sterling Lord Literary Agency, 75 East 55th Street, New York, New York. He resides at [REDACTED] New York.

Starting on March 17, 1968, he has covered several of Senator ROBERT KENNEDY's Presidential campaign.

During the evening of June 4, 1968, he was in the Ambassador Hotel in Los Angeles, California, when Senator KENNEDY made his victory speech. The Embassy Room in which Senator KENNEDY made his speech was very crowded so BRESLIN went to the press room which was near the Embassy Room and watched the speech on television.

When the speech ended an individual he thinks was DICK DRAIN of Senator EDWARD KENNEDY's staff appeared at the door of the press room and said that Senator ROBERT KENNEDY was on his way to the press room. Senator ROBERT KENNEDY after his speeches made it a habit to visit the press room and talk to the press.

BRESLIN went to the door of the press room to wave to Senator ROBERT KENNEDY. He did not see Senator ROBERT KENNEDY, but while at the doorway he heard what at first he thought was a kitchen tray drop to the floor. It was a shot and there were 3 or 4 more. At the most, BRESLIN heard four or five shots. People were running and screaming. BRESLIN ran towards where the sound of the shots were.

There was a crowd screaming. These people were to BRESLIN's left. BRESLIN knew this was where Senator ROBERT KENNEDY was lying. In the immediate vicinity was PAUL SCHRADER lying on the floor. To BRESLIN's approximate right was BILL BARRY of Senator ROBERT KENNEDY's staff.

BARRY had someone by the arm which was extended up and which hand held a black barrel pistol. The hand with the pistol then went down onto a table. Someone was jumping on the table. The hand holding the gun dropped it and then something happened and the hand again picked up the gun. ROSIE GRIER then threw a male on a table and held him down and grabbed the male by the arm. BRESLIN then saw the person on the table for the first time. It was SIRHAN SIRHAN. At this moment ROSIE GRIER was holding the gun in his (GRIER's) left hand.

At approximately this time GEORGE PLIMPTON had SIRHAN by his head; WARREN ROGERS had his left leg; and RAFER JOHNSON was grabbing his hand.

BRESLIN was of the impression at the time that the gun was still loaded and he tried to get it away from ROSIE GRIER. GRIER would not release the gun. RAFER JOHNSON then asked GRIER for the gun and GRIER gave the gun to JOHNSON.

BRESLIN standing very close to SIRHAN and being face to face with him asked him twice, "Why did you have to do it?" SIRHAN's eyes were rolling and he did not answer. SIRHAN then tried to thrash around with his legs and body, but those holding him kept him secure.

After SIRHAN SIRHAN was secured by BARRY, JOHNSON, GRIER, PLIMPTON, and ROGERS, and being held by GRIER, JOHNSON, PLIMPTON and ROGERS, BILL BARRY went to Senator ROBERT KENNEDY.

BRESLIN occasionally looked over at Senator ROBERT KENNEDY.

The police arrived and SIRHAN was turned over to them by GRIER, JOHNSON, PLIMPTON and ROGERS.

BRESLIN stated that he did not see the actual shooting and that he had not seen SIRHAN before this. He saw no one in a polka dot dress.

BRESLIN has since heard various rumors. One was that DICK TUCK of Senator ROBERT KENNEDY's staff chased SIRHAN off the platform twice and that DICK HARWOOD of the Washington Post actually saw SIRHAN shoot Senator ROBERT KENNEDY.

## FEDERAL BUREAU OF INVESTIGATION

Date 6/19/68

Mr. WILLIAM E. (BILL) EPPRIDGE was interviewed in Room 2850, Time and Life Building, Rockefeller Center, New York, New York. He stated that he is employed as a Staff Photographer for Life Magazine and that he resides at [REDACTED] New York.

Approximately one week after Senator ROBERT KENNEDY instituted his campaign to seek the Democratic Party Presidential nomination, EPPRIDGE joined the campaign as the Life Magazine photographer and was acting in such capacity on June 4 - 5, 1968 in Los Angeles, California.

On the evening of June 4, 1968, at the Ambassador Hotel in Los Angeles on his way to the ballroom to make a victory speech, Senator KENNEDY took a service elevator. Shortly after getting off the elevator, Senator KENNEDY got out of line and went into the kitchen of the hotel and shook hands with some of the employees in the kitchen. Senator KENNEDY then got back in line and proceeded along a corridor. At this point, EPPRIDGE was three of four people in back of Senator KENNEDY and a heavy set girl, white, about 5 feet 4 inches or 5 feet 5 inches, in her early 20's with a swarthy complexion, hefty build, olive, darkish or tan complexion, who seemed to be alone and who was wearing something polka dottish, maybe a kerchief or some such thing in possibly black and red colors, tried to get in line next to EPPRIDGE. (EPPRIDGE cannot remember her face as he just caught a glance of her.) EPPRIDGE did not think that she belonged there and he gave her a poke in the ribs to get her out of the way. She persisted in her attempts to get in line and EPPRIDGE gave her another poke.

At this point, EPPRIDGE started to go up the steps to the platform.

During Senator KENNEDY's speech, EPPRIDGE was just behind him and to the side. EPPRIDGE did not see this girl while he was on the platform.

by SA [REDACTED] Date dictated 6/18/68

NY 44-1640

On the platform, there was a very large crowd, the largest in the campaign and there was much shoving from behind and the crush was so great that EPPRIDGE could just barely get his arms above his head.

Immediately prior to Senator KENNEDY ending his speech, someone opened a path to Senator KENNEDY's right, off the platform, in what was apparently a route of exit for Senator KENNEDY. BILL BARRY, a member of Senator KENNEDY's staff was to the right and apparently leading the way to the path and was telling Senator KENNEDY to go that way. EPPRIDGE did not hear Senator KENNEDY's reply if there was one, but BARRY again told Senator KENNEDY to go "this way" which was to Senator KENNEDY's right. EPPRIDGE did not hear Senator KENNEDY's reply if there was one, but Senator KENNEDY did not go in the direction of BARRY. Senator KENNEDY went through a curtain out the back of the platform and off the platform.

EPPRIDGE does not know where Senator KENNEDY was going at this point. EPPRIDGE was about 12 to 15 feet behind Senator KENNEDY.

At this point, through the curtain in the back of the platform and to the right just off the platform, EPPRIDGE saw the persistent girl he described earlier.

After getting off the back of the platform, Senator KENNEDY went to the right. EPPRIDGE was following and when EPPRIDGE got to some doors that seemed small for the crowd he heard two shots in very rapid succession. EPPRIDGE at first thought these were fireworks as they had been in Chinatown, San Francisco, the day before and there were many fireworks there.

NY 44-1640

There was a pause after the second shot and people were scattering. EPPRIDGE realized that what he thought were fireworks were actually shots. He ran forward instinctively thinking he had better count the shots. He counted a total of six shots.

As he was running forward there was screaming and bedlam. He then saw a man lying on the floor. He took three pictures of this individual who at first he thought was BILL BARRY. It was PAUL SCHRADE. He then took 3 or 4 more steps forward and saw Senator KENNEDY lying on the floor with JUAN ROMERO holding his head.

EPPRIDGE stopped and took pictures of Senator KENNEDY. Forward was a mass of people around the individual who apparently shot Senator KENNEDY. EPPRIDGE did not go forward to see this individual and stayed in the area of Senator KENNEDY.

During this time JIM WILSON and his crew of BOB FUNK and BILL LEWIS, who were doing contract work for Columbia Broadcasting System (CBS), were filming Senator KENNEDY. When JIM WILSON ran out of film he (WILSON) threw his camera to the floor and started pushing people back. Mrs. ETHEL KENNEDY asked people to move back and EPPRIDGE assisted in this, extending his arms out and walking backward into the crowd, taking a picture now and then.

The ambulance attendants then came and Senator KENNEDY was placed in a stretcher and taken to an elevator. EPPRIDGE followed. EPPRIDGE did not recall hearing Senator KENNEDY say anything after he was shot.

After this, EPPRIDGE went back to see what he could do about JIM WILSON who was "completely broken-up" over the whole incident.

NY 44-1640

EPPRIDGE did not see the shooting; the gun; SIRHAN SIRHAN; or SIRHAN SIRHAN being subdued.

EPPRIDGE has seen pictures of SIRHAN SIRHAN and he is not familiar to him.

EPPRIDGE is of the opinion that the path taken by Senator KENNEDY in leaving the platform was not the planned route of exit as BILL BARRY who handled such things had indicated a path to Senator KENNEDY's right off the platform.

This was the biggest crowd of the campaign. Usually in entering or leaving a crowd, Senator KENNEDY would go right through the thickest part. On this occasion, before entering the ballroom, Senator KENNEDY asked BILL BARRY if there was a backway in. This was the first time that EPPRIDGE can recall Senator KENNEDY going in the backway.

Also in leaving by the backway, EPPRIDGE thinks that Senator KENNEDY may have been tired or probably he wanted to get to "The Factory" where he was going to give a party for his staff and the press.

EPPRIDGE heard of no threats as to Senator KENNEDY's life, but he was fearful that something might happen to him as he (Senator KENNEDY) would put himself in dangerous situations. That is he might fall out of the car or some such thing. A few weeks before this, Senator KENNEDY chipped a tooth in a crowd.

Dear Sir:

I am sorry to inform you that I, Ronald Barncoord, a native of Portland, was at the Ambassador, in the kitchen area, when Sen. Robert F. Kennedy was assassinated. I had distinctly seen Sirhan Sirhan shake hands with the Senator before he so savagely shot him to death. I have not lived in Portland since August or 1967, but I am still considered a resident of Portland.

I was presently working on the Kennedy Campaign here in Orange County. I myself will be leaning toward McCarthy, because McCarthy upholds generally the same ideals as those which Sen. Kennedy proposed. It is my wish that all the Kennedy people lean toward McCarthy rather than Humphery. I hope that they all agree.

You can print this if you like, because I was there and not too many people know it. You might consider me a eye witness. If any other information is needed, you can reach me at;

b7D [REDACTED] advised that Crispin Curiel Gonzalez had been taken into custody on receipt of information that Curiel had possibly participated in the plot to assassinate Robert F. Kennedy at Los Angeles, California.

Curiel had in his possession, a letter written in English, which alleged that he had planned the assassination of Kennedy while under the influence of a drug which would destroy his memory. Curiel indicated he was an American citizen.

Newspaper reporters at Juarez interviewed Curiel in detail, at which time he admitted having written the letter, but without giving his motive. He then indicated that he had always wanted to do something big, and he spoke out vigorously, denouncing the Kennedy family as trying to establish a dictatorship in the United States. At this time, he stated that he would murder Edward Kennedy at such time as Edward Kennedy became a candidate for the presidency of the United States.

Curiel admitted the use of marijuana and LSD and stated he had left a juvenile detention home in Los Angeles, California.

On June 17, 1968, Curiel was interviewed by Special Agents of the FBI, at which time he stated that he

considered the letter and his earlier interview with Juarez newspaper reporters as a big joke, explaining that newspaper reporters want news and this is what he gave them. He denied all specific knowledge of the Kennedy assassination, and stated that he had only seen Sirhan Sirhan on one occasion in the Main Public Library in Los Angeles, California. He described Sirhan as a "crazy Arab".

When questioned regarding his threat to kill Edward Kennedy, he emphatically denied this, and restated that he was only trying to be a "big shot with the press".

Of a background nature, Curiel stated he had been residing at the Manhattan Project, a juvenile home run by the Salvation Army, 602 South Van Ness, Los Angeles, and he identified his Probation Officer, [redacted] specific nature of charges not determined, [redacted] Vermont Avenue, Metropolitan Division, Los Angeles.

He stated that about three weeks ago he ran away from the detention home, and had been arrested by local police at Healdsburg, California while hitchhiking. He identified himself to the police as Alejandro Zaldovosqui Zamora, a Mexican citizen, born in Colima, Colima, Mexico. He was turned over to Border Patrol authorities and sent to Santa Rosa, California, and was subsequently flown to El Paso from where he was to be deported. At El Paso, he identified himself properly as an American citizen, and he was released from custody.

On June 18, 1968, [redacted] Investigations Division, U. S. Immigration and Naturalization Service, El Paso, advised that Curiel, as Alejandro Zaldovosqui Zamora, had been arrested in Healdsburg, California by Sergeant [redacted] of the Healdsburg, California Police Department, on May 31, 1968, when he noticed subject was being held forcibly inside a telephone booth.

After subject made his claim to be of Mexican citizenship, he was turned over to Border Patrol officials and lodged in the Juvenile Detention Home, Santa Rosa, California, for one day, and was then transferred to Livermore, California, where he stayed three days prior to being airlifted to El Paso.

In El Paso, Zaldivosqui identified himself as Crispin Curiel Gonzalez, an American citizen, born November 10, 1951, at Ephrata, Washington, of Crispin Curiel Zamora and Maria Cruz Gonzalez.

[REDACTED] caused a check of birth records at [REDACTED] and verified the information as furnished.

Based on this, Curiel was released from Immigration custody at El Paso on June 6, 1968.

On June 18, 1968, "El Fronterizo", a Spanish language daily published at Juarez, Mexico, carried an extensive front page article including a photograph of Curiel, and captioned "Dangerous Yankee who says he is a conspirator in the Robert F. Kennedy crime advises the next one will be Edward Kennedy." Re interview of LOWELL J. BEAN, Assistant Professor of Anthropology at California State College, Hayward, California, and Los Angeles airtel to San Francisco, dated 6/13/68.

BEAN interviewed and the following is a summary of the results:

Subject SIRHAN was student in Cultural Anthropology class which he taught at Pasadena City College approximately Spring, 1964. There were many foreign students in the class. He recalls Subject as pleasant, polite, reliable, and a good student except for two emotional outbursts during discussions with other students on the Israeli-Arab Conflict.

At the request of BEAN, Subject gave an informal report to class on Arabic culture. Subject discussed Pan-Arabism, a joining together of all Arabic nations into a dominant cultural and political block which will become a major political power in the Near East. An American-Jewish student in class either asked Subject a controversial question or made a negative remark about the Arabs involved in the conflict which caused Subject to become very emotional, almost to the point of violence in his defense of the Arabs. The eruption almost became a fist fight before it was stopped by BEAN.

Either after this incident or on another occasion within a short time later, Subject again became involved in a very heated discussion in the hall at school with a student on the Arab-Moslem-Israeli Conflict. He had almost an uncontrollable temper in defense of Arab National Unity.

On two occasions in 1965, after Subject had left Pasadena City College, he stopped in to see BEAN at school and had lunch with him on one visit and dinner with him on the other visit. BEAN was teaching night school during the latter visit. BEAN cannot recall any of their conversation during these two visits. Neither can he recall identity of other student in his class with whom Subject argued, but may be able to identify this student if he saw a roster of the class.

[REDACTED] Arkansas, furnished the following information on  
6/21/68:

She had on infrequent occasions, possibly six or eight times during the last two or three years seen an individual in Little Rock, Arkansas, resembling the newspaper photograph of SIRHAN B. SIRHAN. She described this individual as a white male in his early 20's, short in stature, slender, dark bushy hair, "Shepherd-boy type", dark complexion, wiry build, usually dressed in dark plaid shirts and slacks. She had no idea as to the identity of this individual or the young man who was his usual companion other than the companion was taller and may have been older. [REDACTED] is an artist, and her attention had been drawn to this young man because of "his sympathetic face." She could not furnish any specific times or circumstances under which she had seen this individual other than it was usually in the summer time and at restaurants at lunch time. The restaurants were the Cowshed and Bard's.

The last time she saw this individual was on or about 5/29/68 at Bard's Restaurant when he was accompanied by his usual male companion. [redacted] was accompanied by [redacted]. On this occasion, [redacted] told [redacted] that she had briefly met the individual at a public meeting at Little Rock University at sometime in the past. [redacted] had some recollection that [redacted] had also stated that this individual was from Jerusalem.

b1D  
A photograph of SIRHAN was shown to [redacted] and she stated that there was a strong resemblance between the SIRHAN photograph and the individual she had seen in restaurants.

[redacted] Little Rock, Arkansas, furnished the following information on 6/21/68:

She recalled the incident described above by [redacted] but after viewing a photograph of SIRHAN stated he definitely was not identical with the individual she and [redacted] had seen at Bard's Restaurant in May, 1968. She explained that about Christmas, 1967, she attended a public meeting at Little Rock University sponsored by the campus fraternities attended by the public. Some person not recalled had simply introduced to her the same individual who was seen by herself and [redacted] later in May, 1968, at Bard's Restaurant. She described this individual as being a white male, about 22, 5'5", slender build, dark complexion, and dark bushy hair. She could not furnish the names of any persons who might have known this individual. She assumed that this individual was a Little Rock University student.

For the information of the Los Angeles Office, if the whereabouts of SIRHAN cannot be established for the date 5/29/68, it is possible that through extensive investigation at Little Rock University the identity of the individual seen by [redacted] could be established.

Missile Command, Redstone Arsenal, Alabama, was reinter-  
viewed for the purpose of ascertaining any additional  
information he may have recalled since the previous  
interview on June 10, 1968.

FULTON advised that he had given the matter a  
great deal of thought but it was very difficult for him to  
remember because it has been almost three years since he  
last saw SIRHAN.

FULTON stated that he recalled that CRAIG BLISS,  
a former student at Pasadena City College, was an acquaint-  
ance of SIRHAN. He said that BLISS, a Navy veteran, worked  
as a bartender at night while attending Pasadena City Col-  
lege. FULTON stated he did not know the name of the bar  
but it is located at the intersection of North Lake Street  
and Altadena Drive, Altadena, California. FULTON stated  
that he remembered a pretty girl he believed was a member  
of the same foreign-type club (name unknown) as SIRHAN.  
FULTON advised that he did not think that this girl was  
SIRHAN's girlfriend but just an acquaintance. FULTON said  
that he believed the girl's name was SONJA (phonetic).  
He could not recall her last name. FULTON described the  
pretty young lady as 19 years of age, 5'4", 115 pounds,  
with black hair and dark complexion, and possibly an Arab.

FULTON advised he could recall no additional inform-

Specialist IV BRUCE EDWARD FULTON

Maintenance and Support Division of Directorate of Arsenal Support Operations, U. S. Army Missile Command, Redstone Arsenal, Alabama, was apprised of the identity of the interviewing agent and the nature of the investigation. FULTON furnished the following information:

FULTON stated that he is acquainted with SIRHAN BIRSHARA SIRHAN. He advised he first met SIRHAN at the "Student Union Coffee Shop" on the campus at Pasadena City College, Pasadena, California about September 1964. He said that he could not recall the last time that he saw SIRHAN but it was sometime prior to December 1965 because this is when he (FULTON) left City College. FULTON described his relationship with SIRHAN as a "campus acquaintance" in that he did not socialize with SIRHAN off campus, advising that he did not go to SIRHAN's house, nor did SIRHAN ever come to his house. He advised that his conversations with SIRHAN were usually held in the coffee shop during breaks or between, after or before classes. During these conversations, FULTON recalls discussions of Arab and Israel conflict, at which time SIRHAN had expressed his dissatisfaction with the administration and the newspapers because he believed that they sided with Israel. FULTON described SIRHAN as an introvert and a loner. He advised that SIRHAN never exhibited a tendency towards violence while in his presence. He advised that SIRHAN's reaction was that of an individual who was loyal to his country. FULTON advised that SIRHAN was very devoted to Jordan and it was his (FULTON's) opinion, based on conversation with SIRHAN, that SIRHAN eventually wanted to return to Jordan.

FULTON said that he is sure that politics were discussed during conversations with SIRHAN but he could not recall SIRHAN mentioning his political views, party or specific political candidate.

FULTON denied he commuted to and from college with SIRHAN. He said that he did recall riding on one or two

He said that while attending college, he resided at [REDACTED] Pasadena, California with [REDACTED]

FULTON advised that he usually took a bus to and from school although on occasion his cousin, RICHARD HUTTON, would pick him up or drop him off at home. FULTON stated that he did not know where SIRHAN lived.

b7C  
He said that he recalled that SIRHAN worked at a service station at night while attending college. He could not recall the name of the station but it is located on a main street, one block north of Colorado Street, running parallel to Colorado Street, and east of the front entrance of Pasadena City College. FULTON further advised that he believed that SIRHAN was a member of some type of foreign club (name unknown) on the campus of City College.

FULTON stated that after he quit Pasadena City College, he enlisted in the United States Army and entered on duty February 21, 1966 at Fort Polk, Louisiana for boot camp. He completed his training on April 30, 1966 and then returned home on a fourteen-day leave. He then, after the leave, reported to Redstone Arsenal, where he arrived approximately May 14 and has been there ever since. FULTON advised he was at home on leave from March 6, 1968 through March 18, 1968, his most recent return to California. FULTON said that he did not see or talk to SIRHAN during his leave in 1968 or in 1966.

FULTON stated that usually the conversations with SIRHAN were in the company of other students. FULTON advised that it is possible that the following persons could recall something more specific about SIRHAN:

Date 6/21/68

**EVIDIO PEREIRA ACOSTA** was interviewed at his place of employment, [REDACTED]

He advised that he has been living in an apartment of [REDACTED] Chicago, Illinois. He furnished the following information:

On May 21, 1968, a meeting was held at 3800 Amesbury, Hollywood, California. At this meeting a talk and slides were shown concerning life in Cuba which was slanted in favor of the current FIDEL CASTRO government. He attended this meeting along with a number of other anti-FIDEL CASTRO Cubans. During the meeting he spoke against the present Cuban government and a number of those present took exception to his remarks. An individual seated to his left and near the platform challenged him on several points he made including the fact that life in Cuba today is not as pleasant as the slides at this program would tend to portray. This individual, who challenged him, said that those Cubans who attempted to return to Cuba during the "Bay of Pigs" invasion were mere mercenaries and that the displaced Cubans in the United States were mostly a bunch of "bums".

He stated after viewing a photograph of SIRHAN BISHARA SIRHAN that he was 70 per cent sure that the individual referred to above, who challenged his statements at this meeting, was SIRHAN. He concluded by stating that he could not be certain of this but thought that others present at this meeting might have had a better view of this individual. He suggested that one FRANK GUTIERREZ, a Cuban known to other members of his group at this meeting, might be able to identify this individual. He added that he could not be sure but he thought that SIRHAN may have been with one or two other individuals at this meeting.

[REDACTED] telephone [REDACTED] staying at the Cessa-Marque, which he pronounced as Sessa markee, in Hollywood, called the office at 11:45 PM. He said he was in the crowd of people at the Ambassador Hotel on the night that ROBERT F. KENNEDY was killed. He wants to talk to an agent on 6/24/68.

[REDACTED] advised that he wants to handle the assassin of KENNEDY himself. He wants to put syrup and red ants and two tarantulas on the assassins body. He also desires to get into the jail where SIRHAN is being held and take a doll in there and place on the doll the syrup and red ants and the two tarantulas so SIRHAN can "go crazy". He desires to do the same thing with the assassin of MARTIN LUTHER KING.

He stated something to the effect that SA [REDACTED] was "talking to 38 million dollars."

He added that "They", whom he did not identify further, had killed three of his little nieces in Mexico, in Guadalajara, and he wanted "them" to pay for that, and that they would not kill anymore.

He added that all if would take from him would be a telephone call and the NAACP, the American Legion, the Navy and the Marines would take over the jail and turn SIRHAN over to him for himself to handle.

[redacted] Fountain Valley, California, telephone [redacted] advised on June 7, 1968, that on June 5, 1968, he called the FBI Office in Los Angeles and related a conversation he had with [redacted] hardware store at the Five Points Shopping Center in Huntington Beach, California, on June 1, 1968.

[redacted] stated that on June 1, 1968, he went to the above hardware store to buy some paint and while he was there, one of the employees, whose name he does not know, but who fits the description [redacted] asked him what he thought about the election and asked him who he thought would win. [redacted] stated that as far as he was concerned, the only one acceptable would be Mr. HUMPHREY. [redacted] did not answer his questions directly but stated he liked President JOHN F. KENNEDY. [redacted] stated that if Senator KENNEDY got elected president, in a couple of days they are going to shoot him. He said [redacted] stated he knows four guys in the Veterans Administration Hospital who are going to shoot him. [redacted] stated that that was ridiculous and mentioned the fact that the assassination of President JOHN F. KENNEDY was stupid. [redacted] replied "Well as far as I'm concerned it wasn't soon enough." [redacted] said that [redacted] then stated "Maybe I shouldn't have said that. I shouldn't talk about the death".

[redacted] at the time felt that [redacted] "just talks too much" but after [redacted] heard of the assassination of Senator KENNEDY and before he knew that the suspected assassin had been identified, he thought that he should contact the authorities with the above information so that the assassin's photograph could be shown at the Veterans Administration Hospital. Date June 19, 1968

**HAROLD EDWARD HUGHES**, Political Editor, "The Oregonian", Oregonian Building, who resides at [REDACTED] furnished the following information:

HUGHES was with the Kennedy Party at the Ambassador Hotel, Los Angeles, California on the night Senator KENNEDY was shot. He did not see SIRHAN prior to the shooting and does not know why Senator KENNEDY changed his original plan to go directly to the Colonial Room (which was the press room) immediately after his speech that night. He furnished the following account of his knowledge of the shooting.

HUGHES was in the Colonial Room (which was the press room) at the Ambassador Hotel on the night of the shooting at 12:00 midnight. He and other correspondents watched Senator KENNEDY's speech on closed circuit TV in the Colonial Room. They had been informed by members of the Kennedy Staff that Senator KENNEDY would come directly to the Colonial Room after his speech for a short press conference. Therefore immediately upon the conclusion of the speech, **ROBERT HEALY** of the "Boston Globe", opened the door from the Colonial Room into the kitchen (where the shooting subsequently took place) to facilitate Senator KENNEDY's entrance in the Colonial Room. A few moments after HEALY opened the door, HUGHES heard what he thought were two series of shots, possibly 3 or 4 in each series, but thought at the time it was balloons popping or perhaps small firecrackers. He and other members of the press corps rushed out the door and into the kitchen. There HUGHES saw **RAYFORD JOHNSON** and **ROOSEVELT GRIER** wrestling with the individual later identified as SIRHAN. SIRHAN still had the gun in his hand, which appeared to HUGHES to be a snub nosed revolver, similar to that carried by detectives. Someone shouted "Break his arm!".

**JESS UNRUH** jumped up on a table and shouted "Don't kill him, he has to stand trial".

HUGHES stated that since it was obvious that

SIRHAN was under control and was not going to get away, HUGHES went to where Senator KENNEDY was lying on the floor. He saw no blood and Senator KENNEDY appeared conscious and HUGHES was optimistic at this point.

HUGH McDONALD of the Kennedy Staff was on a table shouting "no pictures" and other members of the staff urged everybody to stand back and give Senator KENNEDY air.

HUGHES therefore left the scene, since he could do nothing to aid, and went back to the Colonial Room to telephone his paper. On the way he noticed that ROOSEVELT GRIER by that time had the gun in his possession. HUGHES estimates that this was about 3 minutes after the shots were first heard.

After HUGHES had telephoned his paper, which took about 5 minutes, he returned to the kitchen at which time SIRHAN was on his feet and uniformed officers were arriving to take SIRHAN into custody. At that time HUGHES got his first and only good look at SIRHAN's face, but is positive he can identify him if he sees him again.

HUGHES saw the police take SIRHAN out and saw Senator KENNEDY removed from the kitchen on a stretcher. HUGHES then ran out of the hotel through the lobby, saw Senator KENNEDY loaded into an ambulance and the ambulance leave. He looked at his watch at that time and noticed that it was exactly 12:30 AM.

On 6/21/68, these proofs were returned to [REDACTED] and she advised that she would try to obtain the negatives in order that prints might be made for further review. She stated that she would advise when she has the negatives.

MISCELLANEOUS - INFORMATION CONCERNING

On June 13, 1968, [REDACTED]  
[REDACTED] Phoenix, Arizona, was interviewed by Agents  
of the Federal Bureau of Investigation. She advised  
that on the Wednesday immediately following the assault  
of Senator Robert F. Kennedy, while [REDACTED]

[REDACTED] were watching television and when the  
photograph of Sirhan Bishara Sirhan was placed on the  
television screen, Hagop Djeredjian said, "I know that  
man". [REDACTED] further stated, "Didn't I tell you  
[REDACTED] two days ago that Kennedy was going  
to be shot and Humphrey will probably be shot next and  
Ted Kennedy shot if he runs for office?" [REDACTED]  
further stated when she queried [REDACTED] regarding  
these statements he refused to discuss them with her.  
[REDACTED] admitted she dislikes [REDACTED]  
intensely, saying he never works and mistreats her  
[REDACTED]

[REDACTED] was interviewed at [REDACTED]  
[REDACTED] Phoenix, at which time she denied  
[REDACTED] made such statements as related by [REDACTED]  
above. [REDACTED] further stated it was  
she who speculated two days before the actual assault  
on Kennedy he would be shot and furthermore, it was she  
voicing her opinion that Humphrey and Ted Kennedy would  
probably be shot also. [REDACTED] insists such  
prophecies were based exclusively on her own evaluation  
of political times and not because she has any knowledge  
such happenings will in fact occur.

[REDACTED] the face looked  
familiar to him. He believed he had seen this

He did not and still does not recognize the name Sirhan  
Sirhan. It was his opinion that of the organizations

[REDACTED] the only time he had

he had picked up a Cadillac automobile in Detroit, Michigan, from [REDACTED]

[REDACTED] California. He stated that he had driven this automobile from Detroit to Phoenix and on May 27, 1968, from Phoenix to South San Gabriel, California. He recalled this date because this was the last day on his contract to deliver the automobile. He arrived at the automobile office at approximately 2:10 p.m., where he turned in the car, received a cashier's check on the Bank of America for approximately [REDACTED] cashed this check at the bank across the street, and took a bus to Los Angeles, California. He stated he had not seen nor talked with any other person on that occasion in Los Angeles, and that he has no friends or acquaintances currently living in the Los Angeles area with whom he has visited recently or with whom he corresponds.

[REDACTED] he did not even know if [REDACTED] still resided at that address or not; that he had not contacted her and that he only used her name because it was required on the contract to have a contact point in California.

[REDACTED] still insists it was she who made the statement regarding Senator Robert F. Kennedy being assassinated rather than [REDACTED] insists it was [REDACTED] who made the statement previously reported by her.

[REDACTED] was interviewed on June 14, 1968, and advised he did not recall the incident sufficiently to state what the conversation was about at the time they were viewing television and Sirhan Bishara Sirhan's photograph was shown, but he advised he recalled no statements regarding Vice President Hubert Humphrey or Senator Ted Kennedy being shot in the future.

On June 14, 1968, [REDACTED] United States Department of State, Office of Security, Los Angeles, California, was interviewed by the Federal Bureau of Investigation. He advised [REDACTED] also known as [REDACTED]

[REDACTED] the Federal Bureau of Investigation had talked to [REDACTED] and he assumed the Federal Bureau of Investigation would contact him regarding Sirhan Sirhan. [REDACTED] he believed he had furnished information [REDACTED] regarding Sirhan while [REDACTED] was attending Pasadena City College. On 6/20/68 Special Assistant to the Attorney General William S. Lynch, who has been charged with the responsibility of handling this matter in the Department of Justice, advised that he had been contacted late in the afternoon on that date by an Inspector Houghton of the Los Angeles Police Department who was flying to Washington, D. C., accompanied by two representatives of the District Attorney's office in order to interview Ethel Kennedy. He requested Mr. Lynch arrange such an interview.

Lynch indicated he had been in contact with Senator Edward Kennedy's office in an attempt to arrange an interview however, no decision had as yet been made. He advised in view of the fact Los Angeles representatives were arriving in town that night and considering local authorities would handle prosecution of this matter, if arrangements could be finalized these authorities should interview Mrs. Kennedy. Lynch indicated he would make arrangements for Los Angeles authorities to furnish the FBI full results of their interview.

Los Angeles Office should follow this matter with local authorities to insure results of this interview are made available to you if and when it does take place.
