During the California campaign for Senator Kennedy, I was for Kennedy. I received the enclosed note and calling card on June 1.

I doubt if there is any relation between this and the events of June 5, but rather then pre-suppose I thought it would be best to turn it over to you

Chief of Police Mr.

Sheriff Los Angeles County Los Angeles, Calif. 90000

Gentlemen:

On either the night of Wednesday, June 5, or the night of Thursday, June 6, 1962 (but I think it was the night of the 5th), while watching films on my TV screen* which I believe were taken at the Ambassador Hotel in Los Angeles right before the shooting of Senator Robert F. Kennedy, my attention was caught and focused for several seconds on the movements of a man in a light-colored shirt, with either his back or profile to the TV camera, running or probably walking at a fast pace through this large crowd. Now I realize that this in itself is nothing and that any number of very sensible reasons could have accounted for his movements, or it may be that he simply felt like moving in that manner, but it was the shooting incident which took place around that time that made me keep wondering why that man seemed to be weaving his way through the crowd with such purpose right then when the rest of the people around him appeared to be either standing approximately in one place or moving about slowly.

I put off writing you for several days about the above question that kept occurring to me as it seemed so silly and insignificant (and it still does, especially on paper). Regardless, this is what I saw at that time. If you think it has any significance, you can take it from there and look for this man while you are looking at the rerun of these films, as I'm sure you will be studying all of these films because of your investigations.

Referenced serial contains information about recovered feminine apparell on 6/6/68, in an alley behind 1830 South La Cienega. Included in items was a polka dot dress, white dots on gray background.

Above items were subsequently considered of no consequence to KENSALT because:

- 1. Size of shoes and garments were indicative of a transvestite.
- 2. Pertinent dress is black dots on white background.
- Items were almost all new.

Los Angeles Police Department (LAPD) is conducting no further investigation in this matter.

SERICHED INDEXED SERIALIZED 1968

JUN 2 3 1968

FBI — LOS ANGELES

At 4:15 pm 6/23/68 the writer received a telephone call grow an individual named DOUGLAS of the City Desk of the Herald Examiner who advised that WALTER WINCHELL had submitted a column to the effect that a woman had found a bag on LaCienega with various items of apparel including a polka dot dress and that FBI agents had interviewed her and photographed the dress and that the FBI was still interested in finding the owner of the dress. Mr. DOUGLAS was informed that the FBI had no comment to make regarding any aspect of this case. He was informed that the LAPD had made an announcement concerning this matter of a polka dot dress and that he might desire to contact Inspector Powers of the LAPD concerning any aspects of the investigation that concerned a polka dot dress. Mr. DOUGLAS advised he was aware of the IAPD announcement which is why he had called the FBI to check up on whether or not there is still interest in this dress. He was again advised that we had no comment to make concerning this matter and that a court order had been issued in the matter concerning any comment by investigative agencies. Mr. DOUGLAS advised that he would get in touch with LAPD.

At 4:55 pm WINCHELL called the writer and asked that we comment concerning whether or not we had interviewed a woman concerning a polka dot dress found on LA Cienega. WINCHELL was advised that we could make no comment whatsoever concerning the mattter.

BERT SIMS of the HERIAD EXAMINER City desk followed WINCHELL on the phone and he too was informed that the FBI had no comment to make concerning this investigation. He too was informed that the IAPD had made an announcement concerning a polka dot dress and any additional information conerning such a dress would be in the possession of the IAPD.

This matter refers to one EDITH GOLDSTEIN. Who on 6/6/68 found a May Company bag with various items of apparel including a dress with white polka dots on a gray backgound in an alley at 1829 Crescent Heights. She was interviewed by LAPD who took the property into custody and was contacted by SA company on 6/6/68. She found someone's lost apparel which had no bearing on this matter, and has now gone to WINCHELL who is trying the make a story out of it. See Page 309/310 of report of 6/9/68 for property and 56-156-202 for our contact in this matter. No further action

She requested that her identity, as the source of such information, not be disclosed. is employed with This service is variously known as This is Part of her duties require review prints that appear damaged or faulty. Toward the close of last week she came across the attached two prints, both of which apparently came from the same set. The first print is a floor scene of a group of individuals carrying placards at a rally for ROBERT F. KENNEDY. The second depicts, in her opinion, a photograph 616 of Senator KENNEDY, taken from an elevated position. She thought that this picture was possibly taken in Los Angeles. She further theorized that the woman directly in back of the figure of KENNEDY in the photography appeared to be wearing a reddish-pink dress with large blue polka dots and could possibly be the mysterious missing witness. furnished the foregoing to her employer who in general, advised her not to get involved or to involve the company. WILLIAM SCOTT, Vice President and Director of News, WMCA Radio, New York, New York, was interviewed by Special Agents at his office, 415 Madison Avenue, New York, New York.

SCOTF advised that he was at the Ambassador Hotel on June 4 and 5, 1968 at time Senator Robert F. Kennedy was shot. He related a statement that he had made to associates, that approximately one and one half hours preceeding the KENNEDY shooting, that he witnessed an unidentified white male walking past the Radio Press Table in a strange manner. This incident was recalled by him after the shooting in that this individual had his right hand in his coat pocket with his left hand clasped over the cost pocket. At the time, he thought maybe this individual had stolen some of the press equipment and was trying to hide it in his pocket. He checked and did not note any equipment missing. Leter, however, after seeing SIRHAN SIRHAN's photograph he recalled a similarity of SIRHAN with this unidentified male and thought maybe this was SIRHAN and possibly that he was holding a gun in his pocket. The unidentified male, of the general description of SIRHAN, was wearing a light blue zipper, windbreaker type, jacket and tan khaki trousers.

ALL

SCOTT stated that he was not in the immediate area of the Hotel of the shooting and had no photographs of the ensuing events. Other than possibly the above unidentified person being SIRHAN, he does not recall seeing SIRHAN either before or after the shooting.

LUBIC noted KENNEDY had arrived at the speaker's rostrum via a door behind the rostrum and anticipated that he might depart through this same door. A minute or less prior to the termination of the speech, LUBIC checked to determine if this area might be appropriate to speak to KENNEDY. LUBIC noted that access to this area could be made through two doors. He also made casual observation of the corridor area beyond the doors and has a recollection of seeing a woman dressed in white in the corridor. LUBIC assumed the woman was a hotel employee, probably assigned to the kitchen. After making this brief check, LUBIC returned to the Embassy Room as KENNEDY completed his speech. LUBIC departed the Embassy Room just ahead of Senator KENNEDY, and LUBIC noted KENNEDY took the long way to one of doors behind the rostrum. LUBIC entered the closer door and was at KENNEDY's right shoulder as he walked down the corridor.

LUBIC throught KENNEDY saw him and recognized him and continued walking with KENNEDY waiting for KENNEDY to stop shaking hands with people who swept into this area and to acknowledge him. LUBIC heard an unidentified voice saying "KENNEDY, you son of B bitch", and then heard two shots which sounded to LUBIC like shots from a starter pistol at a track meet. LUBIC did not identify the source of the voice and could not immediately determine the source of the pistol shots. He quickly noted, however, an individual with a gun. This individual was located on the left side of the corridor and had his knee on a small table or air conditioning unit and had lifted himself up on this knee to obtain elevation while shooting.

LUBIC has no recollection of hearing the sounds of additional shots, but recalls seeing the gun and the arm of the assailant and noted the jerk of the gun and the arm apparently caused by the recoil action of the gun. LUBIC noted KENNEDY had fallen and was bleeding from his head. LUBIC immediately sought cover behind an ice machine or table in the corridor under the assumption the shooting would continue. LUBIC observed the expression in KENNEDY's eyes and assumed he was mortally wounded.

LUBIC then noted one or more of the hotel employees and other people were struggling with the assailant in an attempt to disarm and to subdue him. LUBIC got up and linked arms with two hotel security employees to keep the crowd in the

O

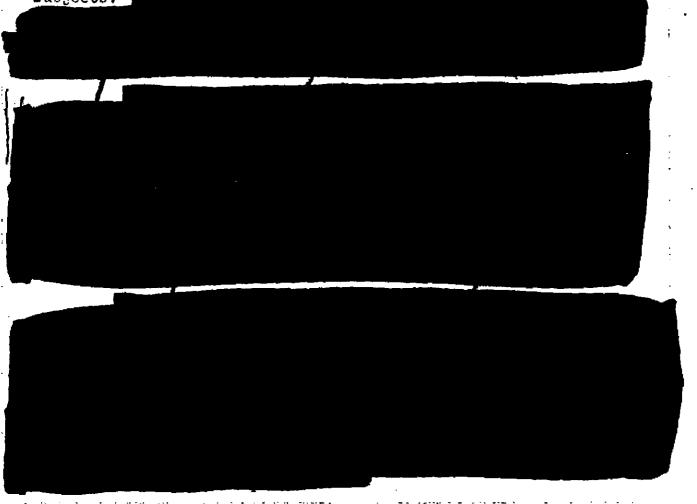

1 4 7

kitchen area from coming into the corridor. During this period the assailant was still being subdued and disarmed. LUBIC remained in this area until police took custody of the essailant and removed him from the hotel. The following day, LUBIC recognized news media photographs of SIRHAN B. SIRHAN as being identical with the assailant.

LUBIC additionally advised as follows:

During the time he was associated with television station KHJ, Los Angeles, he produced a television interview show called "Tempo". This show consists of interviews with controversial people and the discussion of controversial subjects.

was interviewed

LINDA related that she has been employed as a barwaid at the Golden Garter Bar for approximately one month. She advised that when she first began employment there was a barmaid there named DOROTHY MANNING. DOROTHY MANNING had a friend, who LINDA STURGEON knew only as "JYM". She described him as being a male; white; 24 years of age; blue eyes; curly, sandy hair (usually a curl was hanging down his forehead); heavy eyebrows; 5'10", 170 pounds. He had a "beer" stomach and talked slowly.

STURGEON was unable to furnish any information concerning SIRHAN.

On June 16, 1968 HARRY BAUN,

Los Angeles, advised that he attended a political rally at the Ambassador Hotel on Sunday night,

June 2, 1968. BAUN explained that he was "in the main ballroom" which was filled to a capacity crowd and noted that he

he moved back in order to allow Senator KENNEDY and singer,

ANDY WILLIAMS to get on the stage.

MAUN explained that while he was standing in the crowd waiting the arrival of the Senator he observed a white female in a polka dot dress standing approximately ten feet from him. She was acting as a writer on June4-5, 1968, in los Angeles, California. She stated that during the entire period of Senator KENNEDY's campaign, she never observed SIRHAN SIRHAN.

WRIGHT stated that Senator KENNEDY always spoke to the press after he had made his speec hes to his supporters and volunteers of his campaign. She said that it was generally known that Senator KENNEDY in the spur of a moment, would change the route cleared or suggested by members of his staff. WRIGHT stated that Senator KENNEDY had, on several different occasions, detained his staff to meet, shake hands and converse with individuals along his route while campaigning.

WRIGHT stated that she had telephonically contacted the Rocket Messenger Service in the afternoon on June 4, 1968, and requested a messenger to be available at the Ambassador Hotel. She said this messenger was to deliver the film taken that day by BILL EPPRIDGE, photographer for "Life Magazine", regarding the events at the Ambassador Hotel. The film was to be taken to headquarters. She said for some unknown reason she thought that Senator KENNEDY's victory speech would be at approximately 8:00 pm and for this reason requested that the messenger from Rocket Messenger Service report to the Ambassador Hotel at approximately 6:30 pm.

She said that at approximately 7:00 pm, when she first saw the messenger from Rocket Messenger Service, the messenger informed herthat he had had no supper. She furnished him with a blue press identification card so that he could enter the Ambassador Hotel later that evening. WRIGHT said that she returned to her room, 348, at the Ambassador Hotel at which time she observed the messenger attempting to enter a room across the hall from her room. She remarked to the messenger "I thought you wanted to eat." The messenger replied, "It's too crowded". WRIGHT said that the messenger appeared to be familiar and knew his way around the hotel as it would be difficult for a person to leave the Colonial Room and get to the 3rd floor in the area of Room 348 in that short period of time.

WRIGHT said that she went to her room to change to a dress from a suit because it was too warm for a suit. She also picked up the envelope for the film of EPPRIDGE to be placed in for the messenger. She said that shortly afterward she joined the KENNEDY staff members and close friends in the suite on the fifth floor.

WRIGHT stated she gave the messenger the film at approximately 9:15 pm to be delivered to the airport and to be sent on a flight at 10:00 pm. She informed the messenger to return to the Colonial Room for another delivery to the airport after Senator KENNEDY's speech. WRIGHT said that the messenger appeared to be very excited and wanted to know would he get to see Senator KENNEDY. She said that she did not give the messenger any answer. WRIGHT stated that she did not see the messenger again until after Senator KENNEDY was shot.

WRIGHT said that DICK HAYWOOD, of the Washington Post, informed her at approximately 10:00 pm that Senator KENNEDY had just informed him that after his, KENNEDY's speech, a party was to be held at the "Factory" a discotheque, for the traveling press and close friends of the KENNEDY staff. She said HAYWOOD told her that he was requested by Senator KENNEDY to inform the traveling press of the party.

At approximately 11:00 pm on June 4, 1968, she went down to the Ambassador Room to locate CHARES EVERS, as Senator KENNEDY had previously requested her to do so. She said she went down and located CHARIES EVERS in the Ambassador Room and they returned to the KENNEDY suite on the 5th floor. She said that as Senator KENNEDY departed from the 5th floor suite to proceed to the Ambassador Room to deliver his speech she escorted Senator KENNEDY to the elevator. KENNEDY pulled her head to his and whispered, "Don't go to the Ambassador Room as there will be a lot of commotion during my victory speech." WRIGHT also said that Senator KENNEDY asked her if she was going to join the party at the "Factory." She said she infirmed Senator KENNEDY that she thought she would join the party.

WRIGHT said that she watched Senator KENNEDY deliver his victory spech on television and near the completion left the suite by the way of the stairs to go to the Colonial Room. She said when she got to the Colonial Room the doors were closed and she was denied entry until the police officers checked her credentials. WRIGHT stated it appeared that Senator KENNEDY had been shot as she decended the stairs.

Upon entering the Colonial Room through the main entrance she observed the messenger at an exit of the Colonial Room nearest to the one that Senator KENNEDY appeared to be heading for prior to him being shot. She went to that exit and looked into the passageway where the Senator and the other individuals had been shot.

WRIGHT stated that at approximately 12:30 am on June 5, 1968, she signed the receipt requested by the messenger in the Colonial Room which covered the period of time the service of the messenger was used. She said she also obtained the receipt from the messenger regarding his delivery of the film she had given him at approximately 9:15 pm on June 4, 1968.

WRIGHT described the messenger as a skinny, well tanned white male, who we approximately 45 years of age with grey hair. She said that is all she can recall of the events that took place on the evening, night and early morning of the 5 and 4, 1968.

He stated he does not know SIRHAN personally and to his knowledge has never met him. CHAPMANN advised that at the time of the KENNEDY assassination, he observed SIRHAN's picture in the newspaper, but it meant nothing to him, and he did not recognize SIRHAN at that time as somebody he knew.

He concluded by stating he has raced at Santa Anita Race Track in California, and it is possible that he has unknowingly come in contact with SIRHAN on the race track. He was unable to provide any information concerning Jordanian nationals or anti-Israeli groups.

BOBERT HEMLY. Boston Globe, Boston, Massachusetts, advised he represented his paper in the coverage of Senator ROBERT F. KENNEDY's campaign in the California primary election.

HEALY stated he did not know the reason why Senator KEVNEDY changed his plans concerning his going to the Ambassador Room after his speech following the June 4th primary.

HEALY stated he observed SIRHAN B. SIRHAN when he was seized immediately after the shooting. He stated he had never seen SIRHAN on any previous occasion.

HEALY stated that earlier on that evening, he observed an individual who resembled SIRHAN but who definitely was not SIRHAN. HEALY stated he met this individual just after Senator KENNEDY began his talk in which he thanked his workers and the voters for the victory.

HEALY stated that he could not hear the speech very well and entered the Colonial Room so he could watch it on TV. He stated the room contained about 12 working press and TV men. HEALY stated that there were two security men at the door of the Colonial Room checking press credentials.

He stated that just inside the door of the Colonial Room he was approached by a young man who asked HEALY if he would give the young man the press credentials HEALY had hanging around his neck on a chain. HEALY said that he could not do that and the young man wanted to know what HEALY intended to do with the credentials after the affair was over. HEALY gave him some answer and got rid of him, but noted that the fellow was very persistent and even wanted to know where he could get similar credentials.

The above is set forth for the information of Los Angeles.

By airtel to Los Angeles dated 6/20/68, New York forwarded to Los Angeles, copies of FD 302's containing results of an interview with BILL EPPRIDGE, photographer for "Life" Magezine. In this FD 302, EPPRIDGE described a white female who tried to get in front of him (EPPRIDGE), as Senator KENNEDY was on his way to the Embassy Room to make his speech.

"Life" Magazine has put out a special edition on the KENNEDY Family. On page 74-75, is a photograph of Senator KENNEDY making his speech in the Embassy Room at the Ambassador Hotel. There is a short woman wearing a kerchief to Senator KENNEDY's right. EPPRIDGE thinks this may be the woman who tried to get in front of him.

She had accompanied her husband to Los Angeles, California, and was present in the ballroom of the Ambassador Hotel when Senator ROBERT F. KENNEDY was assassinated. She was, at the time of the shooting, stending on a packing crate at the rear of the ballroom. Standing next to her was MARY WHALEN, whose husband WILLIAM C WHALEN, is an NBC Associate Director. They had been standing there following Senator KENNEDY's speech and departure from the podium, when they heard the shricking cries and saw the scuffling of the crowd, and learned that Schator KENNEDY had been shot.

After the initial hysteria over the shooting, a man turned toward her and said something to her.

time this incident had no significance but, since there has been talk of a conspiracy regarding this assassination, the occurrence has been on her mind and she believed it might have some bearing on the shooting. Her present recollection is that this man said something to the following effect: "You saw me! You witnessed the fact that I was standing here when the senator departed!" Those are not the exact words, but she gained the impression he was trying to establish that he was in her view when Senator KENNEDY was shot.

Mrs. WHALEN was present when this unknown man (UNSUB) made this statement; which he addressed to both of them. She/recentifical scales this incident with Mrs. WHALEN, who recalled that she had also seen this UNSUB in the ballroom crowd earlier, during Senator KENNEDY's speech, carrying a small black object which she assumed was a pocket radio.

Mrs. MESSURI described UNSUB as white, 40-50 years old, 6 feet tall, heavy set, dark complexion, black curly hair, wearing maroon knit shirt. She could not decide his possible nationality. He displayed no physical characteristics but indicated a sense of urgency in his actions and menner of speaking. No accent was dtected.

on 6/19/68, MARY WHALEN related to SA
the peculiar conduct of an unknown individual,
who was standing near her at the time of the shooting.
During KENNEDY's appearance on the podium, UNSUB held
a small leather-covered object near his face. Mrs.
WHALEN believes that the object, which was about three
inches by 5 inches in dimensions, was either a transistor
radio or a small transmitter.

After the shooting, UNSUB approached Mrs. WHALEN and her friend, Mrs. FELICIA MESSURI, wife of NBC Producer-Director ANTHONY MESSURI, and said: "You've seen me here all evening, haven't you"? Remember, you have seen me here. Don't forget". At this point UNSUB, who was alone, disappeared

NY 44-1640

and was not seen again.

Mrs. WHALEN described UNSUB as follows:

Race
Age
Height
Weight
Hair
Complexion
Peculiarity
Dress

White 45 to 50 6' 190 to 200 pounds Dark Brown or Black Swarthy "Wild-eyed" expression Maroon sports jacket and dark knit sports shirt.

Attached is a sketch showing the location of UNSUB in the ballroom. SA equested Mrs. WHALEN to prepare this sketch so that appropriate T.V. films or news photos may be examined for a possible picture of UNSUB in the event the Bureau is interested in identifying him.

Mrs. WHALEN feels certain that she could identify UNSUB if she should ever see him again. Mrs. WHALEN's address is New York.

Mrs. WHALEN said she first obseved UNSUB while she was going through the crowd to get Mrs. BAREL. STODDARD, whose husband is also employed at NBC, Rockefeller Center, New York, New York. Mrs. STODDARD, who is presently in the hospital for an eye operation, probably also saw UNSUB.

Los Angeles is requested to advise whether above information is of significant value and if NYO should interview Mrs. STODDARD upon her recovery.

Re JOHN FAHEY:

An analysis of statements by JOHN FALLY as set forth in Los Angeles report dated 6/9/60, reflects the following inconsistencies tending to bring into question the motive and intentions of FAHEY in furnishing the information to the FBI:

On 6/7/68, FAMEY identified a photograph of MUNIR SIRIAN as being either identical or close in resemblance to the man watching him and the blonde in the Ambassador Hotel on 6/4/68. Investigation at Los Angeles of MINIR SIRHAN established that he was at work at Nash's Department Store in Pasadena, California, during the period of time which FAHEY claimed he was being observed at the Amoassador Hotel.

On 6/6/68, FAHEY stated that while en route to Oxnard, he was followed by a blue Volkswagen from Malibu north. On 6/7/68, FAHEY enlarged this story, advising he had also been followed by a dark blue Ford through Santa Monica, California.

parking lot area north of Malibu on 6/4/68, he stated the driver of the Volkswagen pulled in on his left, then backed behind a boulder on his left (south). FAHEY was questioned closely concerning this, as he once stated the Volkswagen was on his left, then on his right. He stated it was his left, because the boulder where the Volkswagen parked was on the left. On 6/17/68, FAHEY stated the Volkswagen parked thirty to forty feet on his right side. He then stated the man got out of the car, walked to the other side of the car, and stood staring at FAHEY and the girl, who were both still seated in his car. He further stated the unidentified man then got back into the Volkswagen, drove it behind a boulder to the south of FAHEY, which would be on his left. FAHEY stated that at this point, he pulled out on the highway going north, and did not see the Volkswagen or the man again. On 6/21/68.

FAHEY, he received the following account of the incident at the boulder from FAHEY:

at the boulder on Pacific Coast Highway north of Malibu, he got out of his car and could see the unidentified men standing behind the boulder holding a gun. FAHEY told practically crawled back into his car and was so arraid that he hurt in his chest and side, and told that he could still feel it since it scared him to death. It is also noted that on 6/17/68, FAHEY advised that he did not get out of his due to the fact that the unidentified blonde had looked at his keys, and he was afraid that his car might be stolen.

On 6/17/68, Bureau Agent in the company of FAHEY, retraced FAHEY's route taken on 6/4/68, with the unidentified blonde. FAHEY advised of his having stopped on the highway in Malibu, California, and carrying the unidentified woman across the beach to the ramp of a deserted lifeguard stand where FAHEY claimed their conversation continued. At all interviews, FAHEY expressed great concern

at no time did he engage in any sexual activity with the blonde woman.

Searching Investigations Division, INS, stated that they had been apprehending illegal enterants from Mexico at approximately 125 per day. Due to the fact that their files were usually a month behind in being filed the entire group would have to be searched in order to identify any names with MARIO MUNOZ. He stated to the writer that his office would be cooperative in assisting Agents who desired to search these files.

It is recommended that after the initial search for names listed in rememo, that any missing names be checked against INS records.

Mrs. OLIVE DE FACI California, telephone number advised that the night of June 4, 1968, she was in the Ambassador Hotel advised that on attending the election night party for the KENNEDY volunteer workers. She said she had been a volunteer worker at the KENNEDY campaign headquarters for approximately a week. said she arrived at the party late and was unable to get into the Embassy Room so she stood around near a pillar in the Ambassador Ballroom watching the festivities and waiting for the opportunity to see Senator KENNEDY or some of the other celebrities. She said she stood around in the Ambassador Ballroom for approximately two hours. At one time while she was in the Ballroom, she saw a white, male accompanied by a taller male and a white, female, walking around together in the Ballroom. She said she thought the smaller of the two males might possibly have been SIRHAN SIRHAN. The reason she thought this was that she recalled the smaller person having a very obviously pockmarked face and when she saw SIRHAN's photographs in the newspapers and on television, she thought that he also had a pockmarked face. She was unable to describe any of these individuals as to height, weight, age, or wearing apparel, other than to say that all were dark complected and all were wearing dark clothing. She said she thought the girl's hair was dark. She did feel sure that the girl was not wearing a polka dot dress.

DE FACIA was advised that the marks on SIRHAN's face shown on the television and press photographs, are marks that he had obtained during the scuffle in which he was apprehended. She was told that SIRHAN does not have an obviously pockmarked face and was asked if she would like to observe a photograph 1 of SIRHAN to help her determine if the person she saw that night was SIRHAN. She said that if SIRHAN did not have an obviously pockmarked face, it could not be the person she saw that night and that she did not feel the need to look at his photograph to make that decision.

She said she did not overhear any conversation in a foreigh language which these three might have had and she would not be able to say if they were speaking in a foreigh language as her girl friend, MARY E. GIVLESPIE, had told the FBI. DE FACIA said she did not overhear these people speaking in any language and she was not close enough to them to hear their conversation.

DE FACIA said that there was a Mexican band playing in the Ambassador Ballroom and there were alot of Mexican appearing people in the room. She said she wondered how these people had all been able to get in. She said that they had apparently come to hear the Mexican band.

At one point during the evening, DE FACIA was up near the fountain in the main lounge near the entrance to the Embassy Room and she noticed that several ballooms attached to the fountain all popped in rapid succession. She said she thought it was unusual that so many ballooms would go off at one time. However, she said she was watching KENNEDY speak on television monitor at the time and saw knows that these ballooms popped prior to his finishing his speech.

DE FACIA said she grew tired of waiting for a chance to see KENNEDY, and since it was getting very late and she had to drive home by herself, she decided to leave the Ambassador Hotel. When she reached her car and got in, she turned on the The newscaster on the radio was saying that Senator KENNEDY had just been shot. So DE FACIA turned off the radio, got off her car, and went back to the hotel. When she got into the Hotel, she saw a tall white, young man that she thought might have been one of the student campaign workers speaking to a policeman. She was unable to describe this individual other than to say that he was approximately 19 years old. She said he was quite hysterical and was telling the policeman something about having chased a man out of the Embassy Room after the shooting and lost him. He began to cry and made a motion with his hands which DE FACIA interpreted to t a measurement or distance that he was trying to explain to the policeman. DE FACIA said it was her impression that the man was telling the policeman he had chased a man with a long gun out of the building. - She said the young man gave the policeman his name.

DE FACIA said she would attempt to find out what this man's name was by making some inquiries among fellow campaign workers. She said she was presuming that the young man talking to the policeman was a campaign worker. She said that if she is able to obtain the name, she will furnish it to the FBI.

DE FACIA was asked if she knew of any other information that she thought might be pertinent to the investigation. She said she did not.

Mr. Lyndon B. Johnson Constitutional President of the United States of America White House Washington, D. C. U. S. A.

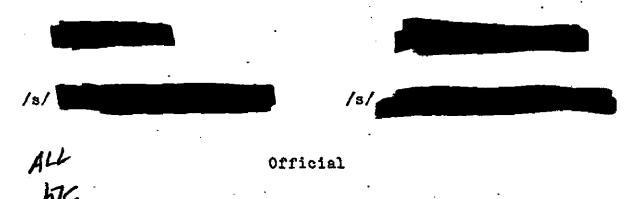

Your Excellency Mr. President of the Republic:

The sorrow that invades the world from the first morning hours of yesterday, confuses us profoundly in the great sorrow that invades our hearts because of the crime attempted against the life of Senator Robert F. Kennedy. With this sincere sorrow we express condolences to the cities and governments of the United States of America.

Our organization condemns this criminal act and asks for the maximum punishment for the individual who apparently is the instigator of this crime and we believe he deserves the Guillotine so that once and for all these criminal acts can be abolished for good from your prosperous country in which criminal statistics are great in number. We are sending our views regarding this separately for your study.

As stated before, Mr. President, we ask you with all our heart to express our condolences to your country and our accompanying sorrow to the Kennedy family, whose sorrow at this moment we share.

Our condolences and sorrow peace, democracy and liberty

On Monday, May 6, 1968, The state and I checked out of Room 6 at the MOIRA HOTEL, Trinity Street, Dublin. The Porter had called earlier for a cab to pick us up at 9:00 A.M. to take us to the Dublin Airport for departure on B.E.A. Flight #862, at 10:00 A.M. for London.

The cab had a RYAN'S sign on top. Since I had met f RYAN'S CAR HIRE LTD., I asked driver if he knew him. He said he did. He explained that he owned his cab, personally.

I asked, driver if he had lived in Dublin a long time. He replied that he was a * man.

We talked about Robert Kennedy. Driver said, "If he runs, they will shoot him just like they did his brother". I asked what he meant. He said, "I don't want to talk about it". I asked why not. He replied, "I have my reasons".

Driver's age 65-70. Sturdy, but not fat. 5'10" tall. Wore cap. White hair showed under cap. Ruddy complexion. Bitter attitude.

* He named a suburb of Dublin. I think he said "DUN LAOGHIRE".

On 6/24/68 DALE DURETTE Lage California, and California. residence at

advised as follows:

On the night of 6/4/68, she and CAREN MC SPADNEN were sitting at a table in the Palm Room of the Ambassador Hotel with a DANIEL HALL. Sometime between 10:00 p.m. and 11:00 p.m., an unknown individual, whose first name she believes was JOHN, stopped at their table. He was a very strange acting individual and never mentioned his last name. She explained the strange action due to the fact that he had a briefcase with him that he would not set on the table or set on the floor. It had a considerable bulge to it which appeared to have something else in it besides the campaign literature.

They questioned him as to what political party he was a member of, as practically everyone in the hotel at that time was concerned with one of the three party headquarters that were at the hotel. He noticed that they had RAFFERTY buttons on their clothes and so he told them he was a RAFFERTY supporter. He then started to look for his RAFFERTY button and pulled out both a KENNEDY and CRANSTON button before locating a RAFFERTY button.

He made some odd statements to the fact that he attended first Pasadena City College and then later a Valley State College, location unknown.

One of them asked him what was in the briefcase and he said "It's a surprise. You'll find out later".

She could furnish no other identifying data regarding this individual other than a description of a white male, age 25 or 26, 5'7" or 5'8" in height, slender build, olive complexion, dark hair and dark eyes. She stated that she had viewed a photograph of SIRHAN SIRHAN and had observed him and she knew that this individual was not the same person. She believed that he stayed at their table for about thirty minutes. They left the hotel themselves between 11:30 p.m. and 12:00.

On 6/25/68, CAREN MC SPADDEN, age of advised, in essence, the same information as had DALE DURETTE. She added the following comments:

she recalled the individual who stopped at their table as having the name of BOB. She furnished generally the same description as did DORETTE and commented about the odd acting part of this individual, including the part about his being a student at different places and then saying that he was not a student; the part about not knowing which political party that he was in favor of and also remembered a comment made by him when she asked what was in the briefcase and he replyed "You'll see. It's a surprise."

She commented that the only reason that she thought this information should be brought to the attention of the FBI was the general appearance of this unknown individual which would give him the appearance of being from the same part of the world as SIRHAN SIRHAN, although he had no accent whatsoever. She could furnish no identifying data regarding this individual.

Re: Antopsy Report - Senator Mobert F. Kennedy

Dr. THOMAS P. NAGUCHI, M.D., Chief Medical Examiner-Coroner, Los Angeles County, advised that the photographs and report concerning the autopsy conducted by be and his staff, on the body of the late Senator ROBERT F. KENNEDY is still not complete. He said the delay is primarily due to one segment of the report which concerns the various organs of the body not directly related to the penetration of the bullets. He said, however, this report will probably be complete within the next week or so and he will probably advise the Los Angeles Office when it is ready.

ALL bic

In connection with the photographs taken during the post mortem examination, he pointed out that there may be between 200 and 300 photographs taken during the autopsy. The Los Angeles Office has requested six sets of photographs at a cost of 27 cents per photograph, therefore, the total approximate cost could be \$486.00.

It is recommended that Bureau authority be obtained to expend mency in oncess of \$100 to obtain these photographs in the event it is necessary.
